CENTERVILLE JUNIOR HIGH SCHOOL 2019-2020

ACADEMIC REQUIREMENT

To help each student be organized, we ask that they bring an organizer, pen or pencil, paper and a reading book to school each day. Every class is required to have a course disclosure that will provide important information regarding rules, grading practices, required materials, fees, etc. Disclosures are also available on each teacher's website which can be located at: <http://www.davis.k12.ut.us/Domain/5953>

ACCIDENTS/ILLNESSES

Accidents and illnesses are to be reported immediately to the office so that we can attend to the student and get the assistance necessary. Parents will be notified. All students are required to have a student information card on file.

ADVERTISEMENTS & FLYERS

Davis School District requires all advertisements and flyers be distributed through Peach Jar, an on-line program. No paper advertisements or flyers will be given out at the school. If you have questions about posting a flyer on Peach Jar, please contact the Main Office at (801) 402-6100.

ASSEMBLIES

Assemblies are planned for the educational value and entertainment of our students. Courteous and cooperative behavior is expected. If a student is asked to leave an assembly due to poor behavior, school consequences will be enforced. The student may potentially forfeit attendance at future assemblies as dictated by the school administration.

ATHLETICS

Athletics are available to all students and require a **physical examination, insurance coverage and parent signature** before participation is permitted. Eligibility requirements are covered under "Eligibility." Fees are assessed for each sport and must be paid the first week of practice.

ATTENDANCE

Attendance is an important part of your student's education experience at CJH. Students are to be in attendance unless they are excused due to illness, injury or extenuating circumstances.

Check in: All students who enter the school after the tardy bell must check in at the Main Office. A student must bring a note from home or a parent must sign them in.

Check out: All students who leave during the day must inform their teacher and present a note to the Main Office. Parents are welcome to come to the office and check out their student. A parent must be present before the student will be excused from class. For the safety of your child, we **do not** allow students to be checked out over the phone.

Clearing absences: You may use one of the following options to clear your student's absence:

1. Send a note with your student upon his/her return to school.
2. Send an email to cjhattendance@dsdmail.net.
3. Send a fax to (801) 402-6101.

Absences must be cleared within five days of returning to school or a truancy citation may be issued.

Upon the fifth unexcused absence in a class, the student may receive a "U" in citizenship.

A student is considered absent if he/she misses more than 20 minutes of a class.

Extended absences: Students who will be missing three or more consecutive days of school must fill out a "**Pre-approval for Extended Absences**" form before they leave. They are available on the CJH web site or in the Main Office. Students will have the teachers complete the form, then bring it to the office where a copy will be given to them.

Closed campus: Students are not allowed to leave the school grounds during the school day without parental consent and clearance from the office. Students are not to leave school for lunch unless they are accompanied by their parent and there is sufficient time to return to school without being tardy to class. Students may go home for lunch with written parental permission, which will be kept on file in the office. Students are not permitted to go to another student's home or to businesses in the community for lunch.

Tardies: Tardiness is disruptive to the orderly running of our school. Students who are excessively tardy will receive reduced citizenship grades and will be subject to school discipline. Students are not to be in the hall when the tardy bell rings. Infractions of this rule will be administered as follows:

- 1st tardy: No change in citizenship grade
- 2nd tardy: May receive a "S" or "G" in Citizenship grade
- 3rd tardy: May receive an "N" in Citizenship grade and guardian contacted by e-mail
- 4th tardy: May receive a "U" in Citizenship and referred to the office
- 5th tardy: May receive 1 day of Lunch Detention
- 6th tardy: May receive multiple days of Lunch Detention

Truancies: A truancy citation may be issued for the following reasons:

1. Any time a student is unaccounted for in class or in an unauthorized area of the school.
2. Being out of class without permission.
3. Being 10 minutes late to class without a valid reason.
4. Using a hall pass for more than 10 minutes.
5. Leaving campus without authorized permission.
6. A pattern of unexcused absences.

A truancy citation carries with it a fine from \$10 to \$25. Parents will be notified via phone call or e-mail. An administrative "U" may be issued for the first truancy and a "U" in each class affected by subsequent truancies.

