

Name: Lindsay

I wadid & wadid & finally the
 talaphon that is for when
 someone aas here to visit riing
 bass-s-s-s mummy anserd.
 she said "sand them riet up!" I omost
 jump out of my skin Caus that
 mant Annabel was here herae!!!
 I ran to the door...

I opind it $\neq$ wadid a little. Then
 I staredid to tell the elaveter to
 hare up. Then^I hered talking and
 the sond of the elavater bep-p-p-p
 "hillo^{I said} hillo said Annabel"
 and we both haag echother.

The witting was over. I
was happy. I knew
it will be fun.
