## 425: THE END OF A WONDERFUL YEAR

Dear Members of the Stonyhurst Community,

As the Summer Term draws to a close, so too does our 425<sup>th</sup> Anniversary Year. It has been a year of celebration and we have enjoyed marking this year in a variety of special ways.

This newsletter is a roundup of wonderful things, which have been organised over the past academic year.

The central fundraising initiative of the year was the 425 Bursary Appeal. We are proud to say this appeal exceeded its fundraising target.

It is not often that two major anniversary years fall one after the other; however having just finished our 425<sup>th</sup> year as a school we now turn our attention to our 225<sup>th</sup> year here in Lancashire and our 20<sup>th</sup> year as a fully co-educational school. Plans are currently underway to make sure that these two anniversaries are celebrated in a variety of ways, with a particular focus on the importance of 20 years of full co-education.

On behalf of everyone here at Stonyhurst and Stonyhurst SMH, we thank you for your support and wish you a happy and joyous summer.

Best wishes,

Stephen Withnell  
Deputy Head (External Affairs)

# 425 BURSARY APPEAL - TARGET REACHED!

It was with great excitement that Stonyhurst and Stonyhurst SMH launched the '425 Bursary Appeal'. This appeal continued the tradition of giving that has defined our history. The appeal has been a great success and having successfully reached our target it was closed on the 14th of June.

The Appeal targeted £425 x 425: £180,625. We actually raised £188,000. Most wonderfully this was via over **270** donations. Stonyhurst family crowdfunding at its best.

The money raised for this appeal will go into a restricted fund that will endow a bursary for a pupil from their first day at St Mary's Hall through to their last day at the College.

It has been several years since we have undertaken a specific bursary campaign, this 425 Bursary Appeal will, quite simply, give the gift of a Stonyhurst education to pupils who otherwise would not have the benefit of one.

We are incredibly grateful for all the generous donations that have made this initiative a success!

# CHRISTMAS TERM

The Christmas Term saw the start of our 425th Anniversary celebrations, with 425 flags created and the first of several keepsakes handed out to College and SMH staff and pupils.

## 425 FLAGS

The Stonyhurst and SMH '425 Flags' were raised early on in the Academic Year and have continued to fly proudly as reminders of this special year.

## CAMPION'S BRAG

A commemorative booklet was produced by the St Omers Press for all staff and pupils for Campion Day.

The booklet contained a citation from Campion's 'Brag' as well as a quote from Father Giles Schon-donch SJ, Rector of St Omers from 1600 to 1617. Images of St Edmund Campion SJ and Father Robert Persons SJ are found on the front and back covers, respectively, creating a wonderful link between an important feast day in the College (Campion Day) and the Founder of our school at St Omers in 1593.

# EASTER TERM

Staff and pupils were welcomed back from the Christmas holidays with the promise of wonderful events and keepsakes in celebration of our 425th year. The Easter term saw the creation of the Stonyhurst Cocktail, the Lenten Lecture Series, staff and pupils receive lapel pins and so much more!

All pupils and staff at Stonyhurst and SMH received a '425' lapel pin at our St Omers Martyrs Mass in February. It was a fitting occasion as staff and pupils gathered to remember the St Omers Martyrs, of whom St Thomas Garnet, one of the first pupils at St Omers, 425 years ago was the first saint and martyr of our school.

The original design, first used in 1909, was designed by a former pupil Raymund Binns (OS 1901), whose initials can be seen at the bottom of the pin (R.L.B.). The design has been adapted slightly to note and commemorate this anniversary year.

## LAPEL PINS

## STONYHURST COCKTAILS AT THE RITZ

The Ritz in London designed a 'Stonyhurst Cocktail'. The ingredients reflect certain aspects of the College's past:

**TRIPLE SEC** - Our French foundation

**ORANGE & SPANISH SAFFRON** - St Ignatius

**TONIC** - Quinine was 'discovered' by the Jesuits in the 17th Century.

**GIN** - Why not?

If you'd like to try the Stonyhurst Cocktail, simply mix 2 tots of Gin, 1 tot of Triple Sec, shake with saffron, add tonic...and enjoy!

# STONYHURST LENTEN LECTURE SERIES

This exciting new initiative, organised by our Chaplaincy team in partnership with The Tablet, has been a resounding success. The series included four specialist lectures from celebrated speakers, Dr Michael Hurley (St Catherine's College, Cambridge); Melanie McDonagh (Senior Leader-Writer for the London Evening Standard); our very own Dr Jan Graffius (Curator, Stonyhurst College) and Professor Peter Davidson (Senior Research Fellow and Archivist at Campion Hall, Oxford). Each talk focused on topics where Stonyhurst has played or continues to play a central role and provided all those who attended with a wonderful insight into the astonishingly rich tapestry of Stonyhurst's 425 years of history, culture and education.

# ROME CHAPLAINCY TRIP

3 pupils and 3 members of staff enjoyed a pilgrimage to Rome. They visited multiple sites associated with St Ignatius and St Aloysius and enjoyed a General Audience with the Pope, where Stonyhurst received a mention! Since then Stonyhurst has received a Papal Blessing, which reads:

‘His Holiness Pope Francis unites himself in thanksgiving with the Pupils, Parents, Staff, Headmaster and Governors of Stonyhurst College, Clitheroe on the occasion of the 425th Anniversary and imparts the requested Apostolic Blessing 1593- 2018’.

