RENTON SCHOOL DISTRICT NO. 403
and the
RENTON PROFESSIONAL-TECHNICAL ASSOCIATION
September 1, 2017 through August 31, 2019

This Agreement, made and entered into effective the first day of September, 2017 by and between the Renton School District No. 403 (District), and the Renton Professional-Technical Association/Washington Education Association/National Education Association (Association), for the purpose of governing their labor relations by establishing the following conditions of employment, schedule of hours, and scales of wages and benefits.

**ARTICLE I
RECOGNITION AND AGREEMENTS**

1.1 Sole Bargaining Agent

The District recognizes the Association as sole bargaining agent for all regularly employed professional-technical employees, including, but not necessarily limited to, employees holding the positions listed in Appendix A for non-technology employees and Appendix C for technology employees of this Agreement, excluding certificated employees, office-clerical employees, paraeducators, grounds and maintenance employees, bus drivers, custodians, food service employees, supervisors, and confidential employees. The District agrees to deal with the representatives of the Association with respect to wages, benefits, hours and working conditions, and adjustment of grievances arising under this Agreement.

1.2 Committees

Employees who are called to meetings by the District shall be released from District duties, and shall suffer no loss in pay, when such meetings are held during work hours.

1.3 Maintenance of Present Wage and Working Conditions

1.3.1 Nothing in this Agreement shall lower the present working conditions or wage standard of any individual employee so long as he/she remains within the job title in which he/she is now employed, but this provision shall apply only to the individual employee and not to the job title.

1.3.2 This provision does not supersede the District's right to discharge, discipline or suspend an employee for just cause.

1.4 Position Descriptions

1.4.1 There will be a current position description on file in the Human Resources Office for each position covered by this Agreement. Any significant modification to the duties associated with the position shall cause the writing of a new position description, with a copy to be given to the employee, the employee's supervisor and the Association.

1.4.2 Each position will have an established salary classification. Significant modification to the duties reflected in the position description will cause a review and possible modification of the salary classification as necessary, utilizing the District's point factor system.

1.4.3 Job descriptions for all positions subject to this agreement shall be provided to individual employees and/or the Association President upon request.

Subsequent changes of such descriptions shall be forwarded to the Association and the individual employee.

1.5 New Positions

1.5.1 The Association President will be notified prior to the posting of any new position that would come under this Agreement, as indicated in Section 1.1, and will be provided with the posting and the job description for the new position.

1.5.2 The proposed salary as recommended by the District will be forwarded to the Association for comparative analysis with any similar positions already established in the unit prior to the position being filled.

1.5.3 The salary range of a new position shall be subject to collective bargaining at the request of either party. Final determination of incremental placement rests with the Office of the Superintendent.

1.6 Distribution of Contract

The District agrees to print and distribute this agreement, free of cost to the Association and its members. Distribution will be within thirty (30) calendar days of the ratification of this Agreement. A copy of the contract will be given to newly hired employees at the time of hire. Five (5) copies of the contract will be sent to the Association President within ten (10) days after its printing.

ARTICLE II
CONDITIONS OF EMPLOYMENT

2.1 Work Day and Work Week

2.1.1 The work week for annual employees shall consist of forty (40) hours per week, Monday through Friday, excluding lunch period. See Article XVI for Safety/Security personnel.

2.1.2 All employees shall be allowed a rest period of not less than fifteen (15) minutes on the employer's time for each four (4) hours of work time, scheduled as near as possible to the midpoint of the work period. No employee shall be required to work more than three (3) hours without a rest period.

2.1.3 All employees entitled to a lunch period in accordance with applicable law will be provided a minimum duty-free lunch period of thirty (30) minutes when the employee is free to leave the worksite. Except as provided in Article XVI, all employees required to work through their regular lunch periods will be given time to eat at a time agreed upon by the employee and supervisor. In the event the District requires an employee to perform substantial duties during a lunch period, the employee shall be compensated for the time worked or may request, and may be granted, an altered work schedule. If an employee is required to remain at the worksite in the interests of the employer, the employee shall be paid at his/her regular rate of pay for the meal period.

2.1.4 Remote Access to Work

2.1.4.1 This section shall apply only to the work day/work week as described in Section 2.1.

2.1.4.2 An employee or a supervisor can suggest remote access to work as a possible work arrangement.

2.1.4.3 The District will establish clear guidelines in collaboration with the Association which may include, but not be limited to the implications of securing sensitive information, the use of hardware, short-term remote access, long-term/ongoing remote access, etc.

2.2 Work Assignment Forms

Each employee shall receive a Work Assignment Form which shall include salary schedule placement, hourly rate of pay, anticipated number of hours per day, and anticipated number of days per year. Where appropriate, the Work Assignment Form shall also include salary and benefit FTE, as well as seniority, vacation, and holiday information.

2.3 Overtime and Compensatory Time

- 2.3.1 "Approved" work is defined as work authorized by immediate supervisor or administrator.
- 2.3.2 The District retains the sole discretion to approve or not approve a request for an altered work schedule.
- 2.3.3 Any approved work in excess of eight (8) hours per day, or forty (40) hours per week, will be considered overtime and paid at one and half times the employee's regular rate.
- 2.3.4 If agreed upon by employee and manager, the District may approve an altered work schedule consisting of four (4) ten (10) hour work days. In such a case, any approved work in excess of ten (10) hours per day, or forty (40) hours per week, will be considered overtime and paid at one and one-half times the regular rate.
- 2.3.5 Approved work performed in excess of forty-eight (48) hours per week will be paid at the rate of two (2) times the employee's regular rate.
- 2.3.6 Approved work performed on a holiday will be paid at the rate of two (2) times the regular rate, in addition to the base regular rate. If agreed upon by the employee and supervisor, the employee may work a scheduled holiday at regular pay, and elect instead to take the holiday within one (1) month of the scheduled holiday.
- 2.3.7 Emergency call-back to work time for employees will be paid for a minimum of two (2) hours at the regular rate of pay or at the overtime rate, whichever is applicable.
- Employees contacted and performing approved work by telephone or electronically during non-work hours shall be paid a minimum of one (1) hour at the applicable rate.
- 2.3.8 Any personnel who are required by the District to remain on standby shall be prorated at the employee's regular hourly rate, and shall be paid at one sixth (1/6th) of an hour for each hour on standby. Any employee required to remain on standby shall be paid a minimum of one (1) hour at his/her regular rate of pay.
- 2.3.9 At the option of the employee, if agreed to by the supervisor, and if arranged prior to the assignment except in an emergency, compensatory time may be taken in lieu of authorized overtime payment, in accordance with the provisions of applicable state and federal law and in accordance with established District procedures.

2.3.10 The District will give an employee at least ten (10) work days' notice before changing the employee's schedule, except in cases involving unexpected changes in circumstances that make it unworkable to give such notice, such as weather, illness, leaves, tardiness, discharge, resignation, special use of facilities, emergencies, etc.

2.4 Discipline and Discharge

2.4.1 The District shall follow due process and progressive discipline in its discipline of employees. Although each personal situation merits individual investigation of the facts and circumstances, the District will make every effort to maintain consistency and uniformity in discipline of employees. In administering progressive discipline, the following steps will normally apply:

2.4.1.2 Oral Warning(s) (non-disciplinary)

2.4.1.3 Written Warning(s) or Letter(s) of Direction (the warning or letter shall indicate whether it is a disciplinary or non-disciplinary action)

2.4.1.4 Letter(s) of Reprimand

2.4.1.5 Suspension(s)

2.4.1.6 Dismissal

2.4.2 An employee shall be entitled to have present a representative of the Association during any meeting which might reasonably be expected to lead to disciplinary action, and/or at any meeting in which discipline is imposed. When a request for such representation is made, no meeting shall continue nor shall any action be taken with respect to the employee until such representative of the Association has reasonable opportunity to be present. Any complaint not called to the attention of the employee may not be used as the basis for any disciplinary action against the employee.

2.4.3 An employee may be discharged immediately for any one of the following reasons: theft, intoxication or under the influence of illegal drugs on the job, reckless or unauthorized use of vehicles or equipment, and illegal activity. In addition, there may be circumstances where the situation is of an extreme nature demanding immediate action; therefore, progressive discipline or action is not indicated and/or within the District's legal options.

2.4.4 The District may discharge, suspend, or otherwise discipline any employee for just cause, but no employee shall be discharged or suspended unless a written warning notice shall previously have been given to such employee of a complaint against him/her concerning his/her work or conduct within ten (10) work days of the date of the knowledge of the violation and, if such written

warning notice is not given to the employee within ten (10) work days of the knowledge of such violation, the warning notice shall be null and void.

2.4.5 Warning notices will be considered collectively, not individually. Any employee receiving three (3) written warning notices within a twelve (12) month period shall be subject to disciplinary action up to and including termination. Upon written request by the employee, warning notices shall be removed from Human Resources files twelve (12) months from the date of notice if there have been no further notices for a six (6) month period.

2.4.6 Prior to terminating an employee for performance deficiencies, the District will give the employee a Plan of Improvement with a specific timeframe sufficient to allow the employee to address the deficiencies and support to be provided by the District. This provision does not apply to employees in their probationary period (see 2.11).

2.4.7 An employee shall be provided with a written statement of the reasons for disciplinary action, including suspension or discharge.

2.5 Layoff and Recall

2.5.1 Layoff

2.5.1.2 In the event it becomes necessary to layoff employees in a given classification due to insufficient funding, reorganization, or curtailment of work, the number and type of positions to be retained shall be determined by the District. This information will be provided to the Association and to the affected employees following the procedure in 2.5.1.B below, as soon as possible after the District's determination of positions to be eliminated or reduced.

