Dear Resurrection Community,

I hope that you are enjoying your summer and finding time to relax and recharge. We have important information that we wish to share with you as we prepare to welcome you and your family to the 2019–2020 school year. Each new academic year brings the same mixture of ideals: hope in a fresh start, renewal of established commitments, and confidence in the possibility of the future.

In my twenty-plus years in Catholic education, from my days in high school to my current experience as a PhD and Principal, I have seen the transformative power of the Gospel in all aspects of life, especially when it takes hold in the community. Catholic schools are a community, and at Res, our focus is on the holistic development of the God-given talents of our young women. In a world that is often chaotic, broken, and seemingly directionless, our refuge is in Christ and in His presence among us in the various relationships that we experience. It is from that platform that we must operate.

Our Church teaches that, as parents, you are the first and primary teachers of your daughters. As your principal, I am honored and humbled that you entrust that education to us, and I assure you that the responsibility that comes with your trust is paramount in all of the decisions made by my office, administrators, and faculty. I eagerly look forward to working together to help our girls to be all that God has created them to be. I ask that you continue to hold our community in prayer as we undertake the collective vocation of Catholic education! I look forward to meeting each of you in the variety of ways available to us in the upcoming weeks and months.

If you have any questions regarding the submission of forms, please contact Ms. Mary Kaye Ulczak, Registrar at Mulczak@reshs.org. For questions related to summer reading or general academics, please contact Dr. Trina Vallone, Assistant Principal for Academic Affairs at TVallone@reshs.org. For all other questions, please contact the main office, 773-775-6616.

We look forward to our partnership in the education and formation of your daughter! Have a safe and joyful summer and we look forward to meeting you and your daughter in August.

In Charity and Truth, I remain yours,

Ville Pinena

Mr. Rick Piwowarski Principal

## Summer Reading

A required summer reading assignment for your daughter's English class is listed on our website. This number can be found on her schedule.

## **Emergency Forms**

Completed Emergency forms are due in the Records Office by Wednesday, July 31st.

## Fall Sports Tryouts

Fall tryouts begin **Wednesday**, **August 14**, **2019**, and pre-registration is required for tryouts. ## **School Supplies**

All students will need a **Texas Instrument model TI 84 Plus graphing calculator** for their math class. Additionally, when your daughter meets her teachers, they will let her know of any special materials needed for their classes. Students are free to purchase notebooks, markers, etc. of their choice. Student planners with the school calendar and space for writing homework assignments will be available for purchase outside the cafeteria beginning **August 19**.

#### Purchasing Books and eBooks

Follet is the official textbook provider for Resurrection. You can purchase new or used texts as well as rent selected titles. Some eBooks and digital platforms are also available. You may begin purchasing books online on July 9, 2019. It is very important that students begin the year with the texts and/or digital resources required for class.

#### Follett Virtual Backpack

We're excited to announce the Follett Virtual Backpack as the new home for your daughter's digital content for the 2019-2020 school year! The Virtual Backpack provides faster and easier access to eBook credentials for digital materials purchased from your school's online bookstore. **All Resurrection students are required to purchase the Virtual Backpack** (Note: A small digital fee will be applied per student, per school year upon the first purchase of digital content for the school year).

Regarding the book list, in some cases, when purchasing a digital license from Follet, you may find that a book is listed as "Optional" for purchase. This option is for families that would like their daughter to have a physical copy of the digital text in addition to the required digital platform.

Additional information can be obtained on the website <u>www.reshs.bkstr.com</u>. Book lists for each grade level are available in the office and on the school website. If you have a question about textbooks, please contact Dr. Trina Vallone at <u>TVallone@reshs.org</u>. If you have questions about the Follett Digital Backpack please contact Joe Lascon at <u>JLascon@reshs.org</u>.
