information designated as confidential from other non-confidential information at the time of submitting its Bid. Prices, makes, model or catalog numbers of items offered, scheduled delivery dates, and terms of payment are not confidential, and will be publicly available regardless of a Bidder's designation to the contrary.

11. LATE BIDS, WITHDRAWALS AND MODIFICATIONS. Pursuant to OAR 137-049-0340:

 - i. The District may waive, or permit a Bidder to correct, a minor informality. A minor informality is a matter of form rather than substance that is evident on the face of the Bid, or an insignificant mistake that can be waived or corrected without prejudice to other Bidders. Examples of minor informalities include a Bidder's failure to:
 - A. Return the correct number of signed Bids or the correct number of other documents required by the Solicitation;
 - B. Sign the Bid in the designated block, provided a Signature appears elsewhere in the Bid, evidencing an intent to be bound; and
 - C. Acknowledge receipt of an Addendum to the Solicitation, provided that it is clear on the face of the Bid that the Bidder received the Addendum and intended to be bound by its terms; or the Addendum involved did not affect price, quality or delivery.
 - ii. The District may correct a clerical error if the error is evident on the face of the Bid or other documents submitted with the Bid, and the Bidder confirms the District's correction in Writing. A clerical error is a Bidder's error in transcribing its Bid. Examples include typographical mistakes, errors in extending unit prices, transposition errors, arithmetical errors, instances in which the intended correct unit or amount is evident by simple arithmetic calculations (for example a missing unit price may be established by dividing the total price for the units by the quantity of units for that item or a missing, or incorrect total price for an item may be established by multiplying the unit price by the quantity when those figures are available in the Bid). In the event of a discrepancy, unit prices will prevail over extended prices.
 - iii. The District may permit a Bidder to withdraw an Offer based on one or more clerical errors in the Bid only if the Bidder shows with objective proof and by clear and convincing evidence:
 - A. The nature of the error;
 - B. That the error is not a minor informality under this subsection or an error in judgment;
 - C. That the error cannot be corrected or waived under subsection 12.b.ii above;
 - D. That the Bidder acted in good faith in submitting a Bid that contained the claimed error and in claiming that the alleged error in the Bid exists;
 - E. That the Bidder acted without gross negligence in submitting a Bid that contained a claimed error;
 - F. That the Bidder will suffer substantial detriment if the District does not grant the Bidder permission to withdraw the Offer;

SECTION III – INSTRUCTIONS TO BIDDERS:
PUBLIC IMPROVEMENT PROCUREMENT RULES
Solicitation No: ITB 19-0009

- G. That the District's or the public's status has not changed so significantly that relief from the forfeiture will work a substantial hardship on the District or the public it represents; and
- H. That the Bidder promptly gave notice of the claimed error to the District.
- iv. The criteria in subsection 12.b.iii above will determine whether the District will permit a Bidder to withdraw its Bid after Closing. These criteria also will apply to the question of whether the District will permit a Bidder to withdraw its Bid without forfeiture of its Bid bond (or other Bid security), or without liability to the District based on the difference between the amount of the Bidder's Bid and the amount of the Contract actually awarded by the District, whether by Award to the next lowest Responsive and Responsible Bidder, or by resort to a new solicitation.
- c. **Rejection for Mistakes.** The District will reject any Bid in which a mistake is evident on the face of the Bid and the intended correct Bid is not evident or cannot be substantiated from documents submitted with the Bid.
- d. **Identification of Mistakes after Award.** The procedures and criteria set forth above are Bidder's only opportunity to correct mistakes or withdraw Bids because of a mistake. Following Award, a Bidder is bound by its Bid, and may withdraw its Bid or rescind a Contract entered into pursuant to OAR 137 Division 49 only to the extent permitted by applicable law.

