Published by Richard Bampfylde (?) · April 8 at 2:44 PM · 🌐

A great day was had on Sunday with the whole-school community coming together for sports day, organized by IC's Alumni Association. Thank you to the ICAA for this fantastic experience and thank you to all those who were able to join us on the day. Activities ranged from basketball to aikido, and from ping pong to football and pretty much everything else in between! #icspirit

Further empowering our learners, students took the responsibility this week to highlight to their parents all of their work in the PYP program this year. Bravo students! #icspirit

Saturday, April 13: IC Ras Beirut hosted its second TEDx event and what a great success it was! This year's TEDxInternationalCollegeBeirut youth event was entitled: "Making Beauty out of Ashes"! Student and guest speakers shared their beautiful stories with the large audience who had assembled to watch in the Irani auditorium. Even during the interval, there was action happening with a student band and musical performances providing the backdrop to the food and refreshments on offer outside. This event showed the true #ICSpirit, as it brought together volunteers and speakers from many different schools, with all involved having a truly memorable experience. The event will forever be marked in the history of IC. Congrats and mabrouk to all those involved in this wonderful event!
