Alternate Bus Stop Form 2017-2018 School Year

Unless informed otherwise, the Transportation Department will assume all students are to be picked up and dropped off at the designated stop nearest their home address. Only complete this form if you would like your child to be dropped off at a designated bus stop other than the stop closest to their home address. For safety reasons, all students are limited to one pickup location and one drop off location, and they must be consistent for everyday of the week. It may take 3-5 business days for the change to take effect. We will let you know when the changes are in effect. Also, it is the parents responsibility to ensure the safety of their child to and from the designated bus stop location. If you have any questions, please contact Transportation at (952) 975-7500.
