## REQUEST TO TRAVEL VIA PRIVATE VEHICLE

The Novi Department of Athletics and Physical Education believes it is in the best interest of the individual participants as well as for the spirit de corps of the team members to travel to and from away athletic contests in school provided transportation. However, we recognize that in exceptional cases, a parent may wish to request a waiver of this expectation. Exceptions will be granted in a case-by-case basis and should be given to the coach **at least three (3) days in advance** of the athletic trip.
