

Women's Suffrage Professional Learning Opportunities

The year 2020 marks:

- The 150th anniversary of women voting in Utah--the first to do so in the United States with unrestricted suffrage rights.
- The 100th anniversary of the 19th Amendment, which prohibited gender-based voting restrictions.

Involve your students in the celebrations of these anniversaries by learning and teaching about the national women's suffrage movement and Utah's unique and central role in this history.

Professional development trainings will provide:

- High-quality, interactive lessons and resources tied to the Utah Core with extensions and adaptations
- Primary-source documents and analysis tools
- Connections to Social Studies, English/Language Arts, and the Arts
- Ideas for inspiring students' civic engagement

To bring this training to your school or district in the 2019-2020 school year, please complete this form: <https://forms.gle/1gzRPZwKdTDcv9As7>