2.5.1.3 Following District determination of positions to be retained, the District will identify positions to be reduced and/or eliminated. In job titles with two (2) or more incumbents, the least senior employee(s) will be selected for layoff and/or reduction in hours. The least senior employee will be selected for the greatest impact of position elimination and/or hours of reduction. In the event of two (2) or more employees having the same seniority ranking, position on the seniority list will be determined by drawing lots in the presence of the affected employees and/or an Association representative.

2.5.1.4 An employee subject to layoff may displace a less senior employee in a different job title, provided the employee subject to layoff has

previously held such title in the bargaining unit within the past five (5) work years, is able to perform the current duties of the position, and holds any necessary license.

2.5.2 Recall

2.5.2.1 Employees who have been laid off or whose hours have been reduced shall be placed into a re-employment pool for two (2) years from the date of layoff.

2.5.2.2 Reassignment from the re-employment pool to existing vacancies shall be in the reverse order of layoff/reduction in hours.

2.5.2.3 Employees may turn down two (2) position offerings for which they qualify before being removed from the re-employment pool, provided that such employee is offered a position equal in pay and benefits to that held prior to the layoff/reduction in hours.

2.5.2.4 The District shall give written notice of recall from layoff by sending a certified letter, return receipt requested, and email or electronic communication to said employee at his/her last known address. The employee's address as it appears on the District's records shall be conclusive.

2.5.2.5 Any employee re-employed into a different position will have the first opportunity to transfer back to the position from which he/she was laid off, if it becomes available.

2.5.3 Benefit Retention and Salary Placement

All benefits to which an employee was entitled at the time of his/her layoff, including unused sick leave, will be restored to the employee upon return to active employment from layoff. The employee will be placed on the appropriate range of the salary schedule on the step that is closest to, but not less than, the hourly rate of pay at the time of the layoff; provided that no employee shall be placed above the top step of the appropriate range. In addition, an employee rehired after September 1 shall be granted one (1) increment if the employee would have been eligible for incremental movement on the September 1 immediately following the layoff.

2.5.4 Insurance

If acceptable to the insurance carriers, the District shall allow employees on layoff status to continue any or all portions of their benefit insurance programs via direct monthly payments to the District. Any employee who fails to make

timely payment will be discontinued from participation. Employees on such leave must make written arrangements with the Payroll Office.

2.6 Notice of Termination/Resignation of Employment

2.6.1 The District shall give employees as much notice of termination as possible, but in no event shall an employee receive less than two (2) weeks' notice of termination.

2.6.2 If an employee resigns, the employee shall give the District as much notice as possible, but in no event less than two (2) weeks before the effective date of the resignation.

2.7 Selection for New and Open Positions

2.7.1 The District shall publish on-line, for a minimum of ten (10) work days, the availability of new and open positions covered by this bargaining unit.

2.7.2 The District will fill job openings covered by this Agreement by selecting the best-qualified applicant.

2.7.3 The District will give preferential consideration by seniority to employees in this unit for any job openings covered by the Agreement when qualifications and ability are substantially equal to those of other candidates.

2.7.4 In the event the person with the most seniority is not chosen, the Office of the Superintendent will give an explanation in writing, upon request, to such senior employee and the Association, stating the reason for the non-selection. Nothing contained in this section is intended to preclude the District from hiring outside applicants.

2.8 Affirmative Action

2.8.1 The Association and the District recognize the requirements of the Civil Rights Act of 1964 and mutually agree to support the provisions of the District's Affirmative Action Plan. The parties further agree that the purpose of the plan is for achieving equality in employment practices wherever it may be lacking in compliance with the letter and spirit of the law. The Affirmative Action Plan will be applied in modifying the composition of the future work forces in the District.

2.8.2 Present employees will not be discharged or laid off to achieve employment goals. Hiring policies will be adapted to ensure equal employee opportunities. Only qualified personnel will be considered for any position.

2.9 Involuntary Transfer

If an employee is involuntarily transferred to a different classification, he/she shall be placed on the step closest to but not less than the rate of pay the employee was receiving at the time of transfer. If the employee's salary exceeds the salary of the new classification, he/she will be grandfathered at his/her current salary.

2.10 Seniority

2.10.1 The seniority of an employee within the bargaining unit shall be established as of the date on which the employee began employment in a bargaining unit position or in a position subsequently included in this bargaining unit (hereinafter "hire date") unless such seniority shall be lost as hereinafter provided. However, employees who were bargaining unit members on November 10, 1993 shall be allowed to retain seniority credit for service in a non-RPTA Association bargaining unit position.

2.10.2 All seniority rights will be lost and an employee's relationship with the District deemed severed under the following circumstances:

If the employee:

- A. resigns;
- B. is discharged for just cause;
- C. does not return to work as required when recalled after layoff.

2.10.3 Seniority rights shall not be lost, but shall not accrue, for authorized unpaid leaves of absence and layoff.

2.10.4 Employees returning from authorized leave or from a layoff may recover their previous seniority.

2.10.5 Seniority rights shall continue to accrue during absence due to industrial injury (up to one (1) year), and while the employee is in District pay status.

2.11 Probation

The probationary period for all new employees and employees in new positions as the result of a transfer or promotion of ninety (90) calendar days will be required. If an employee's conduct, proficiency and fitness are judged to be satisfactory by the evaluating supervisor during the probationary period, the employee will be given regular status. The probationer may be discharged during the probationary period in the event of his/her demonstrated inability to cope with or perform the assigned duties as identified in his/her job description, or for being unproductive, or for misconduct.

Upon completion of the probationary period, the employee will be subject to all rights and duties contained in this Agreement, with seniority retroactive to the hire date. All applicable rights and benefits as described elsewhere in this Agreement shall apply to probationary employees.

ARTICLE III
IN-SERVICE, VOCATIONAL TRAINING AND
PROFESSIONAL ORGANIZATIONS

3.1 Professional Organizations and Professional Development Funds

The District and the Association recognize the quality of the District's educational program and services can be enhanced by employee vocational training program(s) and membership in professional organizations.

To this end, the District shall make available \$6,500 each year of this Agreement for reimbursement of memberships in professional organizations, professional licensure requirements, and training, except that should there not be a successful passage of a Maintenance and Operations levy, or should the District's levy capacity fall below 24.93%, the District may elect to reduce this amount to \$5,500 for any affected year.

Priority use of the above funds shall be given to memberships and licenses that are required in order to meet the position requirements, not to exceed \$2,500. The parties also agree that the training funds should be used to enhance the employee's skills and knowledge. Training that is a requirement in order to complete the tasks and duties outlined in the job description shall not be subject to these funds but shall follow the guidelines outlined in Section 3.3 below.

In developing both general procedures and specific authorizations for the allocation of these funds, the District will work with and seek input from designated representatives of the Association. Requests for these funds should be submitted by June 30 each year. The District will notify the RPTA President if any funds remain unallocated. The District will work together with RPTA leadership about how to use unexpended funds, and funds must be expended by September 30 each year.

3.2 Time for In-Service Training

It is anticipated that time will be set aside during the school year and during the regular work day for in-service training. Times set for such training shall be mutually agreed to by the District and the Association. The number and type of in-service activities offered will vary annually, depending on the needs of the District and the interests of employees and the Association. Certified Occupational Therapy Assistants (COTAs) will be released up to thirty (30) hours with pay during each two-year period for recertification training, based on FTE. COTAs who work half the work year assigned to the position or less will be prorated based on 8 hours per day, 180-day assignment. No overtime will be paid for such training.

3.3 Subjects and Guidelines for Required District In-service Training

In-service activities may be established for individuals, specific groups of individuals or for all employees covered by this Agreement. When such activities are required by the district, all fees or registration costs will be paid by the District. Any hours of training required outside of the employee's regular work hours will be paid at the employee's regular rate or at the employee's overtime rate if appropriate. Types of activities may include attending recognized vocational courses, establishing appropriate courses within the District, purchasing recognized vocational courses or other activities which would be of mutual benefit to the employee(s) and the District. Professional training material purchased with departmental funds remain the property of the District.

3.4 Training Hour Stipend

3.4.1 Employees may earn and submit verification for approved training hours which will be paid under procedures noted herein. Such payment will be made twice each year to current employees. Training hour stipends are separate from extra hours and regular pay.

3.4.2 A stipend at the hourly rate of RPTA Level 2, Step 1 shall be paid for each training hour earned in an approved training program with confirmed attendance as set forth in Sections 3.4.3 and 3.4.5 of the contract.

Employees must submit verification of training hours by the first business day of October, January, April, and July for payment on the last business day of said months. Training hours for the previous school year may not be submitted after the first business day of July. Upon separation from employment, employees have ten (10) business days to submit training hours for final payout.

The parties shall review the expenditures at the next scheduled Labor/Management meeting following each payout.

3.4.3 Employees are individually responsible for obtaining and keeping course or training documentation and submitting such documentation to the Human Resources Department when such hours have been completed. Notification and application must be timely as noted herein, in order to receive timely payment. The training hours program compensates employees for training that is relevant to their current job responsibilities or is aligned with a desired career path within the District. Duplicate trainings taken during more than two (2) consecutive years must be approved by the employee's supervisor.

