

Dear Friends of The Haverford School,

Each fall, The Haverford School Parents' Association (HSPA) hosts the Party & Auction (formerly known as the Gala), our major fundraising event of the school year. This event is the culminating effort in the HSPA's annual fundraising program. These funds support countless initiatives at The Haverford School, including service learning programs, the performing arts, athletics, facility improvements, academic programs, and perhaps most importantly, faculty support and scholarships for deserving young men. Every one of these projects is an essential component to the education of our boys. Your donation is vital to the success of our endeavor.

Plans are well underway for the 2019 Party & Auction, ***Let's Hear It for the Boys - Under Construction***, on Friday, November 1, 2019. This year, we will celebrate the construction of the new middle school through our party and auction. News of this year's event will reach almost a thousand families from the Main Line, Western Suburbs, Philadelphia and beyond.

One of the highlights of the evening is the Program Book. This treasured keepsake is given to every Party & Auction attendee as well as members of the Haverford community at large. We need your help in making this the most successful program book in history. By placing an advertisement or personal greeting in our publication, you will be reaching a very loyal and desirable market for your business.

We thank you in advance for your consideration. Please contact us with any questions you may have regarding placing an advertisement in our Program Book.

Best regards,
