MOMENTUM: ENERGY, ENTHUSIASM AND EXPECTATION

It has been a year of excitement, in every way. While the phrase "business as usual" is often music to the ears of many, it just doesn't ring true here at Shelton, except in one way—we're always about our core mission, dedicated to making a difference by serving and empowering the lives of students who just happen to learn differently. We are not doing things as usual. We are engaged with change and forward-thinking action that will ensure we are here for future generations of students. Now in our 43rd year, we're full throttle to relocate our educational home and resources to our new campus at 17301 Preston Road.

ENERGY Expended by Many

The dream of consolidating a Shelton educational experience onto a unified campus is coming true. After receiving zoning approval in August 2017, we are moving forward. Our architects continue to render and refine our plans as we crystalize specific enhancements for transforming the experience of every Shelton student. The work of Board, faculty and staff, families and friends, and our students is coming to fruition, right before our eyes.

Academics First—the Student Experience

Academics always comes first. We'll be able to increase our classrooms from 105 to 125. This makes possible many more opportunities that are deemed essential in today's educational environment.

Such spaces will allow us to respond to the mandate of enhanced STEM curriculum. Everyone today clamors for rigor in science, technology, engineering and math. At our new campus, we'll expand from five to 12 hands-on science labs, have a robotics lab, and four dedicated STEM rooms.

Fine Arts entrance (L), Stadium entrance (below)

Main entrance

Our curriculum offerings—including coding, programming, designing with the 3-D printer—have expanded dramatically, and we'll soon have the facilities to match. These are not luxuries or niceties—they are bona fide essentials for the world in which our graduates will live and work. City, state and national workforces demand an elevated emphasis on these disciplines and critical thinking skills, and Shelton will be better equipped to deliver in this arena. We'll also gain Makerspace for our libraries and various areas for collaboration. Educational designers believe these spaces enhance the creative exchanges, interactions and experiences of future entrepreneurs, problem-solvers and project managers.

ENTHUSIASM for the Whole Student via Fine Arts and Athletics

A major reason for our move is our desire to enhance what Shelton offers in fine arts and athletics. For some, these two extracurricular programs are what most excite and motivate our students to come to school each day. They are the sweet spots that allow our students to best express their strengths and creativity.

Art studio

A new Fine Arts Center will be a boon in every way to our talented students and the community at large. We'll have a theater that holds 450, a black box for 200, band hall and choir room, scene shop, and studios for film, ceramics, sculpture and more. We'll have a lab for digital

photography and music. Countless hours currently spent to repeatedly repurpose make-shift class and performance spaces will be eliminated, resulting in hours redirected to creative engagement with students and a streamlined functionality for students and staff. Instead of showcasing our students' art in gym halls amidst training equipment, we'll have a common art gallery in a living, open public space. Everyone benefits in this atmosphere.

Athletics, both outdoors and indoors, will be transformed at our new campus. The efficiencies of a central location will be enormous for students, staff and parents.

STEM class

We'll have far less need for rental practice or game fields, busing to off-campus training facilities, or hauling and delivering equipment lacking a permanent home. Instead, we will have a stadium that seats 1,500, a football / soccer field, a baseball field, track and field facilities, plus basic amenities that pertain to fitness and all sports.

Indoor athletics will benefit by three gyms, a dance studio, and a multipurpose room for wrestling and other activities. A consolidated operation means more time for focusing on the main activity—building strong individuals, teams, and character.

EXPECTATION for High Community Impact Beyond Our Doors

In addition to being the world's largest independent school for intelligent students with learning differences, Shelton's three other enterprises provide solid professional resources for countless others.

- **Evaluation Center** – Clients receive advanced diagnostic techniques that assess those with suspected learning disabilities and related disorders. They next receive a roadmap of helpful strategies for intervention and remediation.
- **Speech / Language Therapy Program** – Clients receive individual and group therapy year-round on campus. In addition, Shelton's speech and screening services are in demand at 14 other Metroplex schools.
- **Outreach / Training** – Multiple training programs (Montessori, numerous academic reading programs, and testing and referral courses) are offered year-round to the professionals who touch the lives of countless students. They educate and support those who work with the learning-different student population. National studies continue to cite the need for early identification and intervention, long Shelton's platform and practice.

We have exciting designs for three entrances at our new campus: 1) our main entrance, 2) our Fine Arts Center entrance, and 3) our stadium entrance. We have great expectations for those who enter and go forth from Shelton's doors. Thank you for your support as together we step forward with energy, enthusiasm, and expectation to serve more students, their families, and the professionals who serve them. We are making steady progress and anticipate a new year filled with the promise of more good things to come.

DEVELOPMENT DOINGS

Theresa Bruno, CRFE, Director of Development

Charging Forward ... Changing Lives

It's a great time to be at Shelton. We are grateful to be part of a school that has an incredible history, and we continue to be inspired by our community and united by a vision to build upon our successes. Everyday we reflect upon how fortunate we are that Shelton remains true to its mission of providing a quality education to students who learn differently. With sincere

gratitude, we thank each of you for your part in making Shelton the success it is today.

Our students and staff are amazing. Throughout this edition of *The Horizon*, you will read about many accomplishments and see that the Shelton community is engaged, successful, and always moving forward. In May, our Class of 2018 graduated with 70 students who were accepted into 105 colleges and universities in 21 states. In addition, our Class of 2018 graduates achieved an unprecedented all time high \$6.4 million in awarded merit scholarships.

Everyone travels on a unique path here at Shelton. Our journey takes us through adventures, challenges, accomplishments and opportunities. Every year, Shelton students' achievements are made possible by the generous support and involvement of the entire Shelton community. We are grateful for the giving spirit that is so evident. Please continue to be part of this journey and support Shelton as best you can with your time, talent and resources.

In the *Annual Report of Gifts* section of this issue of *The Horizon* (page 29), we recognize and acknowledge the gifts of our supporters and celebrate the generosity and giving spirit seen throughout the year. With gratitude, we express our thanks to the generous members of our Shelton community: our Board, parents, grandparents, alumni, parents of alumni, friends, faculty, staff, volunteers and especially our talented students. Our community makes it possible for us to **Charge Forward and Change Lives** everyday. We are grateful for your support and continued involvement.

Thank You from Shelton's 2017-2018 Annual Fund Co-Chairs

The Shelton community generously donated \$927,000 to the 2017-2018 Annual Fund Drive—surpassing our goal of \$850,000! Because of your wonderful support, our students engage every day in a vast array of extraordinary learning opportunities! Our students continue to be empowered and enriched into tomorrow's leaders and achievers with the help of our dedicated Shelton faculty and staff.

Suzette Switzer Hinds (L) and Anne Dethrow

We were honored to serve as this past year's Annual Fund Co-Chairs and owe our success to our Shelton community and the commitment of our parents, teachers, Board, alumni and supporters. It takes consistent, profound and broad support from all corners of the Shelton community to sustain the Shelton School we know and love. We're grateful to all of you.

