There are lots of ways to support Watts and some of the clubs that Watts sponsors. Please consider helping, and asking friends and family to help, in any of the following ways:

KROGER COMMUNITY AWARD PROGRAM: Link your Kroger Plus card to Watts and earn us money every time you shop. If you don't have a Kroger Plus card, they are available at the customer service desk at any Kroger. How-to directions can be found online at krogercommunityrewards.com.

DOROTHY LANE MARKET: Watts will receive a portion of Dorothy Lane Market's community giving dollars once you are signed up for their Good Neighbor Program. Go to dorothylane.com and choose *Hadley E. Watts Middle School PTO* to have your purchases credited to the program.

TARGET: The "Take Charge of Education" Program is offered by Target. To participate, make sure you designate Watts as your charity of choice with either your Target Guest Card or Target Visa. If you aren't a current cardholder, apply online at Target.com or pick up an application at your local store.

MEIJER COMMUNITY REWARD PROGRAM: Watts Middle School will receive a percentage of purchases made using the Meijer Guest Card or Meijer Credit Card. You (and your friends and family) may apply for a card at your local Meijer store or online at www.Meijer.com/rewards. If you are a current Meijer Guest/Credit Card member, select Watts.

RESTAURANT TAKEOVERS: A great way to get mom or dad out of the kitchen and also support the PTO. Several times throughout the year a Takeover will be organized at a local restaurant where a portion of the proceeds are given to the PTO. Be on the lookout for a Takeover at Five Guys, City Barbeque, Archers, and other great establishments around Centerville.

INK CARTRIDGES: We earn money by recycling your ink cartridges. Just bring the used cartridges to the office and we will do the rest.

BOX TOPS FOR EDUCATION: Help the Science Olympiad program by collecting Box Tops for Education from specially marked items. The box tops can be dropped off at the office.

For more information about any of these programs, or other ways to help, please contact Watts at 434-0370. You can also find information about these programs on our website at www.centerville.k12.oh.us and then choosing Watts Middle School.