# STONYHURST 425 LONDON MARATHON

Congratulations to the six members of staff who ran the London Marathon on the 28th April, with the aim of putting our faith into action and, in doing so, making a positive change to the lives of those most in need. The money they raised will go to the Jesuit Missions for the work they are doing in South Sudan. Miss Greenwood, one of our six amazing runners, said 'I think we can all agree that on the day the race was challenging, inspiring and life changing, not only for personal achievements but also knowing that every step and every pound was putting faith into action and living out our Jesuit motto of 'Quant Je Puis' and 'men and women for others'.

# SUMMER TERM

With the promise of better weather came the promise of more exciting events, gifts and merchandise, which would bring our 425th anniversary to a close.

## 425 BURSARY BALL

On the 18th May the 425 Bursary Ball took place with the aim of raising funds for the 425 Bursary Appeal. Following months of planning the Ball was a great success, raising over £70,000 -the largest amount raised of any recent Ball at Stonyhurst.

Thanks must be given to all those who sponsored the event, donated prizes, paid for adverts and so much more. The list is so long we cannot thank them all in this newsletter. However, a special thanks to Mary Flanagan OS and patron of the 425 Bursary Ball who gave a beautiful, heart-warming speech!

Needless to say that the Ball could not have happened if it were not for the endless dedication and incredible hard work of the 425 bursary Ball Committee, we are incredibly grateful to:

Katherine Burke (Chairperson), Joanne Dodd, Carolyn Glassbrook, Rosie Quinn, Catherine McDermott, Anita Hodson, Kate Holland, Jayne Croft, Eva Fortune and Lorna Goggin

# STONYHURST WINE

The Summer Term saw the launch of our Stonyhurst Label Red (Bordeaux) and White (Sauvignon Blanc) wines.

Carefully curated by our vintners, these wines will add a little extra something to Stonyhurst and SMH events – from banquets and balls to weddings and ‘good teas’.

## STONYHURST ALE: A BRITISH EDUCATION

If you are not a wine fan perhaps the Stonyhurst Golden Ale, ‘Eagle Towers’ will be more to your taste.

Crafted by Withnell’s Lancashire Craft Ales, right here in the Ribble Valley, the Stonyhurst Eagle Towers Ale will be available in a variety of pubs and restaurants around Lancashire, as well as bottled to buy.

# NEW DISPLAY IN THE MUSEUM AND DO-ROOM

The Collections welcomed back the Thomas More Jewels after a long term loan to the British Museum. The Jewels, owned by The British Jesuit Province, have been beautifully displayed in a dedicated Thomas More section, which includes his two hats.

In addition, the Do-Room has a new '425' display. The new information boards look at a selection of OS and important figures linked to our school, over the past 425 years.

These displays were completed in time for the Great Academies weekend and were greatly admired by all who visited that weekend and those who have visited since.