BACKPACKS

For safety and health reasons, backpacks, bags, large purses and any other satchels (briefcases, gym bags, boxes, etc.) are to be kept in lockers during school hours. Backpacks and satchels are to be used only to transport materials to/from school and to transport needed items to/from gym class.

BUSES

According to Davis School District regulations, buses are for students who live **two or more miles from the school**. Bus eligibility – to find out if a student is eligible to ride the bus, please log onto the student's myDSD account. Go to the "Report Tools" tab and select the "Transportation" tab.

Riding a bus is a privilege. The driver is in charge and must have full cooperation from all students. Disorderly behavior will result in withdrawal of bus privileges. Specific regulations are stated in the Transportation Safety Pamphlet. Repeated failure to observe rules will result in a referral to the administration and possible loss of bus use.

1. A bus pass may be issued to those students who are qualified to ride the bus (2 mile requirement). Students should carry the pass with them. There will be periodic checks to help maintain the correct number of students riding the bus.
2. Students should be off the pavement as the bus approaches.
3. Students should enter the bus in an orderly manner and be seated. They should not be standing while the bus is in motion.
4. Students should not place objects or body parts out the windows of the bus and may not exit out the emergency door. Such action will result in automatic bus suspension.
5. No horseplay or harassment is allowed. Students shall be courteous to driver and fellow passengers.
6. Eating and drinking on the bus is not allowed.
7. Littering and vandalism is not allowed.
8. For everyone's safety, no item shall be carried on the bus which could create a hazard to any passenger or driver.
9. Students who refuse to obey directions of the driver or refuse to obey regulations may forfeit their privilege to ride the bus.

SEVERE CLAUSE: In the case of disorderly conduct, assault, arson, or other endangering behavior, the driver will stop while the Transportation Center Dispatch calls the parents and asks them to meet the bus and take the student home. If they are unavailable or unwilling to come, then the local police will be called to take the student off the bus. If there are any problems that threaten the immediate safety of students on the bus, the individual student involved will be suspended from the bus.

CAFETERIA

All food purchased in the cafeteria must be consumed in the cafeteria or outside the school. The following behaviors are prohibited in the cafeteria:

- Running to get in line
- “Cutting” in line or saving a place for others
- Throwing anything
- Leaving trash, trays or food on the tables

Inappropriate behavior in the lunchroom will not be tolerated and violators will be referred to the office and may lose lunchroom privileges and/or help clean up. All areas, including “E” hall (in and out of the building) north of the blue carpet are off limits to food and drinks. Dock areas are off limits due to safety concerns and deliveries. All food, pop and candy must be kept inside the cafeteria. **Students are expected to leave books and binders in their lockers during lunch.** Students may obtain a school lunch by bringing money daily or by depositing money in their lunch account in advance. Money not used during the year will be carried over in the student’s account for the following year. Checks for lunches should be made out to Student Nutrition Services. The Charger Store is open Monday, Wednesday and Friday during lunch.

CANDY AND BEVERAGE MACHINES

Vending machines are for your convenience and are in the cafeteria and the Blue. Food, candy or beverages may be consumed in the cafeteria or outside of our school building. **Use of the vending machines is at the student’s own risk and there will be no refunds.** The Main Office cannot make change for the vending machines.

CITIZENSHIP

In compliance with state law, students are to attend school unless there is a personal illness, family emergency or funeral. All other absences are unexcused. **Whenever absences exceed four days in a given term, citizenship, as well as academic credit, may be affected.** Failure to earn the required high school citizenship credit will result in withholding the graduation certificate until the citizenship credit has been made up. “H” (Honors), “G” (Good), “S” (Satisfactory), or “N” (Needs improvement) grades are used to earn citizenship credit. “U” (Unsatisfactory) grades will result in loss of citizenship or participation privileges.

