

Guidelines for Applying for ACT

*Students must register for an upcoming test first.

ACT paperwork to be submitted to Amy Mavrich:

-Request for Extended Time Form

-Copy of most recent IEP/504 Plan (***Electronic copies only***) All documents will be uploaded to ACT website.

-Any other documentation you may have. (Letters from the doctor, ER, RR, etc)

I *cannot* process applications without all of these components. Once I have received the completed paperwork, I will send the application. Please note that decisions can take up to 7 weeks, but decisions have been coming through in 2 weeks since the recent changes.

- Students still have to apply each time they want to take the ACTs.