13. FIRST-TIER SUBCONTRACTORS; DISCLOSURE AND SUBSTITUTION. Pursuant to OAR 137-049-0360:

- a. **Required Disclosure.** Within two working hours after the Bid Closing, Bidders must submit the First-Tier Subcontractor Disclosure Form identifying any first-tier subcontractors (those Entities that would be contracting directly with the prime contractor) that will be furnishing labor or labor and materials on the Contract, if Awarded, whose subcontract value would be equal to or greater than:
 - i. Five percent of the total Contract Price, but at least \$15,000; or
 - ii. \$350,000, regardless of the percentage of the total Contract Price.
- b. **Bid Closing, Disclosure Deadline and Bid Opening.** For each ITB to which this rule applies, the District will:
 - i. Set the Bid Closing on a Tuesday, Wednesday or Thursday, and at a time between 2 p.m. and 5 p.m.;
 - ii. Open Bids publicly immediately after the Bid Closing; and
 - iii. Consider for Contract Award only those Bids for which the required disclosure has been submitted by the announced deadline on the form prescribed by the District.
- c. **Submission.** A Bidder must submit the disclosure form required by this rule either in its Bid submission, or within two working hours after Bid Closing in the manner specified by this Solicitation.
- d. **Responsiveness.** Compliance with the disclosure and submittal requirements of ORS 279C.370 and OAR 137-049-0360 is a matter of Responsiveness. Bids that are submitted by Bid Closing, but for which the disclosure submittal has not been made by the specified deadline, are not Responsive and will not be considered for Contract Award.
- e. **District Role.** The District will obtain, and make available for public inspection, the disclosure forms required by ORS 279C.370 and OAR 137-049-0360. The District will also provide copies of disclosure forms to the Bureau of Labor and Industries as required by ORS 279C.835. The District is not required to determine the accuracy or completeness of the information provided on disclosure forms.
- f. **Substitution.** Substitution of affected first-tier subcontractors must be made only in accordance with ORS 279C.585. The District will accept Written submissions filed under that statute as public records. Aside from issues involving inadvertent clerical error under ORS 279C.585, the District does not have a statutory role or duty to review, approve or resolve disputes concerning such substitutions. See ORS 279C.590 regarding complaints to the Construction Contractors Board on improper substitution.

SECTION III – INSTRUCTIONS TO BIDDERS:
PUBLIC IMPROVEMENT PROCUREMENT RULES
Solicitation No: ITB 19-0009

14. BID EVALUATION CRITERIA. Pursuant to OAR 137-049-0380:

- a. **General.** A Public Improvement Contract, if awarded, will be awarded to the Responsible Bidder submitting the lowest Responsive Bid.
- b. **Bid Evaluation Criteria.** Invitations to Bid may solicit lump-sum Bids, unit-price Bids, or a combination of the two.
 - i. **Lump Sum.** If the ITB requires a lump-sum Bid, without additive or deductive alternates, or if the District elects not to award additive or deductive alternates, Bids will be compared on the basis of lump-sum prices, or lump-sum base Bid prices, as applicable. If the ITB calls for a lump-sum base Bid, plus additive or deductive alternates, the total Bid price will be calculated by adding to or deducting from the base Bid those alternates selected by the District, for the purpose of comparing Bids.
 - ii. **Unit Price.** If the Bid includes unit pricing for estimated quantities, the total Bid price will be calculated by multiplying the estimated quantities by the unit prices submitted by the Bidder, and adjusting for any additive or deductive alternates selected by the District, for the purpose of comparing Bids. The District will specify within the Solicitation the estimated quantity of the Procurement to be used for determination of the low Bidder. In the event of mathematical discrepancies between unit price and any extended price calculations submitted by the Bidder, the unit price will govern. See OAR 137-049-0350(2)(b).
- c. The District may reject any Bid not in compliance with all prescribed Public Contracting procedures and requirements, and may reject for good cause all Bids upon the District's finding that it is in the public interest to do so.

