Dear Parents,

There is an annual \$40.00 Early Childhood Department fee for each child enrolled in our preschool program. This fee will be used to cover the costs for processing the application and registration, data entry, on-going student accounting, and other non-instructional processing.

The fee is being assessed to children who are paying tuition to attend preschool. All other regular and special education services for children with IEP's will continue to be at no cost to families.

Fees may be paid using the attached form and either mailing or bringing the payment to:
