P3453

**Board Policy
Milford Public Schools
Milford, CT**

The purpose of student activity funds should be to promote the general welfare, education and morale of all of the students and to finance the reasonable, co-curricular and school activities of the student body. These educational experiences take a variety of forms including such areas of interest as athletics, assemblies, honor societies, clubs, lectures, field trips and student council. These activities are available to the entire student body. The funds will not be used for any purpose that represents an accommodation to an individual, a loan or credit. Funds will not be used exclusively for staff, or a capital improvement to a facility. City of Milford and Milford Board of Education policies governing revenue will be adhered to at all times.

Projects for the raising of student activity money shall contribute to the educational experience of the students and shall add to, but not be in conflict, with the instructional program. Student participation is an important factor in the democratic management of the money raised by the students and expended for their benefit. Student activity money shall be expended in such a way as to benefit those pupils who have contributed to the accumulation of the money.