3.4.4 Upon receipt of the transcript verification, employees are eligible be paid \$300 for completing the requirements for a vocational program of an approved State program of at least 900 clock hours or 90 credits or an Associate degree

from an accredited college or university or a Bachelor's degree from an accredited college of university. A one-time payment shall be made at the payroll cycle after verification is timely received.

Upon receipt of the transcript verification, employees are eligible to be paid an additional \$300 in recognition of a Master's degree from an accredited college or university. Payment shall be made at the next payroll cycle after verification is timely received.

- 3.4.5 Coursework in a degree program must be specifically job-related or aligned with a desired career path within the District in order to be qualified as approved training hours eligible for stipend.
- 3.4.6 Employees who have earned stipends prior to August 31, 2001 shall continue to receive payment of said stipends for the duration of the employee's employment. See Memorandum of Understanding regarding Training Stipends.
- 3.4.7 The District and the Association believe that continued professional growth in a cost-effective manner is in the mutual interests of both parties, and believe that the Training Stipend Program effective September 1, 2001 encourages employees to continue their professional development. The parties agree to jointly monitor the use and cost of the training stipends. In order to assist in monitoring costs, the parties agree that employees may be paid up to a maximum of \$1,300 per year.

**ARTICLE IV
LEAVES**

4.1 Personal Illness or Injury Absence

4.1.1 All employees hired for one hundred eighty (180) days, or more, will receive twelve (12) days sick leave each year.

Pursuant to RCW 49.23.270, the employee is allowed to use any or all the employee's sick leave or other paid time off to care for: (a) a child of the employee with a health condition that requires treatment or supervision; or (b) a spouse, parent, domestic partner, parent-in-law or grandparent of the employee who has a serious health condition or an emergency condition. An employee may not take leave until it has been earned. The employee taking leave under the circumstance described in this section must comply with the terms of the collective bargaining agreement applicable to the leave, except for any terms relating to the choice of leave.

4.1.2 All employees hired for less than one hundred eighty (180) days will receive to the nearest half-day a prorated portion of twelve (12) days as the total number of days of employment relates to one hundred eighty (180) days.

4.1.3 Each employee shall be credited in advance with the sick leave allowance at the beginning of each school year, or at the beginning of employment.

4.1.4 A doctor's certificate is needed for sick leave absences lasting more than five (5) consecutive days.

4.1.5 For each day's absence beyond accumulated sick leave employees may access shared leave in accordance with applicable laws and provisions of this bargaining agreement. After available leave is exhausted, a deduction of the full day's salary will be made.

4.1.6 Sick Leave provided in this section not taken shall accumulate from year to year up to the maximum allowed by law. Such accumulated time may be taken at any time during the school year or up to twelve (12) days per year may be used for the purpose of payments of unused sick leave. Employees having accumulated more than 180 days shall be allowed to use those days as may be prescribed by SPI rules, regulations, or guidelines.

4.1.7 A district Attendance Incentive Program will be provided eligible employees in the following manner:

In January of the year following any year in which a minimum of sixty (60) days of leave for illness or injury is accrued, and each January thereafter, any eligible employee may exercise an option to receive remuneration for unused

leave for illness or injury accumulated in the previous year at a rate equal to one day's monetary compensation of the employee for each four (4) full days of accrued leave for illness or injury in excess of sixty (60) days.

Leave for illness or injury for which compensation has been received shall be deducted from accrued leave for illness or injury at the rate of four (4) days for every one (1) day's monetary compensation. Provided, that no employee may receive compensation under this section for any portion of leave for illness or injury accumulated at a rate in excess of one (1) day per month.

At the time of separation from school district employment due to retirement or death, an eligible employee or the employee's estate may receive remuneration at a rate equal to one (1) day's current monetary compensation of the employee for each four full days' accrued leave for illness or injury.

Should the legislature revoke any benefits granted under this section, no affected employee shall be entitled thereafter to receive such benefits as a matter of contractual rights.

4.2 Leave Sharing

4.2.1 Employees may participate in the District Leave Sharing Program. Under the provisions of this program, the District shall receive and process requests noted herein.

4.2.2 An employee who donates leave must be in a position in which sick and/or vacation leave can be used and accrued.

4.2.2.1 An employee who has an accrued sick leave balance of more than sixty (60) days may request a transfer of a specified amount of sick leave to another employee. In no event may such an employee request a transfer of more than six (6) days of sick leave during the twelve (12) month period of September 1 through August 31, or request a transfer that would result in his or her sick leave account going below four hundred eighty (480) hours.

4.2.2.2 An employee who accrues vacation leave and who has an accrued vacation leave balance of more than ten (10) days may instead, if he or she prefers, request a transfer of a specified amount of vacation leave to another employee. In no event may such an employee request a transfer that would result in his or her vacation leave account going below ten (10) days.

- 4.2.3 Employees volunteering to participate in this program will fill out a “Request to Transfer Sick/Vacation Leave” form and submit it to the District Business Office. Days shall be converted to hours.
- 4.2.4 An employee who receives leave must be in a position in which sick and/or vacation leave can be used and accrued. An employee shall be entitled to receive leave under this section if the employee suffers from, or has a relative or household member suffering from an illness, injury, impairment, or physical or mental condition which is of an extraordinary or severe nature and which has caused, or is likely to cause, the employee to go on leave without pay status, or terminate employment. Such employee, or his or her legal representative, must submit, prior to approval or disapproval, documentation from a licensed physician or other authorized health care practitioner verifying the severe or extraordinary nature and expected duration of the condition.
- 4.2.5 An employee needing leave days shall submit a “Request to Receive Sick/Vacation Leave from Co-Workers” form to the District Business Office. In the event the employee is unable to submit such written request, a designee may submit the request on behalf of the employee. Days shall be converted to hours.
- 4.2.6 An employee receiving such leave sharing transfer must have exhausted, or will shortly exhaust, his or her sick leave and/or vacation leave. The employee must have abided by District policies regarding the use of sick and/or vacation leave, and must not be eligible for time loss compensation under Chapter 51.32 RCW.
- 4.2.7 The amount of leave which an employee may receive shall be based on employee request and/or his or her personal physician’s judgment; however, an employee shall not receive a total of more than one contractual year’s worth of leave or 260 days, whichever is fewer. An employee who requests to receive sick or vacation leave must have a signed leave on file with the Human Resources Department for a time period not less than the amount of leave transfer requested.
- 4.2.8 While an employee is on leave, he or she shall receive the same treatment in respect to salary, wages, and employee benefits as the employee would normally receive if using accrued sick or vacation leave.
- 4.2.9 Transfer of leave shall not exceed the donating employee’s requested amount.
- 4.2.10 All donated leave must be given voluntarily. No employee shall be coerced, threatened, intimidated, or financially induced into donating sick or vacation leave.

- 4.2.11 The "Request to Transfer Sick/Vacation Leave" forms shall be accepted by the District in the order received. When the maximum number of leave days is reached, the remaining forms shall be returned to the employees.
 - 4.2.12 The value of the leave transferred shall be based upon the leave value of the person receiving the leave.
 - 4.2.13 Any leave transferred which remains unused on August 31 of each year shall be returned at its original value to the employee or employees who donated the unused leave.
- 4.3 Bereavement Leave
- 4.3.1 Up to and including five (5) days leave with pay, including travel time, shall be allowed for bereavement leave for each occurrence of a death in the employee's immediate family, or the immediate family of his/her spouse/domestic partner, which includes spouse, domestic partner, children, parent, siblings, grandchildren and grandparents. Two (2) days bereavement leave with pay will be allowed in the case of the death of aunts, uncles, nieces or nephews, or anyone who is living with or considered part of the family.
 - 4.3.2 This bereavement leave is not deducted from sick leave and is not accumulative.
 - 4.3.3 In special cases an employee may request Human Resources extend the definition of immediate family and/or grant extra bereavement leave days.
- 4.4 Emergency-Hardship Leave (Non-Accumulative)
- 4.4.1 Six (6) days emergency leave per year, non-cumulative year to year, will be available upon request for each employee without loss of pay (deducted from annual sick leave). Upon written request to the Assistant Superintendent of Human Resources, employees may be granted additional emergency leave days with pay. Additional days will be granted: (1) if the situation is as defined in this section; (2) if the employee has sufficient sick leave balance to cover the requested days; and (3) if such request is timely and follows the regularly established absence reporting procedures.
 - 4.4.2 The problem must have been suddenly precipitated and must be of such an emergent nature that pre-planning is not possible, or where pre-planning could not relieve the necessity for the absence during work hours.
 - 4.4.3 Emergency Leave may not be taken in any combination for purposes of extending vacations or holidays.

- 4.4.4 This leave may be used for any personal reasons of an emergency nature, including illness or injury in the family except as provided in 4.1.1, funeral of friends, legal or personal affairs that cannot be scheduled outside the normal work day.
 - 4.4.5 Weather conditions for local travel to and from school shall not be considered as a valid reason for an emergency leave, except under those circumstances that the employee can demonstrate that the weather conditions created an emergency for him/her.
 - 4.4.6 Emergency leave for other or unusual circumstances should be cleared through the department supervisor and then reported on the absentee report for final Payroll approval by the Human Resources Department.
 - 4.4.7 Employees with special hardship situations may be granted additional emergency days by the Assistant Superintendent of Human Resources.
- 4.5 General Leaves of Absence
- 4.5.1 Leaves of absence may be granted to any employee for such things as illness, family emergency, education, etc.
 - 4.5.2 The leave of absence of an employee on leave for reasons other than military service will terminate at the end of one (1) year in which no service has been rendered. For employees working less than 260 days the leave shall terminate at the end of their work calendar.
 - 4.5.3 Except for military service, there shall be no other employment while on leave without prior approval of the Assistant Superintendent of Human Resources.
 - 4.5.4 The District is obligated to state in writing the terms of the leave of absence.
 - 4.5.5 The District shall assign the returning employee to the position held before the leave of absence or to a position of equivalent duties and level of pay. The layoff and recall provisions will be applicable to the employee on leave. The employee may return to duty prior to the end of the leave period if authorized to do so by the office of the Assistant Superintendent of Human Resources.
 - 4.5.6 All employee benefits earned prior to a leave of absence will be maintained upon re-employment.
- 4.6 Legal and Military Service
- 4.6.1 An employee who is away from his/her duties because of jury duty shall be paid for such time lost at his/her normal rate of pay. The employee shall

furnish the Superintendent or designee with a written statement from the court or a personal notarized letter showing the days of jury duty.