Sincerely,

Anne Dethrow

North Texas Giving Day September 20, 2018

What a special day North Texas Giving was for Shelton! The event, sponsored by Communities Foundation of Texas, was a wonderful way to kick off our Annual Fund Drive. This year 331 donors generously donated \$176, 597 in support of Shelton! Thank you to all who participated to make this event a success for Shelton and our students!

2018 Stampede Auction Rocked

Congratulations and special thanks to our Shelton Parents' Association (SPA) and Auction Co-Chairs **Shelly Lloyd** and **Tracy Fletcher** for hosting a spectacular Stampede Auction on March 24, 2018. Over 600 guests attended the memorable event. Thanks to everyone who helped make this *Rock Solid Education* night a success—our supporters, volunteers and members of our community.

It is such a pleasure to serve the Shelton community as this year's 2018-2019 Annual Fund Co-Chairs. We are forever grateful for the gifts Shelton has given our children—a world class education that embraces their learning differences and nurtures their talents. Simply put, Shelton has changed our lives.

We are honored to help spread the word about Shelton's mission and to ensure that Shelton can continue to provide outstanding academic programs, enriching extracurriculars, small class sizes and specialized training for our staff. Since tuition only covers 85% of the actual cost of educating each student, support of the Annual Fund is critical to Shelton's financial well-being. Gifts to the Annual Fund provide vital income to balance Shelton's operating budget and help bridge the gap between tuition

revenue and the actual cost of operating the school. It is the cornerstone of all our fundraising efforts.

From curriculum and technology needs to fine arts and athletics, the Annual Fund supports every student every day. We ask that each family join us in supporting our goal and showing your support of Shelton. Together we can reach our **goal of \$900,000 and 100% participation!** No gift is too small, and all gifts are tax-deductible.

What better way to acknowledge the impact Shelton has had on our students' lives than to have every family support the Annual Fund! Together we continue to build on June Shelton's legacy supporting bright students who learn differently. Together we are **Charging Forward ... Changing Lives.**

Special Thanks to Our Shelton Community

It is with deep gratitude that we thank our entire community for its support of Shelton: Board members, supporters, dedicated volunteers, faculty and staff who helped the Development Office in so many ways.

We especially acknowledge our Board members for their leadership: **Gary Webb** and **Win Bell**; 2017-18 SPA Co-Presidents **Jennifer Dix** and **Andrea Nayfa**; 2017-18 Auction Co-Chairs: **Shelly Lloyd** and **Tracy Fletcher**; and our 2017-18 Annual Fund Co-Chairs **Suzette Switzer Hinds** and **Anne Dethrow**.

Thank You, Shelton Parents' Association

We gratefully acknowledge and thank our SPA for its generosity. During the 2017-2018 school year, the SPA made a gift allocation of \$560,520 that was used to fund and enrich our students and faculty experiences in many important areas: Art, Theatre, Shelton Spirit Organization, Visual Arts, Music, Athletics, Technology, Security, and Scholarships.

Christine Bedenbaugh, MAE, LDT, CALT, QI, Director Shelton Outreach/Training

This past year has been an exciting one for me personally and for the Outreach Department. I transitioned to the role of Director of Outreach/Training in June 2018. This is my 31st year as an educator and my 14th at Shelton. At Shelton I have taught in the middle school, acted as coordinator of the Alphabetic Phonics reading program used in grades two through eight, and directed Shelton's Academic Language Approach (SALA).

SALA is accredited by the International Multisensory Structured Language Education Council (IMSLEC). The SALA teacher training program is one of three IMSLEC-accredited courses offered at Shelton. Sequential English Education (SEE), directed by **Dr. Joyce Pickering**, and Shelton Academic Reading Approach (SARA), directed by **Nancy Coffman**, are two additional courses offered which train teachers to become dyslexia specialists at both the Associate/Teaching and Therapy Levels. Graduates qualify to sit for the Alliance National Exam and, upon passing, can become certified at the Associate and Therapy Levels. Certified Academic Language Therapists (CALT) holding

master's degrees may become Licensed Dyslexia Therapists in the state of Texas. We are proud to announce the number of teachers trained this year.

We are also pleased that teachers who attend our courses through the Therapy Level can earn all but six credit

hours toward a 30-credit hour Master of Arts degree in Multisensory Education through Dallas Baptist University, with whom we have had a long collaboration.

As the Director of SALA, I continue to train teachers in Keller ISD. Teaching Level training was also delivered on-site to five teachers from Irving ISD, as well as to teachers from Midlothian, Tyler, Dallas and Plano.

Nancy Coffman

Nancy Coffman, formerly Shelton's Director of Outreach/Training, moved to North Carolina and now works remotely as Director of SARA. She has trained teachers in Alabama, Arkansas, Tennessee and Texas and presented reading workshops in Alabama, Arkansas, Connecticut, Louisiana, Minnesota, Tennessee and Texas. Nancy completed her term on the International Dyslexia's Executive Board this fall. Outreach is proud of her long service in the field of dyslexia.

G-g Shryer continued as the instructor for the summer Teaching Level course. A Teaching Level course and one course for CALTs, entitled *Utilizing the Take Flight Curriculum*, were conducted by G-g and Nancy during the summer. Nancy and I shared an additional Teaching and Therapy Level course during the school year.

For an overview of **Dr. Joyce Pickering's** extensive training, please read page 5.

Dr. Laure Ames, Director of Shelton's Evaluation Center, taught *Diagnosing Learning Different Children: Referral and Testing*, a required five-day course for SEE, SARA, and SALA Therapy Level trainees. Dr. Ames also offered the one-day workshop, *Screening for Dyslexia*.

Parent Support Presentations

Outreach offers six workshops annually to new Shelton parents. They are also open to the public free of charge. Teachers may also attend and earn Continuing Education Units. Topics include:

- Overview of Learning Differences
- Simulations of Learning Differences*
- Social Skills/Organization and Study Skills
- Oral and Written Language: Decoding, Spelling, Comprehension and Composition
- Freedom from Chemical Dependency
- Math, Science and Social Studies

*The *Simulations of Learning Differences* continues to be a popular and emotionally moving experience for attendees. This year a record number of over 400 people from throughout the Metroplex participated.

Saturday Seminars

Outreach staff offered 10 eight-hour Saturday seminars which are required for Therapy Level teacher trainees and open to the public for a nominal fee. Topics included:

- Organization and Study Skills
- Neurological Aspects of LD/Current Research
- The Shelton Model for Teaching Social Skills
- Discipline/Classroom Management
- Structural Math
- History of Language
- Phonological Awareness: Assessment, Analysis & Practical Application
- Oral Language Development
- Fluency and Comprehension
- Dyslexia Law/Composition
- MACAR/Child Development

Joyce S. Pickering, Hum.D., Shelton Executive Director Emerita

Services from the office of the Executive Director Emerita include the work of **Dr. Joyce Pickering**, who directs both Multisensory Structured Language Education (MSLE) in Sequential English Education (SEE) and Montessori training at the Early Childhood, Elementary I and II levels.

