

Get Ready! Study Smarter!

Our course goals:

To increase student confidence by exploring each area of the ACT Test.

To alleviate test anxiety through familiarity with the ACT format and content.

To review all levels of Mathematics covered on the ACT: Pre-Algebra, Elementary Algebra, Intermediate Algebra, Plane Geometry, Coordinate Geometry & Trigonometry

To give guided practice and practical strategies for approaching any question with confidence.

To provide a full-length practice test experience and to understand how the test is scored.

Class size is limited and will be filled on a first-come basis, so...

Sign up today!

Location:

Eagan High School
4185 Braddock Trail
Eagan, MN 55123

Fee: \$175

(checks payable to EHS)
Fee includes ACT's workbook
AND practice test

Please Note: Registering for the EHS Prep Course does not sign you up for the actual ACT Exam. You will need to register for the actual exam directly with ACT.

Turn in your registration and payment to the EHS Counseling Office by the course deadline.