The employee shall report to work each day he/she 1) is not actually assigned to jury duty; or 2) is not requested to remain available for jury duty during the work day; 3) is not assigned to jury duty after reporting, but is released in sufficient time to allow her/him to report for the second half of that employee's work day.

4.6.2 An employee will be granted subpoena leave as may be required by the subpoena, and shall be paid his/her regular salary less any compensation received for his/her services, excluding transportation and per diem expenses, except when the employee is the plaintiff or defendant in such action. This exception shall not apply when the employee is named as plaintiff or defendant while in the performance of his/her duties. The Superintendent or designee may extend the definition and intent of the subpoena leave policy on an individual basis, in consultation with the Association President.

4.6.3 Any Employee who is a member of the Washington National Guard or of any organized reserve or armed forces unit of the United States shall be entitled to and shall be granted military leave of absence from his or her employment for a period not exceeding fifteen (15) days during each fiscal year.

4.6.4 Military leave shall be granted in order that the person may take part in active training duty when required to do so by the military service if such duty cannot be taken during non-contract days.

4.6.5 When military leave is granted, the employee shall receive his or her regular pay and benefits from the District.

4.7 Implementation

Leaves for illness, injury, bereavement, and emergency due to illness in the immediate family, legal affairs, business affairs and/or funerals not covered by bereavement leave should be cleared through the department supervisor and then reported on the District's absentee report form.

4.8 Personal Leave

4.8.1 Employees will have two (2) personal days that may be taken in half or whole day increments.

4.8.2 Personal Leave may not be used to extend a holiday, vacation, or sick leave, unless extenuating circumstances are granted by the Assistant Superintendent of Human Resources.

Five (5) slots per day for Personal Leave are available the first and last week of school and must be requested in writing to Human Resources at least ten (10) business days prior to the requested date.

4.8.3 The employee will notify his/her supervisor, and enter the absence electronically, of the intent to take personal leave at least two (2) work days prior to the leave, unless compelled otherwise by emergency, in which case, the employee should provide as much notice as possible.

4.8.4 An additional one (1) day of personal leave will be provided to employees with a sick leave balance of at least twenty (20) days as of August 31 of each year.

4.8.5 One (1) day of personal leave may be carried over each year.

4.9 Family Medical Leave

4.9.1 An eligible employee may request up to twelve (12) work weeks of family medical leave during any twelve (12) month period. An eligible employee is anyone who was employed by the District for at least 1,250 hours of service during the previous 52 weeks, excluding authorized leave or periods of time in which persons do not report to work but have a continuing employment relationship and do not collect unemployment benefits. The District will inform the employee of eligibility upon receipt of a request for a family medical leave. Contact Human Resources for procedures and forms.

4.9.2 Family Medical Leave (FMLA) may be taken:

4.9.2.1 because of the birth of a child and to care for a newborn child; or

4.9.2.2 because of the placement of a child with the employee for adoption or foster care; or

4.9.2.3 to care for a child or a spouse or parent who has a serious health condition; or

4.9.2.4 because of the employee's own serious health condition.

If both parents of the child are employed by the District, they together are entitled to a total of twelve (12) weeks of family medical leave for the care of the child, and leave may be granted for this purpose to only one parent at a time.

4.9.3 FMLA may be taken to care for a newborn or newly adopted child and must be completed within twelve (12) months after the birth or adoption. The District may require confirmation by a health care provider of the employee's need for family leave.

4.9.4 Leave taken under 4.9.2.1 or 4.9.2.2 above shall not be taken by an employee intermittently or on a reduced leave schedule unless the employee and the District agree. Leave taken under 4.9.2.3 or 4.9.2.4 may be taken intermittently or on a reduced leave schedule when medically necessary. If an employee requests intermittent leave, or leave on a reduced leave schedule that is foreseeable based on a planned medical treatment, the District may require such employee to transfer temporarily to an available alternative position offered by the District for which the employee is qualified and that has equivalent pay and benefits, and better accommodates recurring periods of leave than the regular position of the employee. The taking of intermittent or reduced leave shall reduce the total leave allowed an employee only by the actual amount of leave taken.

4.10 Adoption/Child Rearing Leave

An employee legally adopting a child and/or wishing to take unpaid leave, after expiration of FMLA leave for the purpose of child rearing, shall notify the District in writing of the intent to take such leave stating the expected date of commencement of leave and return to employment. Such leave shall be granted for a period not to exceed nine (9) months for conditions which meet the criteria in 4.9.2.A. or 4.9.2.B. above. An employee returning from such leave shall be assigned to the position held before the leave, or to a position with equivalent pay and benefits.

4.11 Association Leave

The Association will be granted a total of twenty (20) days leave per year with pay. Prior notification of absence for Association business must be made by the Association to the District. Separate arrangements must be made with the immediate supervisor to deal with work coverage during the absence. The Association President shall determine which members will be authorized to use Association leave. The District will charge back to RPTA 75% of the Level Three (3), Step Two (2) rate.

ARTICLE V
WORKERS' COMPENSATION

- 5.1 The District is a self-insured employer and pays all costs of industrial insurance, including compensation payments and medical costs in compliance with the terms of the Industrial Insurance Laws of the State of Washington. The basic concept is that an employee must be paid compensation when the time lost as a result of an on-the-job injury or illness will result in loss of income.
- 5.2 When injured on the job, the employee shall promptly complete a Self-Insurer Accident Report claim form with the assistance of the supervisor of the work location where the injury occurred, in accordance with District and State insurance procedures. One part of the form must be taken to the physician who treats the employee for the injury. A worker is entitled to workers' compensation if he/she has sought medical attention and is not cleared by a physician to return to work within three (3) calendar days following an on-the-job injury or illness.
- 5.3 In the event an employee is absent for reasons which are compensable industrial injuries in accordance with Washington State Industrial Insurance Law, the District shall pay the employee an amount equal to the difference between the Time Loss Compensation Rate, reported by the Department of Labor and Industries as a percent, and the amount the employee would have normally earned, to the limit of accumulated Sick Leave. A deduction shall be made from the employee's accumulated sick leave proportionate to the percent of time-loss paid to the employee by the District in excess of Washington State Industrial Insurance Law payments. In the event of any overpayment, the District shall make a correction thereof on a reasonable basis.
- 5.4 An employee must indicate in writing to the District whether or not they choose to use or forgo the use of sick leave as provided for in Section 5.3. Should the employee opt to not use sick leave, they instead would receive worker's compensation only in compliance with the Industrial Insurance Laws of the State of Washington.
- 5.5 Until the employee qualifies for a disability under the Industrial Insurance Laws of the State of Washington or for up to one (1) year following the date of the injury, whichever is first, the employee will remain eligible for District benefits with eligibility for insurance benefits being contingent upon insurance policy provisions.
- 5.6 After sixty (60) days the District reserves the right to require Independent Medical Evaluations (IME) by physicians of the District's choice and at the District's expense for employees claiming on-the-job injury. An employee is entitled to bring an observer of their choice (e.g. family member, spouse, colleague, etc.) to the appointment as allowed by L&I rules and guidelines.
- 5.7 The employee must have a physician's written authorization to return to work and shall return to regular duty when authorized to do so by a physician. The employee will return

to a light duty position as authorized by a physician and when a light duty position is available. The District reserves the right to assign an alternate work assignment when a light duty position is required.

- 5.8 Medical treatment benefits may continue in accordance with the Industrial Insurance Laws of the State of Washington. Absence from work for medical treatment only does not qualify for compensation under the Industrial Insurance Laws of the State of Washington. Employees may use accrued sick leave for medical appointments during the work day.

ARTICLE VI HOLIDAYS

6.1 Holidays

6.1.1 Employees are eligible to receive their regular rates of pay for up to fourteen (14) of the following holidays:

All 219-260 day contract employees shall receive the following paid holidays:

1. Labor Day
2. Veteran's Day
3. Thanksgiving Day
4. The day after Thanksgiving
5. The day before or after Christmas
6. Christmas Day
7. The day before or after New Year's Day
8. New Year's Day
9. The legally designated day for Martin Luther King Jr.'s Birthday
10. The legally designated day for President's Day
11. The Monday or Friday of Spring vacation
12. Memorial Day
13. The day before or after Independence Day
14. Independence Day

The selection of the Monday or Friday of Spring Vacation, the selection of the "day before or the day after" and the selection of the preceding or following day in lieu of a holiday shall be left to the District.

If a paid holiday falls on the weekend, the holiday will be designated and granted on the Friday preceding or Monday following said holiday. If a holiday falls within an employee's vacation period, the employee shall receive an extra day of paid vacation or be given an extra day off at the employee's discretion.

