JUNIOR HIGH

Welcome to Junior High	Page 16
----------------------------------	---------

To register, simply go to www.sfcss.org and click on the Summer Activities for Youth icon or go to www.MySchoolBucks.com and sign-in or create a new account to register for the program(s) of your choice.

Summer programs that strengthen our mission and keep students engaged and learning all summer long. Classes are offered at a variety of schools, however, all students are welcome at each location.

Achievement Academy Registration Deadline: **APRIL 5, 2019**

Courses are offered on a first-come, first-served basis. Courses may be cancelled due to insufficient enrollment.

For more information please contact: **Amy Isaacson, Achievement Academy Director**
phone: **605-271-0133** • email: **aisaacson@sfcss.org**

Preschool Class

Entering Preschool

All preschool classes provide a wide variety of developmentally appropriate structured activities based around a theme. Skills worked on during this week of camp include social skills, gross and fine motor skills, readiness skills, music, language and art. Let your preschooler join in on the fun!

Christ the King:	Jul 29-Aug 1	8:30-11:30 am
Buggy about School!	M-Th	Instr: J. Wrigg

Under the Sea	M-Th	Instr: J. Bosseler

Cost: \$125

Kindergarten Readiness

Entering Grade: Kindergarten

This week is an opportunity to help prepare students who will be entering the world of Kindergarten. During this week, students will participate in a wide variety of structured activities to help your child be successful in Kindergarten. Your child will spend time exploring and learning through a variety of science, math, reading and writing activities. These activities will not only help strengthen their readiness skills but also provide opportunities to improve their social and communication skills important to Kindergarten success.

STEM CLASSES

Camp Invention

Entering Grades: K-6th

Camp Invention is a nationally recognized, non-profit summer enrichment program for Kindergartners through 6th graders that is inspired by the brightest thinkers around - the Inductees of the National Inventors Hall of Fame. Children are empowered to have big ideas while they take on challenges that inspire them to question, brainstorm, collaborate with teammates, and build amazing invention prototypes. Supercharge their world with our all-new 2019 Camp Invention® program! Campers will explore fun, hands-on activities that encourage confidence, creative problem solving, entrepreneurship and collaboration. By the end of the program, children will become their own innovation superhero! The Supercharged™ program includes many adventurous modules.

ENGINEERING ADVENTURES

Lift Off!

Entering Grades: 4th-6th

NASA uses a car-robot called a rover to drive and do tests on planets far away. In order to get them there, they must fly on a rocket. In this week, we will build rockets and rovers to look at different planets and moons in our solar system!

OGHS Room K-206

Cost: \$75

Shake Things Up!

Entering Grades: 4th-6th

Earthquakes are something that happen on Earth all the time. In 2010, a country called Haiti had a huge earthquake which destroyed many buildings. In this week, we'll look at how to support and protect the buildings. We will build models that are earthquake resistant and give guidelines to help others build things that won't be destroyed by earthquakes!

Tutors available include: Jennifer Wrigg, Jacki Prostrullo, Lauren Hammer, Pat Lein, Amy Wells, Jennifer Sandman, Jennifer Mieras, Tara Boehler, Amy Isaacson, Karla Erickson, Michelle Estes, Rhonda Young

Study Strategies**Entering Grades: 4th-6th**

Students will use the strategies outlined in this program to enhance and promote strategies for study success. The three components that will be emphasized are: **Highlighting:** This helps students build reading comprehension and active reading skills by identifying three important elements while reading: the topic, main idea, and important details. **Summarizing:** This series is designed to develop reading comprehension, attention to detail and listening skills. The exercises teach the students how to summarize text and edit these summaries for missing information. **Note-taking:** In this series, students develop skills for in-class and independent note-taking.

ACADEMICS *cont.***Visualizing and Verbalizing****Entering Grades: 2nd-6th**

The Visualizing and Verbalizing for Language Comprehension and Thinking® (V/V®) program, created by Nancy Bell, helps struggling readers develop the sensory-cognitive function of concept imagery. Unlike most reading and comprehension programs, V/V instruction directly applies concept imagery to the comprehension and expression of both oral and written language, as well as the development of critical thinking skills. Students in the V/V program move through a series of steps to learn the process for creating an imaged gestalt, then integrating that imagery with language to strengthen their comprehension and critical thinking. Developing concept imagery is necessary to becoming an independent reader, which is necessary to becoming a proficient learner in any subject. The process based instruction provided by the V/V program has proven successful for individuals exhibiting symptoms of hyperlexia, ADHD, ASD, CAPD and other learning difficulties. This class is limited to 4 students.

This option is designed to improve and strengthen each child's skills in reading, writing and arithmetic. This program will individually evaluate reading and math abilities of each student and design a program specifically to each child's skills. A variety of tools may be used including: Sunday I & II, LiPS, The Phonics Program, Rite Flight Reading Fluency, Sound Reading Solutions, Earobics and HearBuilders. Orton-Gillingham strategies utilized in this program are proven to be effective with students with Dyslexia. Strategies for Study Success will be incorporated into the lessons along with FASTT Math (Fluency and Automaticity through Systematic Teaching and Technology). Other strategies will include sequencing activities and following directions to increase memory. Each class will be held for 2 ½ hour sessions, three days per week for four consecutive weeks. Student-teacher ratio 4:1.

SPORTS CAMPS

2019 summer sport camps at O’Gorman are open to the community.

Simply go to www.sfcss.org and click on the summer camps icon or go to www.MySchoolBucks.com and sign-in or create a new account to register for the camp(s) of your choice.

