

SUBJECT: CERTIFICATION AND QUALIFICATIONS

The following provisions will govern certification and qualifications of District personnel:

- a) In accordance with applicable statutes, Rules of the Board of Regents, and Commissioner's regulations, each employee whose employment requires certification or other licensure must inform the Superintendent immediately of any change in his or her certification or licensure status. The changes may include the granting, revocation, upgrading, expiration, conversion, and/or extension of documents as to their periods of validity or their titles.
- b) Commissioner's regulations extend the expiration dates for various certificate holders engaged in active military service for the period of active service and an additional 12 months from the end of the service. The regulations also reduce the professional development requirements for certification holders called to active duty for the time of active service.
- c) Online verification of an employment applicant's certification status will be used in lieu of printed certificates for current and potential employees. The District will also check the TEACH database to ensure that any Permanent or Professional certificates for new hires remain valid.
- d) It is the responsibility of the employee to ensure that he or she maintains the Appropriate certification and/or licensure required for his or her assignment.
