

# 2019-2020

## Middle School Book Orders

Dear Parents,

In an effort to streamline the textbook ordering process for the 2019-2020 school year, Frederica Academy Middle School will be switching to a classroom set model. Your child will receive on the first day of school textbooks, novels, workbooks, online resource materials (if applicable) and binders by grade for each academic class they attend.

All Middle School textbooks will be considered a rented school supply and students will be charged a nominal rental fee for its use during the academic school year. As these textbooks will be part of a class set, it is imperative that the rented textbooks be returned at the end of the school year. Failure to return the textbook or returning the textbook in a damaged condition may result in the student being charged the full price of the textbook.

Novels, workbooks, and online resources (if applicable) will also be distributed to individual students on the first day of school by grade and academic class. These will not be considered part of a class set as the students write in them throughout the school year. Students will be charged the full price of these materials.

Families will be billed in November for all materials rented and ordered by the school (this will include novels, workbooks, online resources, and binders). The billing for lost or damaged textbooks will be processed at the end of the school year.

Please see the [Middle School Supply List](#) for additional supplies needed.

Please contact me if you have any further questions regarding book ordering and school supplies at 912-638-9981 extension 755.

Sincerely,

Leigh Toomey  
Middle School Director