Supervisory staff from this office are **Gulzar Babool** and **John Hodges**. **Pam Brockway** and **Claudia Hays** manage scheduling, travel and record-keeping of presentations and training done by this staff. John Hodges coordinates the *Shelton Scholars Program*, is co-coordinator with Dr. Pickering of the SEE training program, and presents the *Overview of Learning Differences* to many Metroplex schools and districts. John has also made presentations in Slovenia and Plano this year. He is also supervising the creation of a Saturday program at Wesley-Rankin Community Center in West Dallas. Amy Kelton, head of Shelton's Upper Elementary division, and Joyce Pickering provide training and presentations in the U.S. and internationally.

John Hodges with *Scholars* students

Montessori Training

Gulzar Babool co-directs the Shelton Montessori Training Courses (SMT) with Dr. Pickering. She has an extensive background in Montessori education and administration. The two have visited all Montessori public schools in which Shelton provides staff training, including Dealey, MATA, Harry Stone in Dallas ISD, and Luna and Herfurth in Garland ISD. Recently they have begun to train teachers from Fort Worth ISD. Gulzar also visits and regularly observes the trainees in the Elementary program, and **Cathy Luby** is the Field Supervisor for the Early Childhood (EC) trainees in both public and private schools. There are 117 trainees presently doing course and/or practicum work (36 in the EC course, 62 in the Elementary I course, and 19 in Elementary II).

Gulzar Babool

MACAR

Montessori for Children at Risk for Learning Differences (MACAR) training has been presented to 83 students this year in Dallas and Shanghai, China. Shorter versions of MACAR have been given at White Rock Montessori in Dallas, Memphis, TN, and Midland, TX.

Another training for teachers in China is scheduled for June 2019. Two new courses will be added to SMT—Administration and Montessori Inclusion.

Short-Term Workshops

One- and two-day workshops have been given at Fairleigh Dickinson University in New Jersey, in Charlotte, NC for the Charlotte Montessori School, and at invited public and charter schools in Baton Rouge, LA for the Louisiana Montessori Association. **Amy Kelton** presented in Vancouver, Canada, New York City, NY, and Waukesha, WI.

In late October, Shelton hosted The Institute of Montessori Education's *Texas Montessori Back to School Conference* for 170 attendees. The event was one of two offered in the state of Texas.

Conference attendees engaged with task assignment

MSLE-SEE Training

In June 2018, SEE Teaching Level and Therapy Level Training was offered on Shelton's campus. Thirty-three individuals attended, including students from Bridgemark Center in Tyler, TX, Brighton School in Baton Rouge, LA, Shelton and 13 individuals from other locations. SEE Therapy Level training included five participants from Bridgemark, Shelton, and one from outside our school contracts.

Literacy Instruction for Texas (LIFT) and Wilkinson Centers for adult literacy are also using the new adult literacy version of the SEE MSL program.

Next year the SEE training will continue at Brighton Academy, which will become a satellite training site. Presentations will be made at the American Montessori Society conference in Washington, D.C. in March 2019.

Shelton Outreach continues to serve students and teachers in the Dallas area, host events for the public, and to respond to national and international requests for information and training in the unique *Shelton Way*.

SPEECH, LANGUAGE, HEARING THERAPY PROGRAM

Krista Norwood, M.S. CCC/SLP, Director

What Do We Do

The purpose of the Shelton Speech Language Therapy Program is to perform comprehensive evaluations and therapy for a variety of communication difficulties and disorders.

Therapists provide treatment to remediate challenges with:

- Articulation
- Receptive/Expressive language
- Auditory processing
- Voice
- Fluency
- Social language
- Written language

(L to R) Krista Norwood with Meadowbrook School Director Missy Green and student

Our therapists typically devote two full work days to serving students in other schools, often returning to the Shelton campus to provide after-school therapy.

- Serving approximately 160 clients city-wide
- Providing over 600 therapy sessions every week
- Performing screenings for 1,275 students every year

Who We Are

Our program employs:

- Five full-time speech-language pathologists
- Two part-time speech-language pathologists
- Seven “as needed” speech-language pathologists, six of whom are former Shelton therapists
- One administrative assistant

This unique hybrid approach to service results in such a valuable opportunity to partner with many professionals in our community who are also devoted to improving the lives of students and families.

Where We Are

Speech Clinic therapists are always on the go! While the Speech Clinic provides private therapy for many Shelton students, one of the most vital operations of the Clinic takes place away from our campus—our comprehensive screening program. A screening is a brief assessment tool designed to identify potential problems. The Clinic provides full-service packages that include assessment for hearing, vision, speech, language, pre-literacy and reading. In addition to screening, Shelton Speech Clinic also provides speech-language therapy services in many schools in the Dallas Metroplex and prides itself on becoming a collaborative partner to other learning specialists, teachers and parents.

Some of the schools in which we have the privilege to work include:

Arbor Creek Montessori
A Child's Garden
The Da Vinci School
Episcopal School of Dallas
Guthrie School
Greenhill School
The Hockaday School
The Lamplighter School
Meadowbrook Private School
Parish Episcopal School
Pebblecreek Montessori
St. Andrew United Methodist Preschool
The Stringfellow School
Trinity Christian Academy

No Summer Vacation from Speech at Shelton

In addition to all the therapy and screenings done during the school year, Shelton's program also offers Language Adventures during the summer. The seven-week intensive therapy program is for children ages 3 - 5 who have receptive and expressive language delays. Each week themed activities are offered as part of language enrichment. Popular themes include sports, the circus, farms, and camping. Speech therapy interns from local colleges also have supervised hands-on experiences with Shelton's professional staff.

Avie Nikolopoulos makes speech fun for clients and interns

Shelton School, Speech Language Hearing Therapy Program and Evaluation Center are approved by the Continuing Education Board of the American Speech-Language-Hearing Association (ASHA) to provide continuing education activities in speech-language pathology and audiology. **See course information for number of ASHA CEUs, instructional level and content area.** ASHA CE Provider approval does not imply endorsement of course content, specific products or clinical procedures.

SHELTON EVALUATION CENTER

Laure Ames, Ph.D., Director

Retaining Core Services and Expanding Through the Assessment of Autism Spectrum Disorder

At the Shelton Evaluation Center, (SEC), our primary services for over 40 years have included:

- Psychoeducational evaluations that assess problems with learning
- Evaluations specific to the diagnosis of Attention Deficit/Hyperactivity Disorder (ADHD)
- Psychological evaluations

Today we are also able to assist many of our clients with the assessment for Autism Spectrum Disorder (ASD).