All 203-218 day contract employees shall receive the following paid holidays:
1-12, 14

All 186-202 day contract employees shall receive the following paid holidays:
1-12

All 180-185 day contract employees shall receive the following paid holidays
1-6, 8-12

*Less than 180 day contract employees: The number of paid holidays is determined by the number of contract days per year the employee is scheduled to work (position factor).

6.1.2 The position factor formula is as follows:

260 days minus 14 holidays minus 21 vacation days = 225 days

The days worked per year divided by 225 days = position factor

Example: Employee works Mondays, Wednesdays and Fridays based on 180 day work schedule. Total work days = 105. 105 (work days) divided by 225 = .467 (position factor). .467 (position factor) x 11 (holidays based on 180 day work schedule) = 7 paid holidays.

6.1.3 The number of paid holidays for which an employee is eligible is determined by the number of days per year the employee is scheduled to work.

**ARTICLE VII
VACATION**

Examples of the computation, including less-than-annual employee vacation and holiday prorating, for a less-than-annual employee hired for 180 days for 6 (6) hours per day and placement on the salary schedule for \$20,000:

Example 1. Up to and including the fourth (4th) full year of employment:

$$\frac{180 \text{ days} + 11 \text{ holidays} + 8 \text{ vacation}}{2080} \times 6 \text{ hours} = .571 \text{ FTE} \times \$20,000 = \$11,420$$

Example 2. Beginning with the Fifth (5th) full year of employment:

$$\frac{180 \text{ days} + 11 \text{ holidays} + 12 \text{ vacation}}{2080} \times 6 \text{ hours} = .586 \text{ FTE} \times \$20,000 = \$11,720$$

Example 3. Beginning with the Tenth (10th) full year of employment:

$$\frac{180 \text{ days} + 11 \text{ holidays} + 16 \text{ vacation}}{2080} \times 6 \text{ hours} = .597 \text{ FTE} \times \$20,000 = \$11,940$$

Example 4. Beginning with the Fifteenth (15th) full year of employment:

$$\frac{180 \text{ days} + 11 \text{ holidays} + 17 \text{ vacation}}{2080} \times 6 \text{ hours} = .600 \text{ FTE} \times \$20,000 = \$12,000$$

**ARTICLE VIII
HEALTH AND WELFARE**

8.1 Insurance Programs

8.1.1 Allocation

8.1.1.1 For each year of this agreement the District shall pass through the full state health and welfare insurance allocation per 1.0 FTE. In addition, the District shall locally fund the HCA retiree subsidy charge per month per 1.0 FTE on behalf of the employee, which would otherwise be deducted from the state allocation. The amounts will be published by the payroll department each year.

8.1.1.2 If the State funds a different amount during the life of this Agreement, the District will contribute the net amount allocated per employee per month, prorated on an FTE basis, to all eligible employees covered under this Agreement. The net amount is that amount which remains when any state-mandated holdback is subtracted from the state authorized and funded amount for insurance benefits. This shall not be subject to subsection 1 of RCW 41.56.123 or any similar legislation that may hereinafter be enacted.

8.1.2 These benefit monies must first be applied toward the following required basic District programs as defined in the District Benefits Handbook.

8.1.2.1 Dental

8.1.2.2 Vision

8.1.2.3 \$60,000 Term Life and Accidental Death Plan

8.1.2.4 Long Term Disability

8.1.3 The remaining monies, after application to the above, shall be applied, at the employee's option, to one of the District medical insurance programs.

8.1.4 The mutually agreed upon insurance programs for optional benefits are:

8.1.4.1 Optional Life

8.1.4.2 Optional Short/Long Term Disability

8.1.4.3 Flexible Spending Accounts

8.1.4.4 Long Term Care Insurance

8.1.5 Benefits calculations will be based on the number of hours an employee works (including paid holidays) divided by 1440 hours. Benefit FTE cannot exceed 1.0.

Employee benefit eligibility will be as follows:

8.1.5.1 0.7960 to 1.0 benefit FTE: the required dental, vision, life and long term disability premiums will be deducted first and the remainder can be applied to medical insurance.

8.1.5.2 0.001 to 0.7959 benefit FTE: The prorated amount may be used for medical insurance only as provided under the provision of the insurance carrier(s).

8.1.7 Pooling

The District and the Association recognize that the monthly provision may not be fully utilized due to some employees selecting less coverage than would be paid by the District. Therefore, the District will identify the unutilized portion and distribute such amount, if any, on an FTE basis, to employees whose coverage exceeds the District contribution (pooling). The unutilized portion shall be computed by the District based upon the payroll for October, with adjustments made for changes in employee participation in group insurance programs. The new maximum monthly provision will be implemented beginning with the November payroll and continue through the October payroll, provided that in no case shall an employee receive more than the amount necessary to pay for District insurance programs selected by the employee. The District will provide contributions for optional benefit plans, in addition to basic benefits, only if:

8.1.7.1 Each full-time employee included in the District's pooling arrangement is offered basic benefits, including coverage for dependents, without a payroll deduction for premium charge(s);

8.1.7.2 Each full-time employee included in the pooling arrangement, regardless of number of dependents receiving basic coverage, receives the same additional District contribution for other coverage or optional benefits; and

8.1.7.3 For part-time employees included in the pooling arrangement, participation in optional benefit plans shall be governed by the same eligibility criteria and/or proration of District contributions used for allocation for basic benefits.

Pursuant to RCW 28A.400.275, the parties agree to abide by State laws relating to school district employee benefits.

8.1.8 The District will make available to employees, at their option, an Internal Revenue Service Code Section 125 flexible benefits plan. The plan will be established, administered, and communicated to employees by the District without cost to the employees.

8.1.9 It is agreed that in the event of inability of an employee to work because of illness or a non-occupational accident, the District will continue to make its monthly contributions to mandatory benefits and medical, insurance for eligible employees for a period of three (3) months following expiration of sick leave, and if the employee desires to continue the benefit of this Health and Welfare Plan he/she may do so by making the required payments to the District. In either event the employee must actually be incapable of performing his/her District assignments by such illness or non-occupational accident and shall, in fact, not be working elsewhere in a similar capacity and not receiving similar benefits. This benefit may not be added to paid benefits offered under Section 4.9 Family Medical Leave.

8.1.10 If acceptable to the insurance carriers, the District shall allow employees on unpaid leave to continue any or all portions of their benefit insurance programs via direct monthly payments to the District. Employees on such leave must make written arrangements with the payroll office.

8.2 Retirement

All employees covered by this Agreement shall be members of the State Employees Retirement System as required by law.

8.3 Annuities

The District shall, upon receipt of written authorization from an employee, and provided five (5) or more employees have previously made the same request, deduct from the employee's salary and make appropriate remittance for a tax-sheltered annuity (TSA) chosen by the employee. If the number of employees participating in a TSA plan newly authorized pursuant to this provision at any time drops in number of employees to below five (5), the District may exercise the option to discontinue the deduction privilege.

**ARTICLE IX
SALARIES**

9.1 Payment

9.1.1 Salaries shall be as shown in Appendix B for non-technology and Appendix D for technology employees of this Agreement.

9.1.2 Increment steps available on the salary schedule for eligible employees shall take effect as follows:

First Increment: Two (2) full years of service must be completed in the position at the step placed at hire or transfer in order to receive one increment, if available.

Second Increment: Two (2) full years of service must be completed in the position in order to receive one increment, if available.

Third Increment: Two (2) full years of service must be completed in the position in order to receive one increment, if available.

“Full years of completed service” means being placed on the District payroll in September in the same eligible position and having worked and completed the remainder of the assigned work year, e.g., 180, 220 or 260 days. For example, an employee who was hired on September 14, 1999 would have accrued three (3) full years of completed service as of September 1, 2002.

9.1.3 Less-than-annual employees will be paid a prorated share based on the number of days worked by an annual employee and in accordance with their placement on the salary schedule.

9.1.4 Extra days: Less-than-annual employees authorized to work any days in excess of their scheduled days as stated in the job description will be paid at their daily rate plus mandatory benefits.

9.2 Salary Computation

Employees who work less than 260 days x 8 hours per day will have their annual, prorated salary computed as follows:

$$(1) \frac{(\text{Days per year} + \text{Holidays} + \text{Vacation}) \times \text{Hours}}{2080} = \text{FTE}$$

$$(2) \text{FTE} \times \text{Annual salary on schedule} = \text{Employee's prorated annual salary}$$

9.3 Salary Provisions

- 9.3.1 Base salary, and “grandfathered” educational stipends earned before 2001, shall be paid in twelve (12) equal monthly installments. For less-than-annual employees, vacation pay and holiday pay shall also be paid in twelve (12) equal monthly installments.
- 9.3.2 Salaries contained in Appendix B for non-technology and Appendix D for technology employees shall be for the entire term of this Agreement, subject to the terms and conditions of Article XV. Should the date of execution of this Agreement be subsequent to the effective date, salaries, including overtime and standby pay, shall be retroactive to the effective date, unless the parties have specifically agreed otherwise.
- 9.3.3 Retroactive pay, where applicable, shall be paid on the first regular pay day following mutual ratification of this Agreement, if possible, and in any case not later than the second regular pay day. In the case of retroactive pay resulting from negotiations pursuant to Article XV, such retroactive pay shall be paid on the first regular pay day following mutual ratification of such schedule, if possible, and in any case not later than the second regular pay day.
- 9.3.4 An employee whose position is reclassified to a higher classification or an employee who moves to a higher classification shall be placed on the appropriate step which will result in a salary equal to or greater than the salary that would have been paid on the previous classification, plus one step.
- 9.3.5 An employee whose position is involuntarily reclassified to a lower classification and whose salary exceeds the salary of the new classification shall be grandfathered at his/her current salary. An employee who voluntarily moves to a lower pay classification shall be placed on the step closest to but not less than the rate of pay the employee was receiving in his/her former position except that the employee shall not receive an amount greater than the highest salary within the classification.
- 9.3.6 Any employee required to return to work on callback or required to travel from one site to another in a private vehicle during work hours shall be reimbursed for such travel on a per-mile basis at the IRS rate.
- 9.3.7 Employees who travel outside the District on District business must complete an “Employee Travel Request” form and shall be reimbursed for expenditures in accordance with District policy.
- 9.3.8 Employees may choose to participate in the District’s electronic program, pursuant to Payroll office procedures. Check stubs are available electronically.

