

Dear International Academy Family,

June 19, 2019

In order to fully complete the requirements of the IB Diploma, all students must complete a Group 4 Project. The Group 4 Project is a collaborative activity where students from different sciences work together on a specific, scientific topic - allowing for concepts and perceptions from across the disciplines to be shared. To complete this requirement, students will be traveling to the Camp Tamarack in Ortonville, MI. This overnight trip will take place from **Thursday, Sept. 19** through **Friday, Sept. 20**. The group will depart from IA East at 8:00am Thursday and arrive back at approximately 4:30pm on Friday afternoon. If your student does not drive to school, please be sure to arrange to have them picked up at that time.

- **The cost of this trip will be \$95 per student.**
- This cost includes round-trip Servicar bus transportation, 1 night stay at camp, snacks, lunch, dinner, breakfast and lunch meals at camp, and Group 4 T-shirt.

Please return this form and the attached transportation permission slip by **Thursday, August 29** to your student's science teacher. This can also be submitted to the office on August 13 during schedule pick-up.

Thank you for your support,

Patrick Griffin