ASD is not a learning disorder. It is a broad developmental disorder that is neurological in nature. About one in 59 children is diagnosed with ASD, a rate that has increased by 15 percent in the last two years. People on the autism spectrum are in every classroom and every workplace. Some are diagnosed, and some are not. Higher functioning people may not fully manifest symptoms until adolescence or beyond when social demands exceed their more limited capacities. People diagnosed with ASD range from brilliant engineers, computer programmers, and physicians to individuals who may have to live in an assisted living situation. ASD affects four areas of functioning:

- 1) language / communication
- 2) social skills
- 3) sensory systems
- 4) behavior

According to the Diagnostic and Statistical Manual-Fifth Edition, (DSM-5), the diagnostic criteria for diagnosing ASD (currently, or by history) includes: deficits in social-emotional reciprocity, deficits in nonverbal communication, deficits in developing and keeping and understanding relationships, stereotyped or repetitive movements or speech, inflexibility and insistence on

sameness, restricted and fixated interests, and hyper- or hypo-reactivity to sensory input. To make a diagnosis, symptoms must cause clinically significant impairment in social, occupational, or other areas of current functioning.

A comprehensive evaluation is done at the SEC to diagnose ASD and is usually done in conjunction with a psychoeducational evaluation that assesses cognitive ability, attention, and academics. Measures would include a combination of: Clinical Interview, Autism Diagnostic Observation Schedule-Second Edition (ADOS-2), Autism Spectrum Rating Scales (ASRS), Childhood Autism Rating Scale-Second Edition (CARS-2), Social Responsiveness Scale-Second Edition (SRS-2), Autism Diagnostic Interview, Revised (ADI-R), and the Social Language Development Test. Measures of anxiety and depression may also be included.

Early recognition and diagnosis of children with ASD is essential because behavioral and educational interventions can improve the prognosis, especially for peer interactions and the development of language. Identifying the disorder and engaging in appropriate interventions can help a family to cope better; not knowing the child's diagnosis increases parental anxiety and delays interventions that can reduce behavioral, emotional, and social problems.

The SEC has had another busy year working with clients from Switzerland, New York, Vermont, Kansas, Louisiana, Arizona, Oklahoma, Arkansas, Washington, Tennessee, and Texas. Our goal when conducting an evaluation is to obtain a comprehensive picture of the client's functioning so that we can make appropriate recommendations for intervention and accommodation. The SEC is unique in the Dallas area because our staff is experienced in offering multiple kinds of evaluations and integrating the information from these different evaluations to make targeted recommendations and referrals.

What People Are Saying About Us

My child is starting an MBA program tomorrow. She would not have been able to succeed without your input and strong advocacy and we both thank you very much!

KODO outdoor learning is fun

SPA Sponsors STEM Learning

STEM (Science / Technology / Engineering / Math) activities are an important part of Lower School curriculum. We are grateful to the Shelton Parents' Association (SPA) for their generosity in purchasing KODO outdoor STEM learning systems for the Lower School playground. Activities using the new equipment engage the young mind for problem-solving, creativity, and collaborative learning.

Students Admire Acclaimed Artist Chihuly

Students in **Carol Brock's** advisory enjoyed a study unit about the glass artist Dale Chihuly. They learned about his technique and then got to create their own Chihuly boat sculptures.

Robots Are Fun

Primary Lower School students are enjoying Thymio robot fun! Shelton is partnering with TechEDVentures to create and implement coding curriculum from Pre-Primary to 12th grade. Look out, folks—these students will be running the universe soon!

Fire Safety Always a Lesson at Lower School

Firefighters from nearby Station 56 came to visit the EC and Pre-Primary students in September. They made a big impression with fire safety lessons, and everyone likes to see a firetruck. Everyone knows that these firemen are Shelton's friends.

Shelton Continues Peace Tradition

Now an annual Shelton tradition, Shelton joined others around the world on September 21st for the United Nations' International Day of Peace. Children in EC - Grade 2 lit candles for peace and led children from all other grades in the singing of *Light a Candle for Peace*. A recording of the song is being used for Shelton's holiday greeting. Students also carried flags from around the world.

It's a Zoo!

Lower School Primary students enjoyed visiting with a variety of animals from the Dallas Zoo. Every month Lower School provides different hands-on experiential opportunities brought to us from outside resources.

UPPER ELEMENTARY NEWS

Togetherness Tradition Continues

"Togetherness means meeting new people, even when you're scared."

"Togetherness means coming together to have fun and be a community."

"Togetherness means caring for others and helping whenever you can."

For two weeks each fall, Upper Elementary (UE) students focus on what togetherness means to each one, a prelude to the celebration of UE's birthday and the *Togetherness Picnic*. Before 2002, there was no UE division—only Lower, Middle, and Upper School. As Shelton grew, UE was created as a distinct division (grades three through five). The *Togetherness Picnic* was established as a special occasion to establish unity and commonness, and to recognize the defining principles of togetherness.

Shelton Incorporates Horses and Humans Program

This semester, some of our fifth-grade students, along with others from Middle School, are participating in the *Horses and Humans* program. It is led by founder Harry Nakoa from the International Cowboy Cultural Academy (ICCA). Each month, Nakoa and his staff bring horses to the field across the street and provide students with the opportunity to experience unprecedented bonds with these beautiful, unique and sensitive beings. The children receive hands-on equestrian fundamentals including equine safety, anatomy, care, tacking, and etiquette. Learning these skills helps develop an appreciation of nature, situational awareness,

concentration, balance, motor-skill enhancement, verbal and non-verbal communication, empathy, relaxation, core strength, teamwork, self-esteem, confidence and leadership. UE is grateful for the opportunity to participate in this unique and valuable emotional literacy program.

Minding Our Minds in Upper Elementary

Mindfulness is a way of being in our world.... being our best selves: calm, focused, happy and compassionate. UE dedicates morning advisory time to direct teaching of the areas of the brain and their functions and the practice of mindfulness activities. We believe that helping children develop mindfulness skills leads them to be calmer, more regulated, self-aware, and compassionate. Best of all, it is a strategy that can be practiced anywhere during the stressful moments in life, whether before a test or an activity that is new that brings feelings of uncertainty.

John Nielson (L) and Ford Jouvonal made rainsticks for mindful exercises

Kindness Reigns and Rocks

This fall the fifth grade drama class performed *The Baker's Neighbor*, a play about kindness. While rehearsing, students incorporated lessons learned in the classroom. They practiced language and memorization skills while also learning the history of the play. Two students ran the technical side of the show, including lights, sound and props. The play taught students that kindness is more important than greed and selfishness. The fifth grade drama students did a fabulous job telling their story on stage and reflecting kindness in the classroom.

