

CLUB KIDS PROGRAM

WELCOME

School Age Child Care

The Club Kids Before and After School program is a cooperative effort between the Roselle Park District, School District #12, School District #20, and School District #11, conducted at Spring Hills, Waterbury, and Medinah Primary Schools for the entire 2019-2020 school year.

The Club Kids Program provides a fun, structured, and safe environment for kids before and after school. Club Kids is designed to help promote and engage children in a mix of fitness, socialization, and most of all, fun while being supervised by caring child care staff during before and after school hours. The program includes a variety of group and individual activities including:

- homework time
- cards and board games
- arts, crafts, and projects
- outdoor play
- cooperative activities
- sport-related games

The before school program operates daily from 6:30 am until the start of school and the after-school program operates daily from the end of school until 6:00 pm. For those enrolled in the after-school program, early release and half days are included, and no separate registration is required. However, a sack lunch is needed on half days.

2019-2020 Club Kids Registration (DC)

Registration for Club Kids begins on Monday, July 8.

1. Go to: app.campdoc.com/register/roselleparks to complete the online portion of registration. If your child is already in the system due to previous District programs (i.e. Summer Camp, previous Club Kids), you still need to access CampDoc and register for 2019-2020 Club Kids. This will transfer your child's information over and you can review, update, and submit information as needed.
2. Once completed, you will receive an email confirmation. Bring email confirmation to the CRC Front Desk and you can purchase punch cards and/or register for payment plan.

Initial payment to the program, which completes registration, must be completed in person at the Front Desk.

Enrollment for the 2019-2020

School Year (pay in full or payment plan)

Two payment options for school year enrollment:

1. Pay in full for the program at time of registration.
2. Complete the automatic debit plan paperwork which authorizes the Roselle Park District to debit the monthly payment from your credit card on the 15th of each month, September-April (there is no payment due in May). A \$5 processing fee will be charged per month. At the time of registration, the first month's payment (cost dependent on type of care) will be due. Any declined payments must be paid by the last day of the month. Failure to complete your payment will result in your child's removal from the program.

Due to the onerous changes in DHS regulations the Roselle Park District will regrettably be unable to accept DHS reimbursements for our child care programs.

Frequently Asked Questions?

What is the best payment option for my childcare needs?

Depending on your schedule and needs you choose between punch cards or a payment plan. Payment plans are offered for three, four, and five days a week. Payment plans are best for consistent care with a regular schedule when attendance to the program will be three or more days a week. The punch card options are better for a varying schedule that may be infrequent, or change based on needs.

When can my child start once he/she is registered?

Once your child's CampDoc is completed and/or updated, and you have made your initial registration and payment to Club Kids at the District, your child can start as soon as the next day.

Who do I need to tell when my child is attending or if they will be absent?

For AM care, you do not need to inform staff, you can drop-off at the program. For PM care, you should always inform school staff (school office and teacher,) if your child's schedule is changing.

Who runs the program at the school?

The Club Kids program is staffed with Roselle Park District employees. All Club Kids staff received program and childcare training which includes First Aid and CPR. All programs are staffed at a 1:10 ratio.

Where do I drop-off/pick-up my child?

Drop-off and pick-up are different at each school.

Waterbury: Use the double doors in the middle of the playground, door 3, knock to gain access.

Spring Hills: Use the right-side doors, ring doorbell labeled Club Kids to gain access.

Medinah Primary: Use the main doors, call the number posted on the Club Kids sign to gain access.

PUNCH CARDS

Punch cards are for those who will not attend Before or After Care regularly, (recommend for care less than three days a week) but would like to attend Club Kids on a flexible and as needed basis.

Punch cards roll over month to month and expire at the end of the school year in May/June. If a punch card is not purchased prior to running out of punches, a daily fee will be assessed for each day attended without an updated and purchased card. Punches/visits are tracked by Club Kids staff, and parents can access attendance information online, and are encouraged to track themselves as well. Any and all unused punches are non-refundable.