Unsatisfactory citizenship grade: An unsatisfactory citizenship grade (“U”) may result from any of the following or combination of the following:

1. **Attendance:** A “U” citizenship grade may result from five or more unexcused absences per term. School excused absences for school-sponsored activities are not counted. A student is considered absent if he/she misses more than 20 minutes of a class. An administrative “U” may be given for the first truancy. On the second or succeeding truanies, teachers may give an additional “U”.
2. **Behavior:** Behavior in the classroom should be appropriate and consistent with each teacher’s expectations as listed in the class course disclosure statement. Centerville Junior High adheres to the Safe School Policy of the Davis School District. An uncorrected series of negative behaviors or one serious incident of negative behavior may result in a “U”.
3. **Tardiness:** Four (4) or more tardies per term per class may result in a “U” (See Attendance Policy)

A student who has lost citizenship credit and feels there are extenuating circumstances may request a hearing by the Standards Committee by submitting a request for a hearing in writing to the principal. **The request must be made within two weeks following the term in which the “U” was earned.** All efforts should be made prior to the end of the term to avoid the “U” and loss of citizenship credit.

Citizenship Make-up credit to clear a “U”: Citizenship make-up credit is available through approved Davis School District Community School classes, pre-approved community service programs, or special alternative programs, i.e., completing a four-hour community service/work project. This must be pre-approved by the administration. Fee is \$5.

Note: For each four-hour work project completed, citizenship credit for one “U” will be restored. A “U” being made up for eligibility purposes must be made up within seven days of grades being posted at the end of a term. A “U” being made up will have citizenship credit restored, but the “U” will remain on the student’s permanent transcript.

CLOSED HALLS

All classroom halls are closed during lunch. Students should be in the cafeteria, the Blue or outside in front of the school during lunch.

COMPUTER ACCEPTABLE USE POLICY

Students and staff must sign an “Acceptable Use Agreement” to have access to the technology in our building. The “Acceptable Use Agreement” form is on the school website. Computers are available for student use in the Media Center, classrooms and the computer lab. Information that is saved on the computers is protected by individual passwords. Violation of the computer “Acceptable Use Agreement” will be reviewed by the Technology Committee and consequences imposed.

CREDIT RECOVERY

Credit recovery classes are offered for all core classes. Credit recovery support classes are offered through our Charger Academy Program if a sufficient number of students sign-up. The cost is \$45.00 per student per make-up credit. Charger Academy uses a “Competency Based Model” which allows students to recover multiple credits at their own pace. Centerville Junior High School is committed to multiple pathways to credit recovery. If your student is struggling to generate school credit toward graduation, please meet with a school counselor or administrator to consider options for credit recovery.

DANCES

School dances are provided to students for their entertainment and social development. Dances are held at designated times according to the school calendar and sponsored by our CJH Student Body Officers. Only students that currently attend CJH may participate in school dances. Students are expected to behave courteously and responsibly. No inappropriate behavior or anything that endangers the safety of others will be allowed. School dress code will be enforced.

DISCIPLINE POLICY

The discipline policy is established to help all students achieve self-discipline. It is therefore expected that rules shall be clear and the consequences immediate. An important part of the discipline process is the issuing of an apology for inappropriate behavior in a teacher’s classroom. Administrators will facilitate reconciliation between teacher and student in a timely fashion. Students will be dealt with on an individual basis and consequences will be based on the severity of the offense. Chronic offenders will be treated with more severity. In school management, the first line of discipline is the teacher. This systematic approach to less-than-crisis situations shall be documented as follows:

1. School rules and policies are reviewed with the students by the administration at the beginning of the school year, school policies are posted on the school website, and class rules are posted in the classroom.
2. A teacher/student conference is held.
3. Parent or guardian contact is made.
4. School counselor is involved. (Optional)
5. Student is referred to the Principal or Assistant Principal.

Procedures for Students Who are Sent to the Office

- | | |
|-------------------------|---|
| 1 st offense | verbal warning/ apology to the classroom teacher. |
| 2 nd offense | loss of lunch time (opportunity to eat will be given, but no socializing with peers; student must stay in ISS room for lunch period). |

In School Suspension (ISS) is a supervised program outside of the classroom to correct a student’s misbehavior. All course work is provided in an “independent study” format so that students are still learning while missing class. Completion of ISS is determined by behavior, attitude, and completion of work. Work not completed or behavior not satisfactorily corrected may constitute another day in ISS. Continued inappropriate behavior/attitude may result in an additional out of school suspension for a predetermined amount of time.

Note: Any ninth grader, who exhibits extreme discipline infractions in the fourth term will forfeit 9th grade dance privileges and may lose citizenship credit.

