

Second Grade Unit 2- Fact Strategies

In this unit students will:

- Understand 3-digit place value.
- Represent whole numbers as hundreds, tens, and ones.
- Add multi-digit numbers using models or strategies.
- Solve problems involving coins and bills.
- Use addition and subtraction to solve 1-step number stories.
- Add and subtract within 20 fluently.
- Know all math addition and subtraction facts 0-9.
- Determine whether the number of objects in a group is odd or even.

Ideas for Home:

- Addition and subtraction practice with numbers within 20.
- Count money using various coin combinations.
- Identify even and odd numbers to 20
- Using index cards, make math fluency facts 0-9. Ex. $0+1$, $0+2$, $0+2$ etc.

Please note: The activities above are not homework. They are suggestions for supporting learning at home. Please consult with your child's teacher for homework and specific suggestions related to your child's needs.
