

Coddle Creek Elementary Mission

At CCE, all students are encouraged to become active, independent, inquiring, lifelong learners who will have the tools to succeed in a complex and changing world.

We work collaboratively to build our community of excellence!

The IB Mission

The International Baccalaureate aims to develop inquiring, knowledgeable, and caring young people who help to create a better and more peaceful world through intercultural understanding and respect. To this end, the IB works with schools, governments, and international organizations to develop challenging programmes of international education and rigorous assessment. These programmes encourage students across the world to become active, compassionate, and lifelong learners who understand that other people, with their differences, can also be right.
