What's Happening in BHISD

Aim for Success: This will be held at the end of this week, with the parent meeting happening Thursday. This will be the original Aim for Success talk for 6th and 7th graders.

Project Pink: Chambers Health will have staff coming this Friday to present to the 9th grade girls.

Open Discussion and Questions

It was brought up that we need to look at vaping and smoking programs as this is becoming a problem among the high school population (boys first, then girls). We would also like to discuss suicide prevention. Jessica Watkins also mentioned some Community Building Projects being discussed on behavioral health.
