

Community Service Club Mission Statement

At the French-American School of New York, we recognize the valuable contributions volunteers make in our communities. We also recognize the commitment to helping others and making new connections that bring us closer together as families, as neighbors, and as a community. In this club, students meet on a regular basis to coordinate community service events organized by the school. They update the school's community service board, post announcements, and present upcoming events at school-wide assemblies. Participants take a leadership role in identifying and promoting community service activities such as the FASNY Soup Kitchen, Children Writing for Children, and Midnight Run. We encourage all students to participate in this club.