15. BID EVALUATION AND AWARD; DETERMINATION OF RESPONSIBILITY. Pursuant to OAR 137-049-0390:

- a. **General.** If Awarded, the District will Award the Contract to the Responsible Bidder submitting the lowest, Responsive Bid provided that such Person is not listed by the Construction Contractors Board as disqualified to hold a Public Improvement Contract. See ORS 279C.375 (3)(a). The District may award by item, groups of items or the entire Bid provided such Award is consistent with the Solicitation and in the public interest.
- b. **Determination of Responsibility.** Bidders are required to demonstrate their ability to perform satisfactorily under a Contract. Before Awarding a Contract, the District must have information that indicates that the Bidder meets the standards of responsibility set forth in ORS 279.375(3)(b). To be a Responsible Bidder, the District will determine that the Bidder:
 - i. Has available the appropriate financial, material, equipment, facility and Personnel resources and expertise, or ability to obtain the resources and expertise, necessary to meet all contractual responsibilities;
 - ii. Has completed previous contracts of a similar nature with a satisfactory record of performance. A satisfactory record of performance means that, to the extent the costs associated with and time available to perform a previous contract were within the Bidder's control, the Bidder stayed within the time and budget allotted for the procurement and otherwise performed the contract in a satisfactory manner. The District should carefully scrutinize a Bidder's record of contract performance if the Bidder is or recently has been materially deficient in contract performance. In reviewing the Bidders performance, the District should determine whether the Bidders deficient performance was expressly excused under the terms of Contract, or whether the Bidder took appropriate corrective action. The District may review the Bidders performance on both private and Public Contracts in determining the Bidders record of contract performance.
 - iii. Has a satisfactory record of integrity. A Bidder may lack integrity if the District determines the Bidder demonstrates a lack of business ethics such as violation of state environmental laws or false certifications made to the District. The District may find a Bidder not Responsible based on the lack

SECTION III – INSTRUCTIONS TO BIDDERS:
PUBLIC IMPROVEMENT PROCUREMENT RULES
Solicitation No: ITB 19-0009

of integrity of any Person having influence or control over the Bidder (such as a key employee of the Bidder that has the authority to significantly influence the Bidders performance of the Contract or a parent company, predecessor or successor Person). The standards for Conduct Disqualification under OAR 137-49-0370 may be used to determine Bidder's integrity. The District may find a Bidder non-responsible based on previous convictions of offenses related to obtaining or attempting to obtain a contract or subcontract or in connection with the Bidder's performance of a contract or subcontract;

- iv. Is qualified legally to contract with the District; and
 - v. Has supplied all necessary information in connection with the inquiry concerning responsibility. If the Bidder fails to promptly supply information requested by the District concerning responsibility, the District will base the determination of responsibility on any available information, or may find the Bidder not Responsible.
- c. **District Evaluation.** The District will evaluate a Bid only as set forth in the Solicitation and in accordance with applicable law. The District will not evaluate a Bid using any other requirement or criterion.
- d. **Bidder Submissions.**
- i. The District may require a Bidder to submit Product Samples, Descriptive Literature, technical data, or other material and may also require any of the following prior to award:
 - A. Demonstration, inspection or testing of a product prior to award for characteristics such as compatibility, quality or workmanship;
 - B. Examination of such elements as appearance or finish; or
 - C. Other examinations to determine whether the product conforms to Specifications.
 - ii. The District will evaluate product acceptability only in accordance with the criteria disclosed in the Solicitation to determine that a product is acceptable. The District will reject a Bid providing any product that does not meet the Solicitation requirements. The District's rejection of a Bid because it offers non-conforming Work or materials is not Disqualification and is not appealable under ORS 279C.445.
- e. **Evaluation of Bids.** The District will use only objective criteria to evaluate Bids as set forth in the Solicitation. The District will evaluate Bids to determine which Responsible Bidder submitted the lowest Responsive Bid.
- i. **Nonresident Bidders.** In determining the lowest Responsive Bid, the District will, in accordance with OAR 137-046-0310, add a percentage increase to the Bid of a nonresident Bidder equal to the percentage, if any, of the preference given to that Bidder in the state in which the Bidder resides.
 - ii. **Clarifications.** In evaluating Bids, the District may seek information from a Bidder only to clarify the Bidder's Bid. Such clarification must not vary, contradict or supplement the Bid. A Bidder must submit Written and Signed clarifications and such clarifications will become part of the Bidder's Bid.
 - iii. **Negotiation Prohibited.** The District will not negotiate scope of Work or other terms or conditions under an Invitation to Bid process prior to award.

