

Laundry Options at Marvelwood

At Marvelwood, students have two basic options for laundry:

1. Students may do laundry themselves.

Each dorm has state-of-the-art laundry machines in newly renovated laundry areas. These machines run on laundry cards that can be refilled via a card machine outside the Business Office, or [online](#). Students may wash and dry their laundry in the dorm machines for \$1.75 per wash and dry load. Resident faculty are always available for assistance, and there are detailed tips and instructions in each laundry room on how to wash and dry clothes.

We are excited to have this system in place as it gives students the freedom to practice taking care of their own laundry and managing it into their schedules as they grow in their independence.

2. Families can opt to send their child's laundry out to be washed and folded once a week.

Marvelwood continues to partner with *E&R-The Campus Laundry* for students wishing to utilize a laundry service. E&R offers three options: Just the Basics Plan - \$899, Look Sharp Plan - \$1149, and Premium Plan - \$1499. E&R Laundry will provide your student with a laundry bag which is picked up each Wednesday morning from their dorm common room. Laundry is washed, folded, and returned to the common room by Friday morning.

For this option, you can register [online](#) or by phone at 800-243-7789. Please note: prices are valid through September 1, 2019 and will increase following this date.

All students will be given a laundry card at registration. Student may opt to use the machines anytime during the school year, even if they have the laundry service. Please don't hesitate to contact me with any questions about student laundry and/or residential life in general at Marvelwood.

Thank you!