9.3.9 Payroll deductions such as union dues, United Way contributions, flexible benefit plan participation, and annuity contributions are made by the Payroll Office as authorized by the employee.

Payroll deductions for savings plans or loan payments held by the District's authorized credit union are processed, as authorized, for employees who are members of the authorized credit union.

ARTICLE X GRIEVANCES

10.1 Purpose

The purpose of this Article is to provide for a mutually acceptable method of prompt and equitable settlement of grievances or complaints arising between the District and its employees within the Association with respect to matters dealing with the interpretation or application of the Terms and Conditions of this Agreement or the interpretation or application of specific written District Policy or Rules.

Grievances shall be processed as rapidly as possible; the number of days indicated at each step shall be considered maximum and every effort shall be made to expedite the process. Under unusual circumstances, time limits may be extended by mutual agreement. Failure of the District or the grievant to comply with the stipulated number of days will result in the grievance proceeding to the next step, provided the grievance was submitted in a timely manner.

10.2 Definitions:

Grievance: an alleged violation or misapplication of a specific article(s) of this Agreement or an alleged violation or misapplication of a specific District Policy or Rule.

Grievant: an employee or the Association. When appropriate, the District and the Association may agree to consolidate the grievances of two or more grievants and process them as one grievance.

10.3 Procedure

Informal Discussion(s):

Whenever possible, an affected employee and/or the Association and the administrator whose actions prompted the perceived contract violation, shall meet to resolve problems through free and informal communication. A grievant shall first take up a complaint or problem with the grievant's immediate supervisor, department head, or, with the human resources administrator in informal discussion(s). The grievant must attempt to schedule the first informal discussion within twenty (20) work days of becoming aware of the alleged violation. Every effort shall be made to resolve the complaint or problem at this level.

If the employee is not satisfied with the informal discussion(s) relative to the matter in question, he/she may proceed to the formal grievance procedure Step 1.

An employee may institute a grievance on his/her own recognizance or may request the assistance of the Association. Should the employee choose to file a grievance without the intervention of the Association, the Association shall be afforded the opportunity to be

part of the meeting(s) in which the adjustment is made. The adjustment shall not be in conflict with this Agreement. The proper procedure for pursuing adjudication of alleged grievance is as follows:

1. Within twenty (20) work days of the time the employee demonstrably knew or should have known of the alleged violation, the aggrieved will notify the appropriate supervisor of a desire to discuss a grievance and also state the fact that this action possibly constitutes a grievance. If there is a question as to the appropriate supervisor, Human Resources will make a determination.
2. Within ten (10) work days of notification of the alleged grievance, the appropriate supervisor will meet with the employee, either directly or accompanied by another person designated by the employee, and discuss the grievance. Within fifteen (15) work days after the discussion of the grievance, the supervisor shall give his/her response to the aggrieved.

10.3.1 Step 1:

1. If the grievant is not satisfied with the resolution, the grievant may, within ten (10) work days of receipt of the response, submit District's "Classified Grievance Claim" form containing (1) the facts on which the grievance is based; (2) a reference to provisions of this Agreement or District Policy or Rule allegedly violated; (3) the remedy sought.
2. Within ten (10) work days of receipt of the form, the appropriate supervisor shall submit a written response to the aggrieved.

10.3.2 Step 2:

1. If the grievant is not satisfied with the resolution at Step 1, the grievant may, within ten (10) work days of receipt of the written response in Step 1, submit the grievance to the Office of the Superintendent.
2. Within ten (10) work days of receipt of the grievance, the Office of the Superintendent or designee shall conduct a hearing to investigate and review the grievance. Both the grievant and the Association shall be notified of the date, time, and place of the hearing. The employee shall be entitled to Association representation at the hearing. Within ten (10) work days after the hearing, the Superintendent or designee shall provide the grievant with a written answer and explanation thereof, based on the data gathered at that hearing.

10.3.3 Step 3A:

If the grievant is not satisfied with the resolution at Step 2 and provided that the grievance has to do with an alleged violation or alleged misapplication of

a specific article or section of this Agreement, the Association may, within fifteen (15) work days of receipt of written response to Step 2, submit the grievance to the American Arbitration Association for arbitration under their rules and within the following guidelines:

1. The Arbitrator shall, if convenient, hold a hearing within twenty (20) work days of his/her appointment. A notice of five (5) work days will be given to all parties of the time and place of the hearing. The Arbitrator shall limit his/her decision strictly to disputes involving the application, interpretation, or alleged violation of specific articles and/or sections of this Agreement; and he/she shall be without power or authority to establish salary schedules.
2. The Arbitrator shall issue his/her written opinion within twenty (20) work days, if possible, from the date of the hearing. The opinion shall set forth the Arbitrator's award, opinions, and conclusion on the issues submitted.
3. There shall be no appeal from the Arbitrator's decision if within the scope of his/her authority. It shall be final and binding on the Association, the employee(s) involved, and the District.
4. The fees and expenses of the Arbitrator shall be shared equally by the District and the Association. All other expenses shall be borne by the party incurring them, and neither party shall be responsible for the expenses of witnesses called by the other.
5. The fact that the grievance has been considered by the parties in the preceding steps of the grievance shall not constitute a waiver of jurisdictional limitations upon the Arbitrator as delineated in Step 3A, 1. as above.

10.3.4 Step 3B:

If the grievant is not satisfied with the resolution at Step 2, and the Association believes the grievance to be valid, and provided that the grievance has to do with an alleged violation or misapplication of a specific written District Policy or Rule, the grievant may, within fifteen (15) work days' receipt of the written response from Step 2, request a meeting with the Board for the purpose of resolving the grievance in accordance with the following:

1. The Board may employ a Hearing Officer to hear the case in its stead.
2. The Board may hear the case itself.

3. The Secretary of the Board shall schedule a hearing date to take place within fifteen- (15) work days' receipt of the request.
4. The grievant shall be notified of said hearing at least five (5) work days prior to the set date.
5. The Secretary of the Board shall, within ten (10) work days after the conclusion of the hearing, submit the findings and recommendations in writing to the grievant and the Association.

10.4 Additional Provisions

- 10.4.1 A grievant can be represented at all stages of the grievance procedure by him/herself, or at his/her option, by an Association representative selected by the Association. If an aggrieved party is not represented by the Association, the Association shall have the right to be present and to state its views at all stages of the grievance procedure. No member may bring a grievance to arbitration without approval of the Association.
- 10.4.2 The District shall not discriminate against any individual employee or the Association for taking action under this Article.
- 10.4.3 All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the Human Resources files of the participants.

**ARTICLE XI
MANAGEMENT RIGHTS**

11.1 Recognition

- 11.1.1 The Association recognizes the District's inherent and traditional right to manage their respective business, as has been their practice in the past.
- 11.1.2 The Association recognizes the right of the District to hire, suspend, transfer, promote, demote, or discipline its employees and to maintain the discipline and efficiency of its employees; the right (which shall be exercised as provided in the paragraph hereof relating to termination of employment) to layoff, terminate and otherwise relieve employees from duty because of lack of work for them to do, or for other reasons set forth in this Agreement; the right to establish and change or consolidate jobs; the right to direct the methods and processes of doing work, to introduce new, improved work methods or equipment, and to assign work to outside contractors; the right to determine the starting and quitting time and the number of hours to be worked; and the right to reasonably make and amend such rules and regulations as it may deem necessary for the conduct of its business, and to require their observance.
- 11.1.3 The exercise of the District's rights stated herein is an exclusive function of Management.
- 11.1.4 The exercise of the Management Rights herein does not modify the employee's or the Association's right to appeal through the grievance procedure as set forth in this Agreement when, in the opinion of the employee(s) or the Association, such exercise violates the letter and intent of the Agreement.

**ARTICLE XII
EMPLOYEE RIGHTS AND RESPONSIBILITIES**

12.1 Personnel Records

- 12.1.1 A master or official file shall be maintained for each employee of the District in the Human Resources Department or other officially designated place.
- 12.1.2 Work-site files, as required and when properly noted in the employee's master file, may be kept by the employee's immediate supervisor. These files are considered confidential and only open to the immediate supervisor and the employee. Such work-site files will be maintained according to the following guidelines:
 - 12.1.2.1 Materials which might form the basis for disciplinary action, reprimand, warning or other adverse effect must be either discarded or placed in the personnel file within one (1) year of the date on which the incident occurred. The employee will be notified of any such materials which are placed in the official file. The employee may initial and date all documents added to his/her file.
 - 12.1.2.2 If such material is not placed in the official file and retained beyond the one (1) year period in the working file, such materials shall at the employee's request be taken from the file and destroyed.
- 12.1.3 The employee's personnel file shall be open for inspection by that employee, accompanied by another person of the employee's own choosing, if desired, to allow the opportunity to review evaluations and other records regarding his/her employment with the District. The employee has the right to add information in explanation of materials in the file.
- 12.1.4 An employee who feels the confidentiality of information contained in his/her personnel file has been violated and is prepared to present evidence and/or testimony substantiating such an allegation, may seek redress through the Superintendent or may pursue the matter formally through the grievance procedure.
- 12.1.5 A separate file for processed grievances shall be kept apart from the employee's personnel file. No reports on grievances shall be added to the employee's personnel file.
- 12.1.6 Upon request, a copy of the individual documents contained in either the official and/or working Human Resources files shall be afforded the employee at the District's expense. Requests for multiple copies or requests for complete copies of the entire file shall be paid for by the employee.

