

Dear Grandparents of The Haverford School,

The Haverford School Parents' Association (HSPA) is preparing for our largest annual community fundraiser. This year the event, ***Let's Hear It for the Boys - Under Construction Party & Auction***, is scheduled for Friday, November 1, 2019. It will be a fun party and auction to benefit our beloved boys and The Haverford School.

We are writing to request your help. This event is the culminating effort in the HSPA's annual fundraising program. Please remember that all monies raised by the HSPA directly benefit the students by supporting academic programs, faculty development, educational technology, and extracurricular activities in every grade from pre-kindergarten to Form VI at The Haverford School. Every one of these projects is an essential component to the education of our boys. Your donation is important to the success of our endeavor. Please consider recognizing your grandson(s) in our **Party and Auction Yearbook & Ad Book**. This book has become a treasured keepsake for the Haverford community. Just imagine how excited your grandson(s) will be to read your expressions of love and encouragement in this special way.

We thank you in advance for your kind gift. Please contact Lisa Getson- Brown with any questions you may have while preparing your personal greeting.

Sincerely,

Lisa Getson-Brown
