

Kindergarten Unit 2-Shapes, Addition and Subtraction

In this unit students will:

- Understand addition as putting together and adding to
- Sort based on their properties.
- Count to tell number of objects
- Will learn properties of triangles, circles, rectangles, and square
- Add and subtract numbers up to 10

Ideas for Home:

- Have your child practice:

- Rote counting 0-10
- write numbers 0-10
- count objects to 10
- adding and subtracting to 10

-Have your child identify shapes:

- triangle
- circle
- rectangle
- square

Please note: The activities above are not homework. They are suggestions for supporting learning at home. Please consult with your child's teacher for homework and specific suggestions related to your child's needs.
