 **CPOMS** COBIS would like to thank [CPOMS](#) for sponsoring the Student Achievement Awards 2019.

CPOMS is a system for monitoring child protection, safeguarding, SEND and a range of pastoral and welfare issues. Staff are given appropriate levels of access to match their level of involvement with the relevant concerns. Using CPOMS, schools can ensure that students are safe and fully supported, whilst safeguarding leads and school staff can focus on teaching and providing support, instead of administration.
