

Vaccines Available at Registration!

Tuesday, August 6, 2019

10:00am – 1:30pm

York High School

355 W St Charles Rd, Elmhurst, IL, 60126

PLEASE CIRCLE WHICH VACCINE(S) YOU WOULD LIKE ADMINISTERED:

Menactra

Prevents Meningitis A, C, Y, and W, an infection of the fluid and lining around the brain and spinal cord.

Children should be vaccinated at age 11 or 12, with older teens getting a booster shot at age 16.

For students entering 12th grade, 2 doses are required per the Illinois Department of Public Health.

Trumenba

Protects against Meningitis B, a strain not covered by the Menactra vaccine.

Even if your child received vaccine protection against types A,C,Y, and W, they may still be unprotected against Meningitis B.

Preferred age is older teens, 16-18 yo.

Gardasil

Protects against human papillomavirus (HPV), a virus associated with genital warts and many cancers.

Two shot series, with the first dose at 11-12 yo and the second dose 6-12mo after that. Two shot series can be started between ages 9-14.

Teens and young adults who start the series between ages 15-26 will need 3 doses.

Boostrix

Protects against tetanus, diphtheria, and pertussis (“whooping cough”).

Recommended for children ages 11-12, but if they have not received the booster during that time they should get it as soon as possible.

For students entering grades 6-12, 1 dose is mandatory per the Illinois Department of Public Health.

MMR

Protects against measles, mumps, and rubella.

Children typically receive a two shot series, with the first dose at age 12-15 mo, and the second dose at age 4-6 yo. Despite the recent outbreak of measles, if children received the vaccination series in the past, they are considered protected.

For students entering grades K-12, 2 doses are mandatory per the Illinois Department of Public Health.

Please fill out and sign the vaccination consent form and send with your student.

Vaccines are covered fully by most insurance plans, but you can pay out of pocket with cash, check or credit card (please see attached credit card form).
