

## Wright State University CC+

- **CCP students who attend WSU are required to meet with an academic advisor in my advising office before they can get approval to register for classes.**
- Students that are newly admitted to the CCP program or continuing in the program can call **Shamon Green** office at **937-775-5750** to schedule an appointment with an academic advisor. We discuss their academic goals, go over CCP and WSU policies, discuss course choices, and we give them approval for registration by removing their registration PIN (randomly assigned number that prevents students from registering unless it is removed). **We have open appointment times this week and beyond!**
- Summer course registration is happening now and Fall registration will begin during the first week of April. You can see the student registration schedule (by college credit hours earned) here: <https://www.wright.edu/raiderconnect/registration/registration-dates> .
- Students taking classes at their high school do not have to meet with an academic advisor at WSU for registration approval, but they can meet with an academic advisor at any time and they will be assigned to a specific academic advisor in my office.

Please don't hesitate to contact Shamon Green if you have any questions, [ccpadvising-uc@wright.edu](mailto:ccpadvising-uc@wright.edu) email address for Wright State.
