

HEAR YE!

HEAR YE!

Dear Parents,

In light of our review of best health practices, we are recommending every student K4—6th grade have their own set of headphones to use for technology. These headphones will be kept at school in a sealed plastic bag. The school will provide the bag.

Headphone information:

- Standard 3.5 mm jack
- Sized to fit your child
- No microphone
- No Bluetooth
- Foldable is fine but not required

Please label the headphones using permanent marker with your child's first and last name and have them by the first week of school.

The headphones are not a required purchase. We will have a few in the lab available for students that do not have their own.