Cast of *The Baker's Neighbor*

Students in Ms. Cheryl Prince's fifth-grade advisory are participating in the national movement of spreading kindness through the *Kindness Rocks Project*. Rocks are each handprinted and inscribed with kindness messages about gratitude, affirmations, encouragement, and hope—all signposts along the way for someone to find at exactly the right time. The rocks are placed in various locations around Shelton's campus, all waiting to be found and offering the profound truth: that one message at the right moment can change someone's day, their outlook, and, indeed, their whole life. Sample expressions include "You are capable of amazing things" and "Why fit in when you were born to stand out?"

Students Are STEM-Propelled

Seventh-graders enrolled in the science, technology, engineering, and math (STEM) elective course are challenged through a series of hands-on activities. Using their creativity and problem-solving skills, they create a propeller car using popsicle sticks, blocks, wheels, and a propeller. Students also use TinkerCad software to create a 3D printed phone stand and a 3D car chassis to be raced for both speed and distance.

(L to R) Ben Rodrigue, Ashley Seale, Molly Maxey

As part of our school-wide partnership with Tech EdVentures, seventh-grade students are learning to code using the Python language and a unique pocket-sized computer called Micro:Bit. Through this curriculum, students learn the fundamentals of using a written programming language, including planning a program, conditional statements, data storage, loops, random numbers and choices, and debugging. Projects include creation of custom images and animations, sequencing images and text to tell an interactive story, using buttons to advance through a program, and a "reaction" game that tallies points when a user pressed the right button. Students also gain public speaking experience by presenting their finished products to the class.

Student Council on a Roll with Activities

The Middle School Student Council has engaged in numerous fall activities:

Welcomed teachers at the beginning of the year with a small surprise

Threw a party for new students that included Bingo, a guessing jar, and treats

Delivered appreciation notes and treats for Shelton's nurses, maintenance crew, police and security officers, TekHelp Department, SAGE Dining Services, and school Speech Department

Attended the annual Texas Association for Student Councils meeting in San Marcos, TX in November, and added a jaunt to the state capital in Austin

Collected canned foods during the holiday season

Robotics Team Rocks

Shelton's Lego Robotics Team is in full swing. Comprised of students in grades five through eight, team members have been building Mission Models to go on a robot field. There are three teams, and each must build a base robot and design attachments to go onto the robot so it can perform the tasks needed to complete each mission. Next the students write the code so the robot will perform the missions. Each completed mission scores points for the team. Each team must also research and design a solution to a real-world challenge faced by astronauts who are in space for an extended period of time. Robotics team members Jonathan Walter, Jordan Johnston, Lauren Johnston, Sawyer Mosteller and Layton Woodruff earned a Golden Ticket December 8th at the Regional Qualifier in Plano. They will skip the 2nd round qualifier and go straight to the Championship in February. They also took home the 2nd place trophy for Robot Performance. Faculty member **Sara Harris** sponsors the team, which is part of the First Lego League. Thanks to Shelton parent **Isaac Johnston** for helping as a team coach, and thanks to Shelton grandparent **Glen Townsend** for construction of two tables for the team.

Field Trips Are Learning Labs

Middle School students enjoy numerous field trips throughout the year. Each is viewed as a learning lab. This fall, eighth-grade digital photography students visited the Dallas Arboretum. While Mother Nature offered a rainy day, student photographers were not deterred in their endeavors to capture great shots. **Christy Fowler** supervised her students on the outing.

UPPER SCHOOL NEWS

Homecoming Highlights

The Great Gatsby was the theme for Homecoming 2018. Festivities included dress-out days (cozy day, the 90s, most underrated character), a Pep-nic, a charged all-school pep rally, an Upper School black light pep rally, a football game against Legacy Christian Academy, and the homecoming dance.

Homecoming Court members were presented at the football game halftime, escorted by their parents:

Homecoming Queen and King	Jenna Fonberg and Benny Smith
Freshman Prince and Princess	Joey Rousso and Ava Aidala
Sophomore Prince and Princess	Jedidiah Gibson and Annie Skaggs
Junior Prince and Princess	Dany Demashkiah and Kyndall Hodgson
Senior Homecoming Court	London Boscamp, Lee Broughton, Colin Feehery, Bella Vitullo

Queen Jenna Fonberg and King Benny Smith

StuCo News

Upper School Student Council sponsored two events this fall—a Gatsby-themed homecoming dance at the Eisemann Center, and a Halloween carnival for fifth-graders. Officers for 2018-2019 are:

poems, original music, artwork, and photography. The club was founded in 2017 by **Evan Antich** (Class 2019) and **Zane Buresh** (Class 2018) to foster the growth of writing at Shelton. Antich is also the current club president. **Mathieu Debic** is faculty sponsor of the club. The club plans to publish a Spring 2019 volume.

Seniors Enjoy Special Gatherings

Seniors mark their final year at Shelton with numerous special activities. This year, 66 seniors enjoyed a Last First Day on August 22. They later enjoyed a retreat October 10 at the home of **Bella Vitullo**. Seniors engaged in the tradition of reading letters written to them by their parents and took time to write letters to fellow classmates. Retreat farewells were coordinated by faculty member **Tobin Knox**.

It's our day... it's our year!

C4C Promote Reading Through Buddies

The Chargers for Change Club (C4C) undertakes numerous projects each year. This year, they are using their Reading Buddies program, which fosters both reading and the development of positive relationships between our youngest and oldest students. This initiative is lead by Shelton juniors **Eli Stitt** and **Lindsay Kaplan**. C4C also identifies causes for awareness campaigns, with a different emphasis each year. **Jennifer Eckert** is faculty sponsor of the group. Former Shelton parents **John** and **Carol Levy** provided original seed money for numerous C4C projects.

National Honor Society Expands

Since 2012 Upper School has had a chapter of the National Honor Society (NHS), a nationwide organization that recognizes students of high academic achievement, good character, and strong leadership skills. To become a member of this group, Shelton has established a minimum cumulative GPA of 93%. Now in its seventh year, the group has grown significantly and includes 58 members from the junior and senior classes. The group participates in service projects, e.g. peer tutoring, library assistance,

and individual projects. NHS members are required to complete a minimum of five service hours for NHS, in addition to the 20 required of all Shelton upper-class students.

19th Annual Ethics Symposium Takes Place at UTD

Shelton hosts its 19th Annual Ethics Symposium February 6, 2019. For the second year Shelton is pleased to partner with **The Naveen Jindal School of Management** (University of Texas at Dallas) for the event, which takes place at UTD's Davidson-Gundy Alumni Center. Sophomores and juniors from several local high schools will take part in the symposium.

Alliance Data Systems is also a sponsor of the day-long event.

Podcasts and YouTube Provide Shelton Stories and News

Shelton students have begun using the podcast medium to broadcast some of Shelton's many newsworthy stories. The first one was done in August, and it featured father / son **Don** and **Christian Valade** and their trip to Denmark for a WWII commemorative historical event. More recent podcasts have promoted the production of *Radium Girls* (see page 14) and **Anné Hughes'** newly published book (see page 15). Faculty members **Hunter Duesing**, **Tripp Givens** and **Courtney Dios** coordinate the podcasts.

