Homework Years 7-11 & Years 10-11

Throughout his time at Salesian College each boy will have homework to do on each weekday evening.

A copy of the homework timetable is issued each year for Years 7-11. In the first year, each boy will usually be set three or four subjects for homework to be completed each evening.

This would be expected to take about an hour and a half maximum. As he progresses through the College, he will have more to do and he will be expected to take more time over it.

Financial Information

SCHOOL FEES

Annual fees for 2018/2019 are £11,961. The Governors require that fees be paid either termly, on or before the first day of each term or by Direct Debit in ten equal instalments, with the first one collected on 1 September and on the same day each month until June. Invoices are issued electronically.

In the event that fees are not paid when due, the College reserves the right to charge interest at 4% above bank rate per month on any outstanding balance.

A full term's notice in writing of the withdrawal of a pupil from the College is required, alternatively a term's fees of £3,987 are payable in lieu of notice. The same notice is required for coaches, and for lunches for pupils in the Sixth Form. Lunch charges are compulsory for all pupils in Years 7-11.

Visa and Mastercard credit card payments are accepted, but there is a 2.5% surcharge for this facility. The Governors review the fees each year and any change takes effect from the Autumn Term. Fee increases are routinely notified to parents by the start of the Summer Term.

The Governors reserve the right to increase the fees at times other than annually if circumstances warrant it.

Payment for public examination fees and all other extras will be added to each student's account.

REGISTRATION

Upon registering a pupil, a non-refundable fee of £100 is payable to cover registration procedures and the Entrance Examination. This can be paid by BACS.

Royal Bank of Scotland (RBS)

Sort Code: **16-00-18**

Account Number: **41455076**

Reference: **Student's Name** please.

DEPOSITS

Once the offer of a place at the College has been accepted a deposit of £500 is payable which is non-refundable in the event that the place is not taken up. Half of this deposit will be credited against the first term's fees with the balance of £250 being returned, less any expenses incurred, after the pupil's final term. The cost of any unreturned or damaged textbooks will be deducted from this deposit.

PERSONAL ACCIDENT INSURANCE

The College participates in a pupils' personal accident insurance scheme, operated by Marsh providing compensation for permanent disability or death, and includes dental cover. Cover is provided 24 hours a day, 365 days a year. The cost of the scheme is included in the fees.

Bursaries & Scholarships

A limited number of bursaries are available for those joining the College in circumstances of financial need, and also where parents get into financial difficulties once a child has started at the College. Further information is available from the Bursar.

Scholarships are available for entry to Year 7. These are based on performance in the Entrance Examination. There are ten academic scholarships of 10% of annual fees awarded each year which remain in place for five years from Year 7-11.

For students entering the Sixth Form, scholarships are awarded for Ethos, Outstanding Ability and Academic Achievement.

Where a student is in the Sixth Form and has a younger sibling in the College, the Sixth Form student is entitled to a Keeping Families Together Award.

Further details for all of these awards are available from Mr Nicholas Crean, Deputy Head Pastoral.

Registration & Admissions Procedure

The normal age for entry to Salesian College is 11. Occasionally, boys are admitted at other times provided that a vacancy exists. Parents or guardians may register their sons at any time but by 19 November at the latest before the year of intended entry.

Applications are invited from boys and girls for a place in the Salesian College Co-educational Sixth Form. Details and applications forms are available on request.

ENTRANCE EXAMINATION

The Entrance Examination is held for Year 6 students at Salesian College in the January of the year of entry. The test currently consists of papers in Mathematics, Verbal Reasoning and two papers in English. Boys are admitted on the basis of this examination and a confidential report from the Headteacher of your son's present school. For boys who are abroad, we can arrange for

the test to be taken in their current school. It is not the policy of the College to issue past papers, however. Mr Crean, Deputy Headteacher Pastoral, would like to meet all prospective pupils to discuss the examination in detail. Students joining older year groups will sit separate assessments depending on the prospective year group.

SIXTH FORM ENTRY

A separate Sixth Form Prospectus is available on request. Applications should be submitted to the College by the end of November. Following an interview with the Headmaster and/or Deputy Headteachers, offers will be made in the Spring term. Acceptable candidates will be provisionally offered a place, subject to satisfactory GCSE grades being achieved. A minimum qualification of six 6's and a 7 or 6 grade in the intended A level subjects are required at GCSE. Induction Days will be held in the Summer term for both external and internal prospective sixth formers.

Extras

Whilst the College tries to include all its costs within the annual fees there are certain extras which are payable in addition and would include (list not exhaustive) the following:

- Coach transport to and from school
- Compulsory lunches for all pupils
- Field courses, educational visits and other trips
- Instrumental music lessons (payable to the tutor)
 - Public examination fees
 - Materials for use in Art
 - Language magazines
 - Visits to the swimming pool (Year 7 only)

Transport

School transport is principally organised and managed by the College. There is one route (Yateley) which is managed by Farnborough Hill. Parents need to check with the coach organisers that a place on the coach is available. Coach travel is extremely popular and places are always in great demand. It is vital to book early as places cannot be guaranteed.
