

June 2019

Dear Parent/Guardian:

New York State Education Law mandates all students in **11<sup>th</sup>** grade to have a **current health appraisal** (within 1 year from the start of school year 2019-2020) along with **mandatory vision and hearing screenings**, and that all required immunizations be up-to-date.

It is Pelham School District's policy that proof of a physical examination be submitted to the school nurse within thirty (30) days of the start of school.

In preparation for the 2019-2020 school year, attached is a health appraisal form for your child's physician to fill out. Please bring the form to the school nurse by October 4, 2019.

Feel free to contact me if you have any questions at (914) 738-8110 extension 1128.

Thank you for your cooperation.

Sincerely,

Kelly Henry, R.N.  
School Nurse