16. NOTICE OF INTENT TO AWARD. Pursuant to 137-049-0395:

- a. **Notice.** At least seven (7) days before the Award of a Public Improvement Contract, the District will issue a Notice of the District's intent to Award the Contract.
- b. **Form and Manner of Posting.** The form and manner of posting notice will conform to customary practices within the District's procurement system and may be made electronically.
- c. **Finalizing Award.** The District's Award will not be final until the later of the following:
 - i. Seven (7) Days after the date of the notice, unless the Solicitation provided a different period for protest; or
 - ii. The District provides a written response to all timely-filed protests that denies the protest and affirms the Award.

SECTION III – INSTRUCTIONS TO BIDDERS:
PUBLIC IMPROVEMENT PROCUREMENT RULES
Solicitation No: ITB 19-0009

- d. **Prior Notice Impractical.** Posting of notice of intent to award will not be required when the District determines that it is impractical due to unusual time constraints in making prompt Award for its immediate procurement needs, documents the Contract file as to the reasons for that determination, and posts notice of that action as soon as reasonably practical.

17. DOCUMENTATION OF AWARD; AVAILABILITY OF AWARD DECISIONS. Pursuant to OAR 137-049-0400:

- a. **Basis of Award.** After Award, the District will make a record showing the basis for determining the successful Bidder part of the District's Solicitation file.
- b. **Contract Document.** The District will deliver a fully executed copy of the final Contract to the successful Bidder.
- c. **Bid Tabulations and Award Summaries.** Upon request of any Person the District will provide tabulations of Awarded Bids.
- d. **Availability of Solicitation Files.** The District will make completed Solicitation files available for public review at the District.

18. NEGOTIATION WITH BIDDERS PROHIBITED. Pursuant to OAR 137-049-0420:

Except as permitted by ORS 279C.340 and OAR 137-49-0430 when all Bids exceed the cost estimate, the District will not negotiate with any Bidder prior to Contract Award. After Award of the Contract, the District and Contractor may modify the resulting Contract only by change order or Amendment to the Contract in accordance with OAR 137-49-0910.

19. NEGOTIATION WHEN BIDS EXCEED COST ESTIMATE. Pursuant to OAR 137-049-0430:

- a. **Generally.** In accordance with ORS 279C.340, if all Responsive Bids from Responsible Bidders on a competitively Bid Project exceed the District's Cost Estimate, prior to Contract Award the District may negotiate Value Engineering and Other Options with the Responsible Bidder submitting the lowest, Responsive Bid in an attempt to bring the Project within the District's Cost Estimate.
- b. **Rejection of Bids.** In determining whether all Responsive Bids from Responsible Bidders exceed the Cost Estimate, only those Bids that have been formally rejected, or Bids from Bidders who have been formally disqualified by the District, will be excluded from consideration.
- c. **Scope of Negotiations.** The District will not proceed with Contract Award if the scope of the Project is significantly changed from the original Bid. The scope is considered to have been significantly changed if the pool of competition would likely have been affected by the change.
- d. **Discontinuing Negotiations.** The District may discontinue negotiations at any time and will do so if it appears to the District that the apparent low Bidder is not negotiating in good faith or fails to share cost and pricing information upon request. Failure to rebid any portion of the project, or to obtain subcontractor pricing information upon request, will be considered a lack of good faith.
- e. **Limitation.** Negotiations may be undertaken only with the lowest Responsive, Responsible Bidder pursuant to ORS 279C.340. That statute does not provide any additional authority to further negotiate with Bidders next in line for Contract Award.

