

## **AP English Literature and Composition summer 2019**

The summer reading assignments for AP English Literature and Composition are Leo Tolstoy's *Anna Karenina* and Evelyn Waugh's *Decline and Fall*.

For *Anna Karenina*; whatever translation students use is fine. For *Decline and Fall*, everyone should use the Back Bay Books ed., published by Little, Brown (ISBN 9780316926072).

Students should bring these books with them in the fall for use during the first two weeks of the course.