Students in Film III continue to inform Upper School with daily announcements via YouTube. On Monday / Wednesday / Friday, the content is dubbed *Essentials*; on Tuesday / Thursday, students broadcast more in-depth stories. **Hunter Duesing** and **Tripp Givens** teach the film class.

Radium Girls Captivates Actors and Audience

Radium Girls, a provocative play based on the true story of young women who painted clock faces for U.S. Radium Corporation in the 1920s, launched Shelton's Upper School Theatre Arts fall season. Performing a service for WWII efforts, young women used paint with radium, not knowing the consequences of their hazardous exposure to it until it was too late. The play first intrigued advanced acting class junior students last year, and they lobbied to produce the play this year. For Shelton students, the theme resonated with similar current environmental issues.

Cameron Gardner and Genny Williams unaware of paint effects

Under the direction of Fine Arts Director **Anné Hughes**, a cast of 24 and technical crew of 25 performed the play three times for packed audiences. Visiting director **Rod Caspers** inspired students with a two-day acting workshop prior to performances. Technical Director **Clay Houston** coordinated students in the building of a complex custom set.

INTO THE WOODS

Coming soon

Into the Woods, a musical, takes place in February 2019.

Focus on Film

Students in Film III continue to produce the *Charger Daily News*.

Next on the big screen will be a film showcase and Shelton's annual spring Film Festival at The Angelika Theater on May 5, 2019.

Excitement Mounts for Fine Arts at New Campus

All areas of Fine Arts will be enhanced with the move to Shelton's new campus. Read more about the plans on page 1, *From the Executive Director*.

Band and Drumline Make Their Mark

Under the direction of **Jerry Bishop** and **Ken Utz**, band and drumline performed throughout the fall at football games and playoffs, Grandparents' Day, and the popular holiday concert, which featured Beginning Band, Concert Band, Upper School Band, Middle School Drumline, Upper School Drumline, and the Percussion Ensemble.

Now an annual tradition, the drumline and Shelton's after school band performed at the City of Richardson's Christmas Parade on December 1. Drumline led the parade and was a crowd-pleaser and rouser. Shelton's band received the *Spirit of Giving Award*. As part of the parade's entry fee, students were asked to bring a new unwrapped toy to donate to The Network of Community Ministry. Band members literally provided over a truckload of toys.

Notable Musical Sights and Sounds

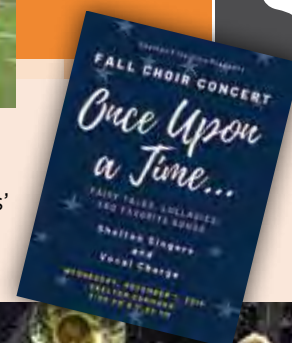

The voices of Shelton choir singers soared at fall events, including Shelton at The Star, Grandparents' Day, and the fall concert. Shelton's vocal music program comprises Vocal Charge (Upper School), Seventh Grade Choir Class, Shelton Singers (Middle School Honor Choir), and Broadway Kids (Lower School / Upper Elementary Honor Choir).

Singers are grateful to have a new microphone system provided to them by Shelton Parents' Association. The system includes

16 handheld wireless microphones that are ideal for performances on and off campus. Vocal Arts Director **Blair King** is currently rehearsing singers for the spring musical *Into the Woods*.

Shelton's Fine Arts Director Now a Published Author

Fine Arts Director **Anné Hughes** has published a book—*My Life with Tom Hughes, A Personal History of the "Musicals Man" of Dallas*. Tom, a legendary producer and managing director of the Dallas Summer Musicals for more than three decades, changed the musical and cultural landscape in Dallas. He also changed the lives of many others, because he always saw the best in them, a legacy recounted by countless others whose lives he touched. The book shares Anné and Tom's romance, marriage, parenthood and a rare and personal view of musical theater history in Dallas. Many personal photos and pieces of correspondence make this a great read—a feel-good book about a feel-good person. www.TheTomHughesProject.com.

Virtual Reality Enhances Art Experience

Art classes concluded their study of Vincent Van Gogh with a virtual reality tour of the painting, *Night Café*, under the direction of Middle School science teacher **Chris Brendel**. Says Middle School art instructor **Sherry Houpt**, "It was really fun to bridge art and technology with this project."

Community Service Day Helps Numerous Organizations

Upper School freshmen and sophomores donated a community service day on October 10th by volunteering at several locations:

Meals on Wheels, Cottonwood Creek Retirement Home, Austin Street Shelter, Habitat for Humanity ReStore, and SPARK. Students received four hours of community service toward a minimum of ten required hours by April 2019. Community Service Coordinator **Charlotte Lee** says another service day is planned for juniors and seniors in spring 2019. To date, 2,639 hours of community service have been provided by Upper School students. Last year Shelton's high school students provided 4,515 hours of service. Shelton participates in The Presidential Service Awards (Young Adult category). Bronze is awarded to those with 100 - 174 service hours; Silver for 175-249; Gold for 250 or more. Shelton students delight in the service projects, long a part of Shelton's school culture.

Band Went Toy Crazy

Shelton's Band received the *Spirit of Giving Award* at Richardson's annual holiday parade. As part of the entry fee, students were asked to bring a new unwrapped toy to donate to The Network of Community Ministry. Band members literally provided over a truckload of toys.

Younger / older partners for Families

Families Honor Veterans

Shelton students again honored veterans at the Veterans Administration Hospital in Dallas by designing and sending cards for Veterans Day. Through Shelton's *Families* program, some 600 students worked on the project. *Families* comprises students from Lower, Upper Elementary and Middle School. Students are paired, younger with older, to work together on projects throughout the year, some involving community service. **Lena Hilbert** and **Beth Womble** are *Families* faculty sponsors.

Middle School students work with goods at N. Texas Food Bank

Food Drives Help Feed the Hungry

Middle School Student Council coordinated a canned food drive at Thanksgiving that benefitted the food pantry for Shelton's neighbor, Dallas Bible Church, and the North Dallas Shared Ministries.

Third-and fourth-graders participated in a cookie drive to benefit Hunger Busters, which provides a third meal to many Dallas ISD students who qualify for breakfast and lunch at school.

Educational Networking with Community Organizations

Shelton Partners for Sixth Year with Commit!

Shelton's **Amy Kelton** was a featured speaker at a fall *United to Learn* program at Dallas ISD's Cigarroa Elementary. Amy's topic, *Intervention Strategies for High Flyers*, addressed self-regulation in the classroom. *United to Learn*, an affiliate of Commit, seeks to provide opportunities for those who deal with Social Emotional Learning (SEL).

Commit! is an organization of 45 institutions in Dallas County committed to increasing graduation with some form of higher education degree.