20. REJECTION OF BIDS. Pursuant to OAR 137-049-0440:

- a. **Rejection of a Bid.**
 - i. The District may reject any Bid upon finding that to accept the Bid may impair the integrity of the Procurement process or that rejecting the Bid is in the public interest.
 - ii. The District will reject a Bid upon the District's finding that the Bid:
 - A. Is contingent on the District's acceptance of terms and conditions (including Specifications) that differ from the Solicitation;
 - B. Takes exception to terms and conditions (including Specifications);

SECTION III – INSTRUCTIONS TO BIDDERS:
PUBLIC IMPROVEMENT PROCUREMENT RULES
Solicitation No: ITB 19-0009

 - E. Is late;
 - F. Is not in substantial compliance with the Solicitation;
 - G. Is not in substantial compliance with all prescribed public Solicitation procedures.
- iii. The District will reject a Bid upon the District's finding that the Bidder:
- A. Has not been prequalified under ORS 279C.430 and the District required mandatory prequalification;
 - B. Has been Disqualified;
 - C. Has been declared ineligible under ORS 279C.860 by the Commissioner of Bureau of Labor and Industries and the Contract is for a Public Work;

 - F. Has not submitted properly executed Bid or Proposal security as required by the Solicitation;
 - G. Has failed to provide the Certification of Non-Discrimination required under OAR 137-049-0440(3);
 - H. Is not Responsible. See OAR 137-049-0390(2) regarding District determination that the Bidder has met statutory standards of responsibility.
- b. **Form of Business.** The District may investigate any Person submitting a Bid. The investigation may include that Person's officers, Directors, Owners, affiliates, or any other Person acquiring ownership of the Person to determine application of this rule or to apply the Disqualification provisions of ORS 279C.440 to 279C.450 and OAR 137-049-0370.
- c. **Certification of Non-Discrimination.** The Bidder must certify and deliver to the District as part of their Bid, written certification (see attached Bidder Certification) that the Bidder has not discriminated and will not discriminate against any disadvantaged business enterprise, minority-owned business, women-owned business, emerging small business, or business that a service-disabled veteran owns, in obtaining any required subcontracts. Failure to do so will be grounds for disqualification.
- d. **Rejection of all Bids.** The District may reject all Bids for good cause upon the District's Written finding it is in the public interest to do so. The District will notify all Bidders of the rejection of all Bids, along with the good cause justification and finding.
- e. **Criteria for Rejection of All Bids.** The District may reject all Bids upon a Written finding that:
- i. The content of or an error in the Solicitation, or the Solicitation process unnecessarily restricted competition for the Contract;
 - ii. The price, quality or performance presented by the Bidders is too costly or of insufficient quality to justify acceptance of the Bids;
 - iii. Misconduct, error, or ambiguous or misleading provisions in the Solicitation threaten the fairness and integrity of the competitive process;
 - iv. Causes other than legitimate market forces threaten the integrity of the competitive Procurement process. These causes include, but are not limited to, those that tend to limit competition such as restrictions on competition, collusion, corruption, unlawful anti-competitive conduct and inadvertent or intentional errors in the Solicitation;
 - v. The District cancels the Solicitation in accordance with OAR 137-049-0270; or

PUBLIC IMPROVEMENT PROCUREMENT RULES
Solicitation No: ITB 19-0009

- 21. PROTEST OF CONTRACTOR SELECTION, CONTRACT AWARD.** Pursuant to OAR 137-049-0450:

 - c. **Right to Protest Award.**
 - i. An adversely affected or aggrieved Bidder may submit to the District a Written protest of the District's intent to award within seven (7) days after issuance of the notice of intent to award the Contract, unless a different protest period is provided under the Solicitation.
 - ii. The Bidders protest must be in Writing and must specify the grounds upon which the protest is based.
 - iii. A Bidder is adversely affected or aggrieved only if the Bidder is eligible for Award of the Contract as the Responsible Bidder submitting the lowest Responsive Bid and is next in line for Award, i.e., the protesting Bidder must claim and state specific reasons why all lower Bidders are ineligible for Award:
 - A. Because their Bids were non-responsive; or
 - B. The District committed a substantial violation of a provision in the Solicitation or of an applicable Procurement statute or administrative rule, and the protesting Bidder was unfairly evaluated and would have, but for such substantial violation, been the Responsible Bidder offering the lowest Responsive Bid.
 - iv. The District will not consider a protest submitted after the time period established in this Rule or such different period as may be provided in the Solicitation.
 - d. **Authority to Resolve Protests.** The District's Purchasing Manager will settle or resolve a written protest submitted in accordance with the requirements of this Rule.
