

KABOOM! Directions

1. Write each of the sight words on a popsicle stick and place all the sticks in a container. Then, write the word KABOOM! on several blank popsicle sticks and place them in the container as well.
2. Take turns pulling a popsicle stick out of the container and reading the word written on it. If you are correct, you get to keep the stick. If you are incorrect, place the stick back in the container.
3. Continue taking turns pulling popsicle sticks out and reading the word on it. If you pull out a stick that says KABOOM!, you must place ALL of your sticks back in the container.
4. The person with the most popsicle sticks at the end wins.