Shelton Opens Its Doors to DDIG

Shelton hosted the Dallas Dyslexia Information Group (DDIG) fall meeting September 10th. Speaker **Wesley Schmidt** addressed the topic of anxiety concerning math. DDIG is sponsored by the Dallas Branch of the International Dyslexia Association (DBIDA). Shelton values the networking with other professional organizations that seek to help those with dyslexia.

Shelton Stands with StandUpLD

Shelton continues to collaborate with and sponsor StandUpLD, an organization celebrating the strengths of people with learning differences (LD). Shelton faculty member **Lena Hilbert** was a panelist for StandUpLD's October 22nd program, *Successful Women with Learning Differences*.

Shelton also hosted the November 13th *Technology and Resource Round Table Event*, where some 100 parents and students learned about numerous technology and advocacy resources.

A Bonanza of Fall Activities

The SPA has spearheaded events non-stop:

- Back-to-school and divisional socials
- *Enchanted Fair* Oct. 19 – 26 – chaired by **Brandy Wayne** (Ava, Gr. 4) and **Robyn Sells** (Jedediah, Gr. 3), which raised money and made possible 3,893 new books and media technologies on Shelton shelves and screens
- Breakfast / Lunch with Dads, chaired by **Heidi Weinstein-Levy** (Zachary, Gr. 7)
- Sizzling sales of spirit items in The Corral

Brisk business in Corral on Grandparents' Day

- Boosterthon on Sept. 23, which netted priceless camaraderie and proceeds of \$42,000 in Grades PP – Gr. 5; chaired by **Stacey Segal** (Alexandra, Gr. 4) and **Reagan Melton**, (Cambre, Gr.4)
- Grandparents' Day on Nov. 16th – **Chairs Kari Gryzch** (Piper, Gr. 5) and **Jenny Dougherty** (Addyson, Gr. 5) feted over 1,000 guests on November 16th. Senior **Ben Rubin** (Gr. 12) delighted attendees with an accounting of his Shelton experience. Eleven fine arts and spirit groups showcased their talents for the crowd before grandparents sat in on mini classes with their grandchildren.
- First *Princess Ball* for some 148 dads (suits and ties) and daughters (princess attire) on November 10. The winter wonderland themed event, complete with elegant dinner, was coordinated by **Caron Hoffer** (Chloe, Gr. 1).
- Weekly e-communication of SPA activities through *The Scoop*, posted by **Chuck Marlett** (James David, Gr. 6)
- Homecoming spirit support and many other activities that add so much to the life of a Shelton student

- Dads' Group annual retreat to Sky Ranch—**Andrew Schendle** (Miles, Gr. 4) spearheaded the East Texas retreat attended by 140 outdoor camp enthusiasts

Spirit Organization Generates Shelton Pride

Shelton Spirit Organization (SSO) enthusiastically promotes pride through performances and support at many events. Comprising the Chargerettes and Shelton Cheerleaders, these groups ignite spirit and showcase talent on and off campus.

Charger Cheerleaders won the Top Team Chant competition against all the small varsity teams at a fall cheer camp. They were awarded the Spirit Stick each night and on the final day, plus they received a Superior Ribbon for each performance in cheer, chant, and band chant. They received an invitation to the National Cheerleading Association nationals. **Shae Galardi, Izzy Grant** and **Jenna Fonberg** were nominated for the All-American Team.

Chargerettes officers received superior ratings at a four-day camp offered by Encore Creative Productions. They attended leadership workshops each day and learned dance technique from professional dancers.

ALUMNI UPDATES

Chuck Locke, Director of Alumni Relations and Community Engagement,
Middle School Football and Baseball Coach

One of the best parts of my job is keeping up with Shelton students and alumni. Past, present and future Chargers are what Shelton is all about. I have been blessed to watch many of our students for 23 years as they travel from Lower School up the ladder through Upper Elementary and the wonder years of Middle School, and into and out of Upper School. I also enjoy watching the student who may have struggled at times along the road, grow into a wonderful adult, spouse and parent

who then returns to Shelton appreciative of the times he or she spent here. Many return on a regular basis to thank the teachers, coaches, staff and administration who made a positive impact in their lives. That is priceless!

Keep up with recent news of engagements, marriages, births, careers and memorials through the weekly postings on June Shelton Alumni Facebook page or contact Coach Locke at clocke@shelton.org

Homecoming game brings back alumni

Always Homecoming at Shelton

Shelton's homecoming game was held October 5th, and we saw many of our past, present, and future Chargers in attendance. It is always a fun night to see our exes and alumni present at these events.

Keeping the Connection

The Class of 2008 re-connected at their 10-year reunion October 13th at Taverna in Plano before Shelton's fun football and family event at The Star in Frisco. Alumni traveled from all over the Metroplex, plus Houston, Wichita Falls and Utah to attend a great night of food, catching up, remembering good and bad times of the past and maybe a few exaggerations of athletic performances. Thanks to **Gene** and **Jerry Jones** and **Charlotte** and **Shy Anderson** for making possible the special event at The Star.

Celebrating Successes

Back on Campus to Share a Journey

The entire Shelton staff was honored to have former Shelton student **Dr. Megan Siebert** visit us at our August all-staff in-service. Megan entered Shelton in Upper Elementary—a shy little girl who later left The University of Texas at Austin as a confident, courageous student/athlete. She says her time at Shelton helped mold her into the physical therapist she is today. When other schools told Megan what she couldn't do, Shelton

showed her what she could do in the world. We are proud of a great former student and solid Shelton supporter like Megan Siebert.

OFF THE SHELF LIBRARY UPDATE

Melissa Harrison, Library Media Coordinator

Shelton Libraries are Unlike Any Others

Libraries and media centers are mainstays of the educational process at Shelton. A few stats help tell the story of the integral emphasis we place on them:

Circulation Inventory

(56,968 total number of books and catalogued items)

Secondary 27,595 books and catalogued items

Elementary 29,373 books and catalogued items

Shelton clearly exceeds the American Association of School Libraries (AASL) average recommendation of 12,673.

Shelton libraries provide 62 books per student. The American Library Association recommends 18. Texas state standards recommend 8 books.

Shelton's FYE overall library expenditure is \$54 per student. AASL reports Texas average expenditure per student is \$19.93.

Shelton libraries FYE spends \$18,682 on subscription databases. AASL 2012 national average was \$13,525.

Author Inspired Audiences

Austin author **Chris Barton** (*Shark vs. Train*, *The Day-Glo Brothers*, *What Do You Do with a Voice Like That?*) gave four popular presentations to Shelton students in September and participated in a book-signing. Barton is also the co-founder of Modern First Library.