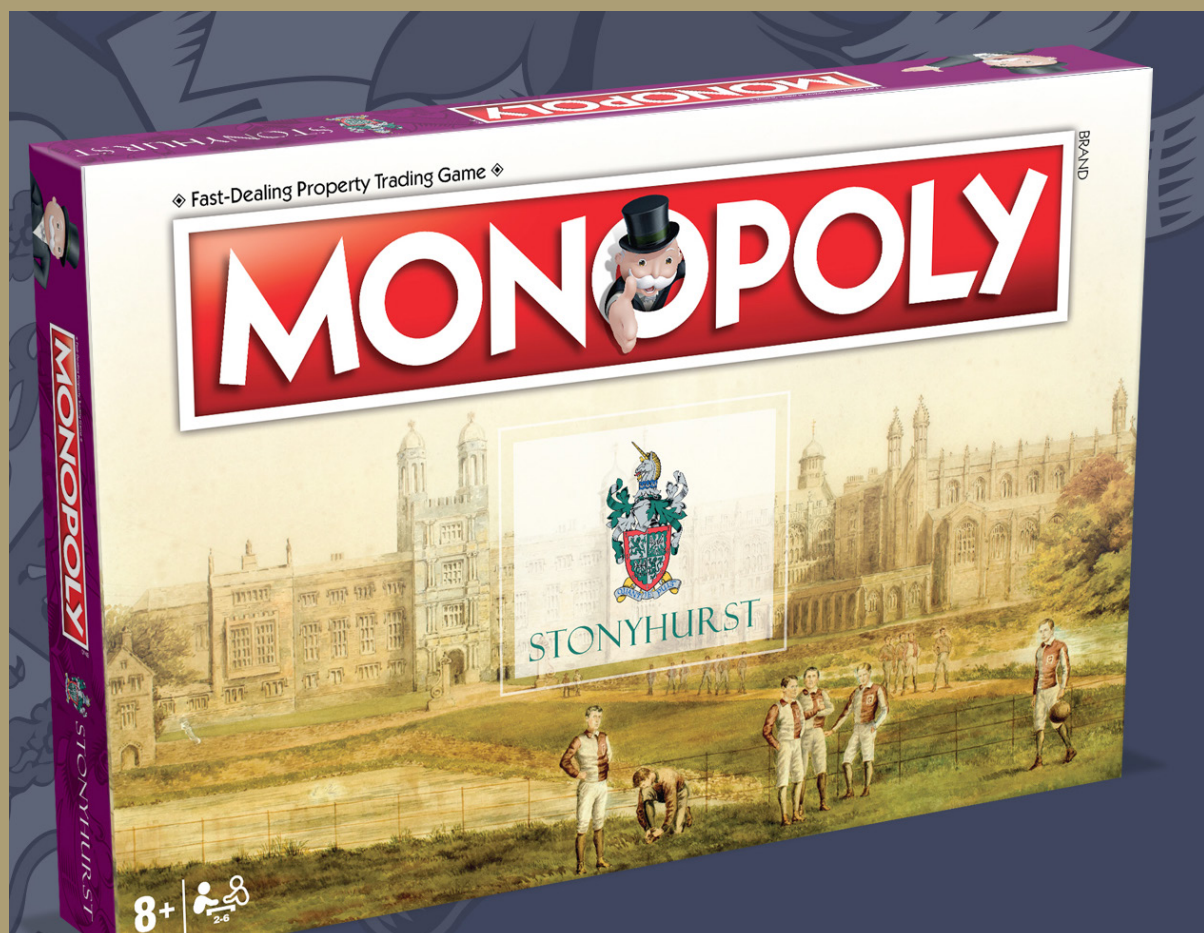

# STONYHURST MONOPOLY

The Stonyhurst Monopoly, commissioned as a celebratory piece for our 425th Anniversary, was completed earlier in the term and officially launched at Great Academies.

You can now have your very own copy of the Stonyhurst Monopoly where the traditional pieces of a top hat, race car and dog race around familiar Stonyhurst places such as The Pipes'; 'The Historic Libraries' or 'The Jesuit Gardens'. And when picking a 'Chance'

card will you be lucky enough to win the Interline Competition or will you be fined for failing your dorm inspection?

Many thanks to The Association; all OS; staff; parents; friends and pupils who provided suggestions for the redesigning of the board and in doing so have created a wonderful memento for our 425th year and for years to come.

# 425 ANNIVERSARY CYCLE RIDE

From the 25th to the 27th May, 40 members of the Stonyhurst Community took part in a sponsored cycle ride from London to the Church of St Pierre du Montmartre, in Paris.

The money raised has been donated to three charities close to Stonyhurst and Stonyhurst SMH's hearts: the Stonyhurst Children's Holiday Trust (SCHT); the Xavier Project and the Lourdes Pilgrimage.

Well done to all those who took part and those involved in the planning of the cycle ride!

# CUSTOMS BOOK

**W**e wanted to finish this celebratory year with one more keepsake for the staff and pupils of Stonyhurst and St Mary's Hall.

The Stonyhurst Collections, alongside the St Omers Press, worked tirelessly to create presentation copies of the 'St Omers Customs Book' by Fr Giles Schondonch SJ, an early Rector at St Omers.

The book highlights some of the key rules and practices put in place for pupils at St Omers, many of which still shape the mission and ethos of Stonyhurst and St Mary's Hall to this day.

Many thanks to Dr Jan Graffius (Curator of the Collections); Mr Joseph Reed (OS and Assistant Curator of the Collections), Mr Stas Callinicos (Teacher of Classics at Stonyhurst); Mr Anthony Eyre (OS and Director of the St Omers Press) and Mr Daniel Höhr (Teacher of English and Latin at the Philosophisch – Theologische Hochschule SVD St Augustin in Germany) for their work on this publication.

We're all extremely proud of the Stonyhurst Gentlemen's XI Team!

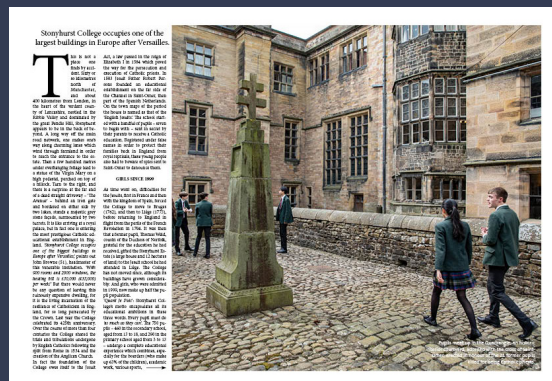

# STONYHURST ARTICLE IN FRENCH NATIONAL PRESS

**W**e were delighted that the French national newspaper Le Figaro published a wonderful article on Stonyhurst in June.

This was the result of a 5-day visit to the College by editor-in-chief Jean-Marc Gonin and photographer Marc Roussel in the run up to the Great Academies Weekend in May. The article was published in the weekend section of Le Figaro - the second highest selling national paper in France.

It was a great, if a little hectic, visit and we owe a big debt of gratitude to all the staff, pupils and OS who gave their time to make it such a success.
