

SCHOOL DISTRICT NO. 750
COLD SPRING, MINNESOTA

APPROVAL OF EXPENDITURES

Adopted: April 9, 2001

Revised: November 12, 2012

Reviewed: June 24, 2019

The ROCORI School Board is responsible for approval of all bills prior to payment. Approval of bills will typically occur at a regular monthly board meeting. All School Board members will receive a listing of the check register prior to School Board action at the meeting where approval of bills is requested.

The treasurer is designated by this policy to review all bills in advance of the meeting for purposes of clarification, questions, or changes. If unavailable, the treasurer may designate another board member to review bills in advance, or the full School Board may appoint an acting treasurer. The designation of treasurer to review bills does not preclude any other School Board members from reviewing bills.
