

All Grade 5 - except Two-Way classrooms

Dear Parents/Guardians:

In years past, we have provided you with a list of supplies your child would need for fifth grade. This year we decided to do things a bit differently. Experience has taught us what works and what doesn't! Instead of going out during the summer and purchasing different kinds of supplies, we are asking you to ***only purchase items on this list***. For everything else, we ask that you send your child to school on the first day with **\$5.00**. At that time we will distribute specific materials we would like all students to have. This \$5.00 will cover the cost of all the notebooks, folders, crayons, and colored pencils your child will need for a successful year in fifth grade.

Things you need to purchase separately from the \$5.00 supply list:

1 pocket dictionary/thesaurus

1 soft pencil pouch (please don't buy the hard type, they take up too much room)

1 bottle/stick of glue

1 pack of lined paper

**We would appreciate you not buying
mechanical pencils!**

Donations of the following are always gratefully accepted:

Extra glue sticks

Tissues

Thank you and have a safe and enjoyable summer! See you in September!