DRESS STANDARDS

The school dress policy is designed to reinforce the importance of professional dress and to avoid distractions in the classroom. We recognize that dress and grooming affect the behavior of students and that there are sanitation and safety factors directly related to proper dress and grooming. School administrators, teachers, and parents need clear dress and grooming guidelines so that rules of dress and discipline can be enforced consistently. Teachers reserve the right to determine what is considered distracting to the learning environment and to refer the students to the office. ELIGIBILITY

District and school standards for student participation in the following extra-curricular activities are as follows:

Student Government Eligibility:

Any student seeking office must have maintained a minimum GPA of 3.0 in each of the three terms preceding elections. Candidates must not have received any F's or U's during the previous three terms. Appointed officers must meet the same requirements. An N citizenship grade may have an adverse effect on the applicant's score.

Determination of academic and citizenship eligibility shall be made no later than the seventh calendar day following the last day of the grading period. Grade changes after that time cannot restore lost eligibility.

While in office:

1. During their term of office, Officers will need to maintain the following: 3.0 GPA with no F's, no U's and/or no more than one (1) N on a term's grades or they will be dismissed from office.

2. An “F” or a GPA below a 3.0 in any term will immediately place the student on probation. If at the end of the next grading period (term) the grade does not come up, the student will be removed from office.
3. Two probations, gross misconduct, disregard for school policies or an administrative “U” will result in immediate removal from office.
4. Mid-term progress reports DO NOT apply to eligibility, but will assist in preventing any potential problems.

Cheerleading Eligibility:

Any student who seeks to be a cheerleader must have maintained a minimum GPA of 3.0 with no F’s and no U’s in each of the three terms preceding elections or tryouts. An N citizenship grade may have an adverse effect on the applicant’s score. Once selected, cheerleaders may not receive any F or U, and must maintain a GPA of 3.0 during each term of office.

Determination of academic and citizenship eligibility shall be made no later than the seventh calendar day following the last day of the grading period. Grade changes after that time cannot restore lost eligibility.

While participating as a cheerleader:

1. Cheerleaders will need to maintain the following: 3.0 GPA with no F’s, no U’s and/or no more than one (1) N on a term’s grades.
2. An F or a U on a term’s final posting will immediately dismiss a student from cheerleading activities.
3. If GPA or citizenship requirements are not met, cheerleaders will be placed on a term probation and may not participate or represent CJH at extracurricular activities as a cheerleader during that time. They, however, will continue to fully participate in all practices. One probationary period is allowed in each school year.
4. Once on probation, the cheerleader has one (1) term to meet the academic and/or citizenship requirements. If he/she fails to do so, he/she will be removed from the squad and will not be allowed to represent CJH as a cheerleader in any activities for the remainder of the school year.
5. Two probations, gross misconduct, an administrative U or any extreme violation of school rules or unacceptable conduct, on or off school property (as determined by the administration) will result in the cheerleader being put on probation or immediate removal from the squad, determined by the administration, coaches and/or Standards Committee.
6. Mid-term progress reports DO NOT apply to eligibility, but will assist in preventing any potential problems.

Athletics Eligibility:

In the term preceding athletic participation, students must have obtained a minimum GPA of 2.0 and must not have received more than one F (Incompletes are considered F’s until made up). All U’s must be cleared prior to athletic participation. Determination of academic and citizenship eligibility shall be made no later than the seventh calendar day following the last day of the grading period. Grade changes after that time cannot restore lost eligibility.

The Standards Committee assists students interested in athletics that are ineligible because of citizenship issues. The Standards Committee will consist of an administrator, faculty representative, student, and a PTSA representative. An appeal concerning eligibility is to be presented in written form to an administrator stating reasons by both student and staff member involved. This appeal must be made within two weeks of grades being posted. District policy will be followed but may allow probationary students an opportunity for improvement. The committee will base their decisions in compliance with policy and the best interest of the student.

