

**Westport Campus  
School Messenger Form  
2019-2020**

**SchoolMessenger** is a computer-automated program designed to send text messages to parents (as well as others they designate) via their mobile number(s) to be notified of weather related delays or closures, any emergencies, or other important events.

**Each person must opt-in** from their mobile phone to receive text messages. To participate, you will need to send a text message from the mobile numbers you indicated with a "Y" or "Yes" to our school's opt-in code. **We will email you this code in September.**

If you **DO NOT opt-in**, you will need to check the opening status of the school by visiting our website at [www.landmarkpreschool.org](http://www.landmarkpreschool.org).

All information provided to SchoolMessenger is confidential.
