The Special Education Alliance cordially invites you to a Forum!

When: February 21, 2019 at 6:30 P.M. - 8:00 P.M.

Where: Middle School auditorium

The forum is a chance to come together and discuss collectively the strengths and needs of our special needs programs of the Bridgewater-Raritan School District. The *mission* of SEA is to provide support, guidance, and a safe sharing environment for families of children with special needs. This forum is open to our Special Education community so we can set the highest standards possible for our community effectively. Dr. Lazovick, Superintendent, and Mrs. Steinheimer, Assistant Superintendent for Special Services, will facilitate an open dialogue regarding the district's special services department. You can access more information regarding this forum as well as information about SEA and your school representative by following this link (or searching SEA in the District website):