ELECTRONIC DEVICE POLICY

“Electronic device” means a device that is used for audio, video, or text communication or any other type of computer or computer-like instrument including: (1) a smart phone; (2) a smart or electronic watch; (3) a tablet; or (4) a virtual reality device. This policy pertains to both “district-owned electronic devices” that are owned, provided, issued or lent by the District to a student or employee and to “privately-owned electronic devices” that are not owned or issued by the District to a student or employee. Electronic devices have become an integral part of our everyday lives. While electronics have value in the educational environment, they can be distracting and used for illegal activity.

These devices are authorized for use under the following circumstances:

- **Educational Purposes-** Teachers retain the right to dictate how and to what degree electronics are utilized in their respective classrooms. Students are expected to know, understand and follow each teacher’s expectations regarding electronic use.
- **Personal Use-**before or after school, during passing periods and at lunch. Students are expected to know, understand and follow school-wide policies regarding the appropriate use of electronic devices.
- **Other Exceptions-**As defined in 504, IEP, or Healthcare Plans.

The following school-wide policies regarding electronic devices will be enforced:

- Electronic devices are prohibited during standardized assessments unless specifically allowed by statute, regulations, student IEP, or assessment directions.
- Electronic devices are not to be used in ways that bully, humiliate, harass, or intimidate school-related individuals, including students, employees, and guests; or violates local, state, or federal laws.
- Electronic devices will not be used in any manner that would cause invasions of reasonable expectations of student and employee privacy.

Inappropriate use of electronic devices will result in the following consequences and may include additional consequences of ISS detention, suspension, and/or referral to District Case Management:

- 1st offense Staff member will secure the device in the office. Student will be allowed to pick up the device after school. Parent will be notified.
- 2nd offense Staff member will secure the device in the office. A parent must meet with administration to pick up the device.
- 3rd offense Staff member will secure the device in the office. A parent must meet with administration to pick up the device and discuss a possible predetermined amount of time for the device to be left at home.

Students and employees are expected to comply with all provisions of the *Electronic Device Policy* in conjunction with the provisions of the *Technology Resources Acceptable Use Agreement*.

EMERGENCY DRILLS/EVACUATION PLAN

Emergency drills are conducted periodically to practice safe and efficient responses to multiple situations. Students should take each drill seriously and follow the instructions, guidelines, exit routes, etc. posted in classrooms or given by school administration and/or law enforcement. For fire drills, once the drill is completed, school administration and/or law enforcement will give permission for students to re-enter the building and/or resume regular activities.

All individuals in the school building are expected to immediately evacuate the building whenever the alarm goes off. Each classroom is to post an evacuation map near the doorway and students will be assisted by teachers in knowing the exit route from the classroom. Students and teachers will return to the building only when directed by an administrator blowing a whistle.

Every public school is required to annually update and publish an Emergency Evacuation Plan to address potentially dangerous situations. Emergency booklets and first aid backpacks are in each classroom as well as a posted plan of evacuation. Drills will be conducted according to district guidelines and in accordance with State Law.

EXTENDED OPPORTUNITY

Every Tuesday morning from 8:10-8:35, CJH has Extended Opportunity. This time is designed for parent and student academic consultation with teachers and for students to re-take tests. Students are encouraged, but not required to attend, unless they are failing a core class and receive a mandatory notification to attend. Students that elect to come to school and not work with a teacher are expected to remain in the cafeteria or the “Blue” until the bell rings for 1st period.

FACULTY RESTROOMS/WORKROOMS

Faculty restrooms and workrooms are off limits to students. Only those accompanied by their own teacher may be in the faculty work room.

You may apply for school fee waivers by submitting the Standard Fee Waiver Application to the school office.

FREE AND REDUCED LUNCH - School meal applications for the Free and Reduced Lunch Program are only available on-line. Sign into your myDSD guardian account, click on “tools” and then apply for lunch assistance. You will be notified via e-mail when your application has been processed.

FUNDRAISING

At the request of our school community, CJH does not allow solicitation for external fundraising. Individual department, teacher or student government fundraising is acceptable. All questions regarding fundraising need to be directed to the school administration.

