Don't just make it all better.**

ATTENDANCE

Please remember to call the attendance office at 391-3215 as soon as you know your student will be absent, and by 10:00 A.M. An absence is considered UNEXCUSED until we hear from a parent. Unexcused absences could result in ISD (In School Detention). If you know your student will be absent for an extended number of days, a Pre-arranged Absence form can be obtained from the front office. After a note or call from a parent, your student may pick one up and have teachers fill in assignments for the days of absence. Please see page 1 of your student's Planner/Handbook for more details regarding attendance.

Traffic Flow Request

In order to ease the flow of traffic, please **DO NOT approach Sproul from Sumac.** The correct way is to go up Jasper, which will take you through the one-way parking lot and out down Sumac.

Driving up Sumac results in congestion, since you will have to wait for traffic coming out of the parking lot, and then turn around in the cul de sac.

Dropping off and picking up your student at the bottom of Sumac on Hallam will completely eliminate waiting for traffic.

Please do not park in the yellow marked area down the center of the parking lot; this is the bus and emergency vehicle parking zone, and must be kept clear at all times, including during after school events. Also, please do not park in reserved spots, or in front of neighbors' driveways; neighbors may call police, who will ticket your vehicle.

THANK YOU FOR YOUR COOPERATION!