BASKETBALL

Boys Basketball Camps

The O’Gorman Boys’ Basketball Camp is more than a typical “school basketball camp”! At Sioux Falls O’Gorman we believe we are providing the best opportunity for young kids to improve their basketball skills. We have four sessions open to grades 3-12. These sessions typically run daily for 1 to 2 hours. Each session is jam packed with quality teaching of all basketball fundamentals. The camp features daily prizes and often “veteran” athletes to help teach all the phases of the game. It is a fantastic way to meet friends, get to know the coaches, and just have a lot of fun playing basketball and learning new skills. I cannot think of a better way to spend your summer! What a great opportunity! As coaches we are certainly looking forward to this coming summer!

May 28-31 (T-F)

Grade 3-4:	11:45 am – 12:45 pm	\$60
Grade 5-6:	9:45 – 11:30 am	\$70
Grade 7-8:	8:00 – 9:45 am	\$70
Grade 9-12:	1:00 – 3:00 pm	\$70

(Open to younger players also with Coach’s permission.)

Boys Basketball Specialty Camps

All players are encourage to attend both sessions. Advanced skill work incorporated at all age groups. Important to attend both sessions to help yourself develop into a versatile basketball player. A must attend for all basketball players that want to elevate their game!

Girls Basketball League

Looking for another great opportunity to keep playing basketball this summer? This 8 game league will provide the perfect solution. Players will sign up as "individuals" and be placed on teams by the O'G coaching staff. (This will be done on the first night.) After the first night of team selections and instruction players will come to the gym only on their specific game time. Players will have two games each night. The games will be played in the evening hours to allow parents an opportunity to enjoy watching their son/daughter play. This league is open to all kids in and out of the O'G school district. The current O'G varsity kids will be present to help in the coaching and officiating.

Grade: 4-8 • \$65

League Schedule: All times subject to change depending on numbers.

Jun 17 – 6:30-7:30 pm (Intro/Team selection night)

Jun 24, Jul 1, 8 (2 games – 5:30 pm)

Jul 15 (Tournament/Championship Night)

SOCCER

Boys Soccer Camps

The O’Gorman soccer camp is for all soccer player’s grades 3rd -12th. The players will focus on individual technical skills, as well as small sided games for skill development. Players will be grouped with players of similar ability and ages, and will be introduced to a variety of activities to develop and improve individual soccer skills. The camp will also provide playing opportunities in bigger size games to allow for the development of tactical awareness. Each player will receive a camp t-shirt at the beginning of the week.

PERFORMING ARTS CAMPS

ORCHESTRA

SFCS Intermediate Orchestra Camp

Grades: 6th-8th

Intermediate Orchestra Camp is a unique experience for students who are entering grades 6th-8th to grow musically. Students will receive both individual and group instruction on the violin, viola, cello or bass and will have the opportunity to perform at the end of the week. They will also be introduced to advanced techniques and ensemble skills. This is an excellent chance for students to interact musically and socially with students from other schools, as well as to get a jump start on the school year. Students will provide their own instruments.

Jul 22-26 (M-F)

O'Gorman Jr. High - Music Room

Grade 6-8:

9:00 am-12:00 pm

Instr: Kortney Temple/Jessica Perkins

Cost: \$85

SFCS Beginning Orchestra Camp

Grades: 4th-5th

Beginning Orchestra Camp is designed to give students who are entering grades 4th-5th a jump start on the school year. Beginning students will be introduced to basic concepts of string playing and get a head start on Orchestra. Students with playing experience will refine old skills and learn new techniques. Students will receive both individual and group instruction on the violin, viola, cello or bass and will have the opportunity to perform at the end of the week. Whether a student is a beginner or has string playing experience, this is a great way to boost success during the school year. Students will provide their own instruments.

Jul 22-26 (M-F)

O'Gorman Jr. High - Music Room

Grade 4-5:

1:00-4:00 pm

Instr: Kortney Temple/Jessica Perkins

Cost: \$85

SFCS Beginning Band Camp

Grade: 5th

The SFCS Beginning Band Camp is open to all SFCS students entering the fifth grade. The camp offers beginning band students the opportunity to receive specialized instruction on their instrument that will help them excel in their school band program. Throughout the week of the camp students will receive instruction in the following areas:

- Assembly, care and maintenance of the instrument
- Specialized, small group instruction with like instruments
- Music theory
- Large group or “full band” performance

Jul 29-Aug 2 (M-F)

O’Gorman Jr. High Band Room

Grade 5:

8:30-11:00 am

Cost: \$85

Camp concludes with a performance on Friday morning at 10:30 am

THEATRE/DRAMA

Center Stage Drama Camp

Grades: 1st-6th

During the camp the kids will:

- Gain appreciation for all aspects of theatre
- Learn improvisation and pantomime skills
- Prepare a choreographed musical number
- Create a show to perform on Thursday
- Play theatre games and practice show

Jun 3-6 (M-Th)

Grade 1-6:

M-W: 1:00-4:00 pm and Th: 1:00-6:00 pm

Cost: \$100

Camp performance will be held at 5:30 pm on Thursday

T-Shirt, pizza dinner and snacks are included!

WELCOME TO JUNIOR HIGH

Welcome to Junior High

Grade: 7 or new to the Junior High

Meet new friends, practice your locker combination, walk through your class schedule, meet some of the staff and review some of the essential reading, math, language and study skills necessary for 7th grade! These are just a few of the things that will be part of this junior high readiness class in which indoor and outdoor games, activities and technology are utilized to assist students in getting acquainted with students from other schools and become more familiar with the O'Gorman Junior High building and routines.