GRADING

Grades indicate student academic progress for a specified period and should be treated with great importance. Term grades, once finalized, are placed on the permanent record of each student. Midterm notices are not grades, but progress reports. Whenever questions arise on grades, students and parents are encouraged to contact the individual teacher. Teachers are strongly encouraged to make every effort to contact parents when concerns with a student’s academic and/or citizenship grade occur. If a teacher anticipates giving a student an “F” term grade, parent notification is required (midterm progress reports count as notification). Parents are also encouraged to make every effort to monitor their student’s education. Eligibility for extra-curricular activities is a student/parent/school concern. Whenever students are considering extra-curricular activities, it is advisable that parents become closely involved with their student’s grades. Students have full responsibility for their behavior and academic progress. Make-up of a “U” is the responsibility of the student.

Cheating or the appearance of cheating will not be tolerated. Cheating may include, but is not limited to, using someone else's work as your own, incorrect scoring of papers, sharing completed schoolwork with another student, using electronic devices to obtain answers to a test and using books/notes on a test when not directed by the teacher. The consequences for cheating are left in the hands of the individual teachers, but may include severe academic and citizenship penalties such as a zero on the assignment or test and a "U" in citizenship.

HALL PASS

Hall passes are only to be used one student at a time for emergencies at the teacher's discretion. Students are expected to use the hall pass in an efficient manner returning to class within 5 minutes. Students may receive school discipline for loitering in the halls, not returning to class within the 5-minute time frame or distracting other classes while in the hall. Hall pass privileges will be taken away if violations occur.

HARASSMENT

Verbal or physical harassment of any kind is not permitted at CJH. Students and staff are expected to treat everyone in our school with dignity and respect. Students who believe they are the victim of bullying should report their concerns to a school administrator. School administrators will investigate harassment claims in accordance with school and district policy to ensure the harassment stops immediately.

HOME HOSPITAL

If a student is going to be homebound or hospitalized for more than ten consecutive school days, the parents should contact the school to apply for Home/Hospital services. A physician's signature is required for the school to authorize Home/Hospital services.

HOMEWORK REQUESTS

Homework requests will be facilitated after a student has missed three (3) consecutive days of school. Parents may pick-up homework in the office.

HONOR ROLLS

Honor rolls are computed on a quarterly basis to identify those students who have met the following criteria:

High Honor Roll	3.75 GPA or above
Honor Roll	3.45 to 3.74 GPA
Citizenship	"H" in 6 of 7 classes for 7th & 8th grades
Citizenship	"H" in 5 of 7 classes for 9th grade

HONOR/AP CLASSES

CJH offers Honors and AP classes to highly motivated students. Parents and students are encouraged to give serious thought to the DSD Indicators of Student Success for Junior High Honors Classes located on our school's web page before enrolling your student in honors classes. Class size is determined by the number of students requesting honors classes in the spring of the preceding year. **Parents and students are cautioned that enrollment in honors classes is a full semester commitment.** Enrollment changes either in or out of honors classes during the semester will only take place with the approval of an administrator.

INTERNET GRADE CHECK (MY DSD)

Student grades, attendance, lunch account balances, bussing information, and more can be accessed on the myDSD link at www.davis.k12.ut.us.

LATE START/NO SCHOOL

If conditions are hazardous or for any other emergency identified by the Superintendent, a "Late Opening" or "No School" announcement will be made through local media outlets. Parents will also be able to determine whether schools are closed by calling 801-402-5500, as well as by visiting the district webpage at www.davis.k12.ut.us. If it is necessary to start school late, the predetermined starting time for "Late Opening" will be 10:10 a.m.

LOCKERS

Lockers will be posted in the MY DSD system on students' new class schedules. 7th grade students will be assigned a full-sized locker and should pre-select a partner the same grade and gender. Students are not to change lockers or partners once they are assigned. Locker problems must be reported to the office between classes and after a teacher has

been notified. A reported problem will be taken care of as soon as possible by the custodian. Deliberately jamming a locker to avoid doing the combination may result in possible loss of locker use and a fine. Combinations should always be kept confidential. Lockers should always be kept locked and valuables should be kept on your person or left at home. The school is not responsible for any loss/theft and strongly encourages you to protect your property.

All students are responsible for the lockers assigned to them. Students will be held responsible for any unnecessary damage, vandalism, etc., as well as writing on the lockers. Locker checks may take place. Be sure to keep the outside and inside clean and free from glue or tape. The school and the student maintain joint control and possession of student lockers. Students have no right or expectation of privacy in the locker insofar as a right or expectation of privacy pertains to the school. Students who move to another locker without permission may lose their locker use privileges.

