

Adelante Dual Language Academy Safety Protocol (Run,hide and defend) Other Areas

Blacktop:

If there is a run, hide, defend called students need to run away, in the opposite direction from the danger. Classrooms will be locked, so they will need to run. This is to happen during apertura and recess times. (Safe place to run are Ocala Middle School or Mt. Pleasant High School)

Library:

Students and teachers will follow same protocol as classrooms: They will lock doors, close blinds, turn off lights, create a barricade, and silently hide away from line of sight.

Parking Lot

-If there is a run, hide, defend called students need to run away, in the opposite direction from the danger. Classrooms will be locked, so they will need to run.

If students are in back parking lot they may jump over fence/bolt cutters will be nearby to cut lock if necessary. Students/Teachers need to know that bolt cutters will be stored in P2

Bathrooms

Students will close the bathroom door
Then students will quietly hide in the stalls.

Cafeteria:

Scenario 1- If danger enters the cafeteria, students should run through the back door which provides an escape to outside of the school. (Safe place to run are Ocala Middle School or Mt. Pleasant High School)

Scenario 2- If lockdown is called and there is no immediate danger in the cafeteria, teachers/students will lock doors, turn off lights, barricade and hide out of line of sight.