12.1.7 In the case of an upcoming hearing or other formal action, the employee is entitled to review this file and, upon request, receive a signed inventory sheet of his/her official file.

12.1.8 An incident that may form the basis for any written reprimand, warning, disciplinary action, or adverse effects can be documented in the personnel file no later than thirty (30) work days after the results of the investigation are shared with the employee, except in cases of illegal action or employee fraud, which shall be documented within one (1) year from the date the District knew of its occurrence or demonstrably should have known. Any such material placed in the official file cannot be referred to in any subsequent disciplinary action occurring after three (3) years of the date this material is placed in the file. Such material shall, upon request, be withdrawn from his/her file after a three (3) year period, provided it is not part of a formalized continuing action.

12.2 Evaluations

12.2.1 Employees will be evaluated in writing annually prior to the end of the employee's work year. No employee shall be required to sign a blank or incomplete evaluation form.

12.2.2 Employees will have the opportunity to write comments of their choosing regarding the evaluation. Such comments will be placed in the Human Resources file.

12.2.3 The current evaluation document is included in this agreement in Appendix E. Some employees are piloting a new evaluation tool during the 2017-18 school year.

12.3 Non-Discrimination

There will be no discrimination with respect to employment of any person because of such person's age (over 40), sex, race, creed, color, national origin, sexual orientation, including gender identity, marital status, domicile, honorably discharged veteran or military status, political activity (or lack thereof), or the presence of any sensory, mental or physical disability or the use of a trained dog guide or service animal by person with a disability, unless based upon a bona fide occupation qualification, provided that the prohibition against discrimination because of such disability will not apply if the particular disability prevents the performance of the particular worker involved. Should the state or federal government add categories, they will be considered part of this Non-Discrimination Clause.

12.4 Administering Medication

No employee will be requested or required to dispense or administer medication unless in accordance with state law and after having received instruction/training from the appropriate personnel. Training time will be paid at the employee's regular hourly rate of pay or at the overtime rate if applicable. Employees will not be requested or required to perform other specialized medical procedures without having received prior appropriate training or without having the necessary certification or license to perform the procedure. No employee hired prior to September 1, 1993 will be required to receive instruction/training in medically invasive procedures. Employees may be hired specifically to perform said medical procedures.

12.5 Student Discipline

The District shall ensure that adequate and appropriate administrative support exists to deal with student discipline.

12.6 Employee Protection

The District shall provide, on a fully paid basis, liability insurance for each employee in case of a lawsuit arising from or in the performance of his/her duties. The District shall hold harmless and defend each employee who is employed by the District from claims for damages caused or alleged to have been caused in whole or in part by that employee while performing his/her duties as an employee in the District under the provisions of the District's liability policy, provided that the District shall not be obligated to assume any costs or judgments held against the employee when such damages are proved to be due to the employee's willful negligence, violation of law or criminal act as determined by a court of law.

12.7 The District or its insurer shall reimburse any employee for any certified loss of or damage to personal property necessarily used in the performance of job duties, subject to the following limitations:

12.7.1 The employee must file with the Business Office a notice of loss within ten (10) business days and a claim for reimbursement within thirty (30) business days after the loss or damage.

12.7.2 The employee must file a District security report and a report with the appropriate police department within three (3) business days following the incident.

12.7.3 The employee must exhaust his/her own insurance possibilities before being eligible for reimbursement under this section.

12.7.4 Reimbursement shall be up to a limit of \$500.00.

12.7.5 There shall be no reimbursement for loss of cash.

12.8 The District shall provide employees with insurance protection while engaged in the maintenance of order and discipline and the protection of school personnel and students and the property thereof. Such insurance protection must include liability insurance covering injury to persons and property, and insurance protecting those employees from loss or damage of their personal property incurred acting in their capacity as an employee of the District. The limit of liability provided under this policy for employees' personal property is \$500 per employee for each claim.

12.9 The District shall provide insurance coverage for any employee who discovers, in the course of his/her assignment, alleged child abuse. Reporting of such alleged abuse will follow established building/program procedures.

12.10 An employee may, using his/her best judgment, use such force as is necessary to protect himself/herself, another employee, or a student from attack, physical abuse or injury, provided that, the District's insurer and/or the District shall not be obligated to assume any costs or judgments held against the employee when such damages are proved to be due to the employee's willful negligence or criminal act as determined by a court of law.

12.11 Classification and Reclassification

The District and Association agree to establish a Joint Classification Committee that supports a clear, transparent process for addressing reclassification requests. The purpose of the committee is to ensure that representatives of the District and the Association participate in the reclassification process and develop a shared understanding of the complexity of the process.

Currently the District uses the Kinney model to review classifications in RPTA. The parties agree to discuss any proposed changes to the model.

When an employee requests review of his/her position for potential reclassification, the Joint Classification Committee will schedule a meeting to review the request. Requests shall be made in writing using the documents provided by the committee.

12.11.1 For the purpose of this Contract, "Classification" refers to the vertical arrangement of employee categories (Classes) based on the duties, responsibilities, skills and proficiencies for each position.

12.11.2 The purpose of these "Classes" is to provide reasonable wage differentials between employee categories based on assigned duties, responsibilities, skills and proficiencies.

12.11.3 Employees may apply for reclassification once in each twelve (12) month period or more often if job responsibilities are substantially altered. Any

employee, at his/her option, may have an Association representative present at a reclassification review.

12.11.4 At the request of the Association President, the District will provide annual in-service to employees regarding the classification system used by the District.

12.11.5 Classification and reclassification will be a regular topic at labor management meetings.

12.12 Harassment, Intimidation, and Bullying Prevention

The Association and the District will not tolerate harassment, intimidation, and bullying, and will take corrective action if such behavior occurs. Corrective action will include an informal and formal process, as outlined in the district policy. Should an employee feel that they are experiencing harassment, intimidation, and bullying and need assistance with which process to follow, he/she should contact the Executive Director of Human Resources or the Association President . The District will include anti-harassment training as part of each new employee's orientation and will educate all staff members about harassment, intimidation, and bullying at least once every three (3) years in accordance with state requirements.

**ARTICLE XIII
ASSOCIATION RIGHTS**

13.1 The Association shall be provided with bulletin boards and electronic access to bulletin boards or sections thereof, for the purpose of posting Association materials at each work site at which employees covered by this Agreement are employed. The Association shall also have the right to use work site mailboxes of employees covered by this Agreement to distribute Association materials, provided the handling at building levels of all such mail shall: (1) be by Association representatives; (2) be of no additional cost to the District; (3) be handled in a routine manner. A copy of each such "bulk mailing" shall be placed on the Administration Center bulletin board.

13.2 District Facilities and Building Access

The Association Representatives shall have access to the District premises during business hours, provided that no conferences or meetings between employees and Association representatives will hamper or obstruct the normal flow of work. The District agrees to allow the Association access to District buildings for Association meetings to transact Association business, provided such use does not interfere with previously scheduled building activities and is done in compliance with procedures regulating use of District facilities. The Association shall have the right to use District audio-visual equipment normally available for checkout at no cost to the Association.

13.3 The Association shall be notified promptly of any grievances concerning any employee covered by this Agreement in accordance with the grievance provisions of Article X of this Agreement. A representative of the Association shall be afforded the time to investigate grievances during regular working hours without loss of pay or benefits, as long as the work in the department, office, or building is not unduly disturbed. Association representatives shall notify their immediate supervisors when leaving work and returning to work.

13.4 Exchange of Information

13.4.1 The District shall, upon request, furnish to the Association, for the purpose of carrying out its responsibility of representing employees, documents of a public nature as provided by law.

13.4.2 The District agrees to furnish the Association with information which may be necessary for the Association to process grievance(s) on behalf of employee(s).

13.4.3 The Association and District agree that both requests for information and compliance therewith will be made in a timely manner.

13.4.4 The Association shall furnish to the District, prior to October 1, the names of its elected officers.

- 13.4.5 The District will provide to the Association President normal monthly reports of change in employment status of employees covered under this Agreement; i.e., new hires, transfers, promotions, demotions, terminations, etc. The District will provide a list of bargaining unit members that shall include each employee's seniority date.
- 13.4.6 The Association President will be notified when a reclassification request has been received. The district shall notify the Association regarding the outcome of all requests.