LOST AND FOUND

Lost and found items are to be turned into the office. Items will be displayed on a table in the BLUE during Extended Opportunity the first Tuesday of each month. Unclaimed items will be given to a charitable organization. Wherever possible, we encourage students to label their personal items.

MAKE-UP WORK

It is the responsibility of the student to check with the teacher concerning work missed by being absent. Teachers are expected to allow a reasonable amount of time for students to accomplish assigned tasks that occurred during the student's absence. In cases of a predetermined absence, students are expected to complete assigned tasks for full credit the day they return to school. Work assigned when the student was present is due on schedule (if student has returned) unless another arrangement has been made. When a student is out for family business, vacations, school activities, etc., it is the student's responsibility to check with the teachers **before** the absence so that work can be turned in on time. Teachers provide academic incentives for students to utilize Extended Opportunity to address make-up work issues. Please follow the attendance policy on page 3 for any extended absences. Students should check with each teacher for work before a school sponsored activity or utilize Extended Opportunity to meet their needs.

MEDIA CENTER (LIBRARY)

The Media Center will be open for student use 20 minutes before and after school, as well as during school hours. Students may go to the Media Center during their lunch **to study**. Most books can be checked out for a month and will become the responsibility of the student for all damages and losses. **Activity cards are required to check out books.**

MEDICATION

A student who needs medication during the school day can bring the dose needed and take it at school. Parents who desire the school to dispense doctor prescribed medicine to their students should contact the office. Students who need assistance in administering their medication will need to complete a Health Care Plan through the District School Nurse. Please contact the Main Office and talk to a school secretary for more details.

The terms "weapon," "explosive," and "noxious or flammable material" includes but are not limited to: guns, starter pistols, cap guns, knives, martial arts accessories, bombs, bullets and ammunition, fireworks, gasoline or other flammable liquids, matches, and lighters.

School lockers, desks or other storage areas are the sole property of the Davis School District and Centerville Junior High. COMPULSORY EDUCATION REQUIREMENT

A parent having custody over a school-age minor is required under State law to enroll and send a school-age minor to a public or established private school during the school year in the district in which the minor resides. The process of education requires continuity of instruction, class participation and study. Parents are encouraged to work with the school in promoting regular attendance of all students.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

Student Education Records

The Family Educational Rights and Privacy Act (FERPA) is a Federal law designed to protect the privacy of a student's education records. FERPA gives parents certain rights with respect to their student's education records.

These rights are:

Inspect and review all their student's education records maintained by the school within 45 days of a request for access.

Request that a school correct education records believed to be inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

Parents who wish to ask the school to amend a record should write the principal or appropriate school official, clearly identify the part of the record they want changed and specify why it should be changes. If the school decides not to amend the record as requested by the parent, the school will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment.

Provide consent before the school discloses personally identifiable information (PPI) from a student's record, except to the extent that FERPA authorizes disclosure without consent. Such exceptions include, but are not limited to:

- [a] school officials with legitimate educational interests;
- [b] other schools to which a student is transferring;
- [c] individuals who have obtained court orders or subpoenas;
- [d] individuals who need to know in cases of health and safety emergencies;
- [e] official in the juvenile justice system to improve education outcomes;
- [f] a State agency or organization that is legally responsible for the care and protection of the student, including the responsibility to investigate a report of educational neglect;
- [g] specified officials for audit or evaluation purposes; or
- [h] organizations conducting studies for or on behalf of the District.

A **school official** is a person employed by the District as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving as a volunteer; a person serving on the District School Board; a person or company with whom the District has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist), or to whom the District has outsourced institutional services or functions. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Student Directory Information

Directory Information, which is information that is generally not considered harmful or an invasion of privacy if released, may be released at the discretion of school officials, without consent, for appropriate reasons such as, school publications, newspaper articles, and to outside education related organizations. In addition, two federal laws require secondary schools to provide military recruiters, upon request, the names, addresses, and telephone numbers of their students.