Let's read and eat

Book Fair

The annual book fair was a smashing success. Faculty and staff shopped for books while enjoying coffee and sweet breads. Parents enjoyed browsing and buying from Oct. 19 - 26,

including parent conference days. Many fathers visited campus for Books and Bagels or Lunch with Dads, and a few were a soft touch for book purchases while they were here. Historical fiction author **Jennifer Nielsen** (*Resistance*, *The Runaway King*) added to the book fair activities with a presentation to middle and high school students, including an autograph-signing.

Shelton Celebrates Academic Success of Two Seniors

Two seniors have made news with the National Merit Scholarship (NMS) ranks.

Ethan Cohn

Ethan Cohn has been named as Shelton's first-ever semifinalist in the 2019 National Merit Scholarship Program. He is one of 16,000 semifinalists announced September 12th by officials of the NMS Corporation.

Over 1.6 million juniors in some 22,000 high schools across the nation entered the program by taking the 2017 Preliminary SAT/NMS Qualifying Test (PSAT / NMSQT®). Ethan and other semifinalists represent less than one percent of each state's high school seniors. Semifinalists may continue in the NMSC competition for 7,500 NM Scholarships totaling more than \$31 million to be awarded in spring 2019. Typically, some 15,000 semifinalists will advance as finalists. From these, Merit Scholarships will be awarded on the basis of these students' accomplishments and abilities. Ethan has been at Shelton since 2006. A versatile student, he has been actively involved in band, drumline and soccer.

Evan Antich has been named a Commended Student in the 2019 NMS Program. Commended Students are recognized for their exceptional academic promise demonstrated by their outstanding performance on the PSAT. He is one of 34,000 other high performing students across the country. Evan joined Shelton in 2006 and is the current president of the National Honor Society and co-editor of Shelton's *Literary Magazine*.

Accolades

Congratulations to **Joyce Pickering**, Executive Director Emerita. She was one of three honored at the 2018 Can Do Luncheon hosted by The Wilkinson Center, whose mission is to help people find a pathway to self-sufficiency, with dignity and respect. Joyce's endeavors with literacy are a perfect match with Wilkinson's mission.

Condolences

Laura Monroe, an art instructor at Shelton since 2006, died November 23, 2018. Her memorial service was held on Shelton's campus.

Students made bright-colored paper flowers for Ms. Monroe's service, happily remembering that their art teacher had shown them how to make the flowers.

SPARK Awards Announced for Third Year

Five employees are the recipients of the 2017-2018 Shelton Parents' Association Recognition Kudos (SPARK) Award. This is the third year for the award to be presented by Shelton Parents' Association (SPA). All were recognized at the year-end staff appreciation luncheon, where each awardee received a SPARK crystal award and a check for \$500. Honored were **Carol Brock** (Lower School), **G-g Shryer** (Upper Elementary), **Beth Riggs** (Middle School), **Sam Crabtree** (Upper School) and **Chuck Locke** (at large). The five exemplify Shelton's tagline of engaging, enriching and empowering students. Thanks to **Goodson Acura** for providing a car used during the summer by a SPARK winner.

BYO Professional Development Continues a Favorite with Staff

Upper School teacher **Rosanne Brooks** was the winner of a special *Build Your Own* professional education opportunity announced this fall. She was one of six whose submissions were approved for a drawing that took place. Rosanne will be traveling to the Lakes District in England, to study pioneering romantic poets William Wordsworth and Samuel Taylor Coleridge on a five-day, 48-mile walking tour in their inspirational habitats. With a poet's diary in hand, Brooks aims to capture the scenery via video. She'll share all the sights, poetry and inspiration back in her Shelton classroom. She'll also update all Shelton faculty and staff at a future in-service program

TECHNOLOGY TRENDS

Tina Larson, Director of Technology

Shelton continues to maximize the use of technology as a strategic tool of education and communication by all its constituents—students, staff, parents, the general public, and all with whom we exchange information. The following numbers are offered as a snapshot of what we are using at Shelton today in primarily a Mac environment:

247 computers

distributed to faculty and staff

100+ iPads

1400+ devices

devices managed by dedicated computer specialists **Eddie Moreno**, **Corey Smith** and **Ahren Willms**

700+ computers
distributed to students

- **ONE TO ONE 5th grade**
on classroom carts
- **ONE TO ONE 6th grade**
on-campus use only
- **ONE TO ONE 7th -12th grade**
on-campus and at home
- **9 computer carts**
shared by 3rd-4th classrooms
- **2 computers per classroom**
in most Lower and Upper Elementary classrooms

Apple Teacher Program (a certification program undertaken by individuals wishing to enhance their personal technology skills)

- Rolled-out August 2017
- 20 Apple Teachers to date

Technology Made Possible by the Shelton Parents' Association (SPA)

- 4 SMART 65" interactive flat panel displays purchased and installed in 4 classrooms, shared by 7 teachers

Bandwidth Expansion

- To accommodate our growing enrollment
- To support new locations (relocated Evaluation Center; new campus on Preston Road, where our Outreach / Training Department educated 83 adult learners this past summer)

Next on the Horizon

Since 1976, Shelton has been blessed with gifts that have helped us make the difference in a student's life. We are grateful to all who have given a gift of any type. No return on investment will ever be greater than that of a child's education.

Your gifts make it possible for our amazing students to achieve great things.

This Annual Report reflects gifts received between June 1, 2017 and May 31, 2018. We have made every effort to give proper credit to all who have contributed to the Shelton School during the 2017-2018 fiscal year. We regret any errors or omissions and request that any such oversights be reported to the Development Office. Thank you to everyone who contributed to this report.

The Return on the Investment: Successful Shelton Students

We are grateful for all Shelton supporters and donors. Through the generous gifts of many, we are able to provide a fine educational model to many students. Donors may wonder about the return on their investment. We witness the return on their investment every day—in the young student who gains self-esteem, the teen who learns team spirit, the parents whose child no longer struggles but thrives, and the graduate who confidently leaves Shelton to become a citizen of the world. We celebrate the return on our donors' investments with gratitude.

DELPHI SOCIETY

Delphi is a small town in the mountains of Greece where the famous oracle of Apollo supposedly took place, announcing the future. It is a symbol for seeking to know and shape the future.

To honor those individuals who seek to shape the future of Shelton School, the Delphi Society was established in 2003. The Society recognizes and thanks alumni and friends of Shelton who have created provisions in their wills or estate plans to benefit Shelton School.

Thank you from Shelton's 2017-2018 Annual Fund Co-Chairs!

The Shelton community generously donated over \$927,000 to last year's Annual Fund Drive! Because of your wonderful support, our students engage every day in a vast array of extraordinary learning opportunities! They continue to be empowered and enriched into tomorrow's leaders and achievers with the help of our dedicated Shelton faculty.

We were honored to serve as this past year's Annual Fund Co-Chairs, and owe our success to the commitment of our Parents, Teachers, Board and Alumni. It takes consistent, profound, and broad support from all corners of the Shelton community to sustain the Shelton School we know and love. We are truly grateful to all of you!

Sincerely,