13.5 Dues, Deductions and Representation Fees

- 13.5.1 Each employee subject to this Agreement, who on the effective date of this Agreement, is a member of the Association in good standing shall, as a condition of employment, maintain membership in the Association in good standing during the period of this Agreement.
- 13.5.2 All employees subject to this Agreement who are not members of the Association on the effective date of this Agreement, and all employees who are hired at a time subsequent to the effective date of this Agreement, shall, as a condition of employment, become members in good standing of the Association within thirty (30) days of the effective date of this Agreement or within thirty (30) days of the hire date, whichever is applicable. Such employee shall then maintain membership in the Association in good standing during the period of this Agreement.
- 13.5.3 The parties recognize that an employee should have the option of declining to participate as a member in the Association yet contribute financially to the activities of the Association in representing such employee as a member of the collective bargaining unit. Therefore, as an alternative to, and in lieu of the membership requirements of the previous sections of this Article, an employee who declines membership in the Association shall, as a condition of employment, pay to the Association each month a service charge as a contribution towards the administration of this Agreement in an amount to be determined by the Association, but no greater than regular monthly dues. This service charge shall be collected by the Association in the same manner as monthly dues, upon written request from the Association.
- 13.5.4 No employee will be terminated by the District for non-payment of the regular monthly dues unless the Association first has notified the employee by letter explaining that the employee is delinquent in formally authorizing the District to make continuous monthly payroll deduction for either dues or a representation fee, and warning him/her that unless such authorization is tendered within thirty (30) calendar days he/she will be reported to the Office of the Superintendent for termination. The Association will furnish the Office

of the Superintendent with a copy of the letter sent to the employee and notice that the employee has not complied with the request for authorization. Such notices shall be sent to the employee and the employer at the same time.

- 13.5.5 Nothing contained in this Agreement shall require Association membership of employees who object to such membership based on bona fide religious tenets or teachings of a church or religious body of which such employee is a member. Such employee shall, as a condition of employment, pay an amount equivalent to normal dues to a non-religious charity or other charitable organization mutually agreed upon by the employee and the Association. The employee shall furnish written proof that such payment is made. If the employee and the Association cannot agree on such a matter, it shall be resolved by the Public Employment Relations Commission pursuant to RCW 41.56.122.
- 13.5.6 The District shall deduct dues from the pay of any employee who authorizes such deductions in writing pursuant to RCW 41.56.110 and service charges pursuant to this Article. The District shall transmit all such funds deducted to the Treasurer of the Washington Education Association on a monthly basis.
- 13.5.7 The Association shall indemnify the District against any liability that may arise out of, or by reason of, action taken by the District for the purpose of complying with this article.
- 13.5.8 The District will inform new employees of the terms and conditions of Section 13.5.

ARTICLE XIV
NO STRIKE PLEDGE

The Association and the District recognize and agree that strikes are not conducive to harmonious working relations and may be disruptive to the educational process and should not occur. The Association and the District subscribe to the principle that differences shall be resolved by peaceful and appropriate means without interruption of the District operations. The Association, therefore, agrees that there shall be no strikes or other concerted refusal to work, nor any instigation thereof, by the employees for the duration of this Contract. The Association further agrees not to honor, or to encourage employees in the bargaining unit to honor any strikes, picket lines, or other concerted work stoppages that may be established by any other District employee organization. The District agrees that, for the duration of this Contract, there shall be no employee lockout.

ARTICLE XV
TERM AND SEPARABILITY OF PROVISIONS

15.1 Term of Agreement

The term of this Agreement shall be September 1, 2017 to August 31, 2019.

15.2 Applicability of Provisions

All provisions of this Agreement shall be applicable to the entire term of this Agreement notwithstanding its execution date, except as provided in the following section.

15.3 Conformity to Law

This contract shall be governed and construed according to the Constitution and Laws of the United States and the State of Washington. If any provision of the contract or any application of it to any employee or group of employees is determined to be contrary to law, such provisions or applications shall have effect only to the extent permitted by law, and all other provisions and applications shall continue in full force and effect.

In the event a provision is determined to be contrary to law, such provision shall be bargained. The parties will enter negotiations for the purpose of attempting to arrive at a mutually satisfactory replacement of such provision(s).

15.4 Separability

If any provision of this Agreement or the application of any such provision is held invalid, the remainder of this Agreement shall not be affected. Such provision shall be subject to negotiation pursuant to a written request by either party.

15.5 Either party may reopen the contract for compensation in the event:

15.5.1 The State or Federal Government appropriates or decreases funds for wages, benefits, working conditions, or significantly changes funding.

15.5.2 The State or Federal Government authorizes additional or decreases local levy authority specifically for the purpose of granting increased or decreased compensation, benefits and/or supplemental benefits.

15.5.3 Classified staff salary allocations significantly change under HB 2242, or subsequent legislation.

ARTICLE XVI
SAFETY/SECURITY PERSONNEL

16.1 Work Day and Work Week

Security personnel may be assigned to work eight (8) hours per day, inclusive of the lunch period, and shall be scheduled to work five (5) consecutive days per week. Security personnel hired prior to September 1, 1993 shall receive a shift differential of one dollar (\$1.00) per hour for work on Saturday or Sunday if the work week is changed to include Saturday or Sunday.

16.2 Standby or On-Call Status

Any Security personnel who are required by the District to remain on standby shall be prorated at the employee's regular hourly rate, and shall be paid at one sixth (1/6th) of an hour for each hour on standby. Any employee required to remain on standby shall be paid a minimum of one (1) hour at his/her regular rate of pay.

16.3 Outside Contractor Exception

The Association recognizes the right of the District to utilize outside contractors to perform security work during conditions requiring additional personnel such as widespread damage, public disorder, large demonstrations or gatherings, extended leave, or a sudden reduction in available security personnel. Such utilization of outside contractors shall be limited to three (3) months per incident. The Association will be notified within two (2) weeks when the District utilizes outside contractors.

16.4 Building Safety/Security Professional Development

Building safety/security personnel working the school year calendar shall be provided with at least two (2) additional days outside of the 180-day student calendar to participate in District-offered professional development sessions. The specific dates and topics will be determined in collaboration with the security managers, the Association, and building and central security staff.

16.5 Safety/Security Personnel Attire

Schools and school-related events are complex environments. Ensuring that District and school Safety/Security personnel are easily recognizable to law enforcement, community members, and district staff is essential to ensuring optimal effectiveness both in safety and security prevention and in emergency situations. At the same time, being easily recognizable creates its own set of complications so either party may open negotiations on this section if deemed necessary.

16.5.1 For as long as District and school Safety/Security personnel are required to wear District-approved common work attire, the District will minimally

provide the following articles of clothing, and adjustments may be made to comply with Article 12.3 Non-Discrimination:

Regarding Training Stipends**

In the 2000-2001 negotiations, the Renton School District and the Renton Professional Technical Association agreed to end the RSD training stipend program as of August 31, 2001. Employees who earned RSD training stipends by August 31, 2001 will continue to receive the stipend under the terms of Section 3.6 of the 2000-2001 Contract (see following pages). The parties intend that these stipends shall be “grandfathered” and continued for the duration of the employee’s employment, unless otherwise negotiated.

Effective September 2, 2001, a new training program set forth in Section 3.6 of the 2001-2002 Contract shall replace the 2000-2001 RSD training stipend program.

Any training hours or degrees earned that were not compensated under the 2000-2001 RSD certificate stipend program shall be eligible for compensation under the 2001-2002 training stipend program under the criteria as set forth in Section 3.6 of the 2001-2002 contract.

3.6 Stipends

- 3.6.1 For 2000-2001, the District shall recognize and acknowledge approved training through a Renton School District stipend program. Such stipends, when awarded, will continue to be paid on an annual basis. Employees who earn and submit verification from approved training programs will be paid an annual RSD stipend under the procedures noted herein. Such payment will begin the year following the year in which certificate submission is made to the Personnel Department. Actual documentation and verification must be received by the Personnel department no later than August 10 of one contract year for payment beginning in September of the following contract year.
- 3.6.2 For 2000-2001, Renton School District stipend of one hundred dollars (\$100) may be earned by any annual employee or less than annual employee. Three (3) college credits or thirty (30) hours earned in an approved training program qualify for one (1) RSD certificate stipend of one hundred dollars (\$100).
- 3.6.3 Employees are individually responsible for obtaining and keeping course or training documentation and submitting such documentation to the Personnel Department when such hours have been completed. Notification and application must be timely as noted herein, in order to receive timely payment. Credit and payment will not be given for duplicate training or training not relevant to the individual employee's specific responsibilities or individual professional growth, unless special circumstances result in District authorization for such training. Note: Hours of Renton School District training for District-wide fiscal/personnel and student data base information systems and First Aid/CPR receive during regularly scheduled work hours or for which the employee is paid are specifically excluded from the stipend program.
- 3.6.4 One RSD certificate stipend of one hundred dollars (\$100) will be paid annually to each qualifying employee who has earned and submits transcript verification of any one of the following:
- 3.6.4.1 Vocational program completion of an approved State program of at least 900 clock hours or 90 credits; or
 - 3.6.4.2 An Associate degree from an accredited technical or community college; or
 - 3.6.4.3 A Bachelor's degree from an accredited college or university.
- One additional certificate stipend of one hundred dollars (\$100) will be paid annually in recognition of a Master's degree.

- 3.6.5 Through August 31, 2001, employees will be paid for a maximum of seven (7) RSD certificate stipends. Should there not be a successful passage of a Maintenance and Operations levy, or should the District's levy capacity fall below 24.93 percent, the District may elect to reduce the number of certificates for which it will pay stipend to six (6).
- 3.6.6 Employees who have earned certificates prior to August 31, 2001 shall continue to receive annual payment for said certificates. Employees earning training hour stipends subsequent to August 31, 2001 shall be subject to the Memorandum of Understanding dated January 10, 2001.