The Davis School District has designated the following information as directory information:

PLEDGE OF ALLEGIANCE

The Pledge of Allegiance to the Flag shall be recited by students at the beginning of each school day in each public school classroom in the State, led by a student in the classroom, as assigned by the classroom teacher on a rotating basis. Participation in the Pledge is voluntary and not compulsory.

PARENTAL RIGHTS IN PUBLIC EDUCATION

The Davis School District and Centerville Junior High shall reasonably accommodate ** a parent's or guardian's:

- Written request to retain a student in kindergarten through grade 8 on grade level based on the student's academic ability or the student's social, emotional, or physical maturity.

- Written request, prior to scheduled event, to excuse the student from attendance for a family event or a scheduled proactive visit to a health care provider. *(Student agrees to make up course work for school days missed for the scheduled absence).*
- Written request to place a student in a specialized class, a specialized program, or an advance course. *(In determining whether placement is reasonable, the District shall consider multiple academic data points).*
- Request to excuse the student from taking an assessment that is federally mandated, is mandated by the state, or requires the use of a state assessment system or software that is provided or paid for by the state.
- Initial selection of a teacher or request for a change of teacher.
- Request to visit and observe any class the student attends.
- Request to meet with a teacher at a mutually agreeable time if unable to attend a regularly scheduled parent teacher conference.

Each accommodation shall be considered on an individual basis and no student shall be considered to a greater or a greater or lesser degree than any other student.

****Reasonably accommodate** for purposes of this section means the District or school shall make its best effort to enable a parent to exercise a parental right specified here without substantial impact to staff and resources, including employee working conditions, safety and supervision on school premises and for school activities, and the efficient allocation of expenditures; while balancing: the parental rights of parents; the educational needs of other students; the academic and behaviorally impact to a classroom; a teacher’s workload; and the assurance of the safe and efficient operation of a school.

The parental rights specified here do not include all the rights or accommodations available to parents or guardians from the public education system.

MEAL CHARGES IN SCHOOLS

The purpose of these procedures is to establish consistent meal charging and collection procedures districtwide.

The District’s goals are:

- To maintain a positive experience for students during meal service.
- To treat all students with dignity and respect.
- To establish practices which are age-appropriate.
- To minimize meal charges and encourage parents to pre-pay for all meals.
- To promote parents’ responsibility for meal payment and self-responsibility of the student.

Meal Accounts: Payment in advance for meals enables the District to achieve these goals. Personal checks and cash deposits are accepted daily at the schools. For convenience, deposits may also be made by credit/debit card through a parent’s myDSD account.

Emergency Meal Service: The Board of Education acknowledges that on occasion, students may forget or lose meal money. In such cases, the student’s statement of need shall be accepted, and a meal will be made available. School lunch employees shall not, withhold a meal, provide an alternate meal, pull a student from the line, ask the student to call his parent or friend, stamp the student’s hand, or otherwise call attention to the student who has forgotten or lost meal money. A school lunch employee may remind a student *attending a secondary school* that his account is in the negative. **The cost of the unpaid meal will be charged to the student’s account.**

Evaluate Individual Circumstances: When a student repeatedly comes to school without a meal from home or money to participate in the school meal program, school administrators should consider if circumstances in the home warrant contacting social workers or Child Protective Services. Frequent requests may indicate the family’s need for free- or reduced-price meals. School administrators may work with the family to apply for school meal benefits. **All meals eaten before a free- or reduced-price meal application is processed and approved are the responsibility of the parent and must be paid for.**

Repayment for Meal Charges and Bad Checks: Federal guidelines prohibit the Food and Nutrition operation from writing off bad debts as a result of charged meals. Every effort will be made to collect for unpaid meals. Unpaid meal charges may result in the following:

- An automated telephone call to the parent.
- An email sent to the parent.
- A verbal reminder to student attending a secondary school.
- School lunch manager contact parents by phone or notes in teacher mail boxes.
- In case of significant delinquent payments, a letter will be sent home from the Food and Nutrition Department.

Parents are responsible to pay all their student's meal charges. All unpaid charges will be added to the list of any outstanding fees or unpaid fines at the end of the school year. Uncollected meal charges shall be handled the same as other school debt.
