COLLEGE CREDIT PLUS PROGRAM

The Board of Education recognizes the value to students and to the District for students to participate in programs offered by accredited colleges and universities in Ohio.

The Board will approve participation by students who apply to the participating college or university ("institute of higher education" or "IHE") and meet the IHE's and relevant academic program's established standards for admission, enrollment, and course placement. Participating students will be eligible to receive secondary credit for completing any of these programs. To be eligible, students must be in seventh, eighth, ninth, tenth, eleventh, or twelfth grade and achieve "remediation free" status on an assessment established under **R.C. 3345.061(F)** or meet alternative criteria under the law.

Underperforming and Ineligible Students

If a student participating in the College Credit Plus Program under the option set forth in R.C. 3365.06 (B) either: A) fails to maintain a grade point average of 2.0 or higher in the college courses taken through the College Credit Plus Program; or B) withdraws from, or receives no credit for two or more courses in the same term, the student will be considered an "underperforming student." If a student maintains underperforming student status for two (2) consecutive terms of enrollment, the student will be deemed "ineligible."

Probation

Immediately after determining a student has obtained underperforming student status, the Superintendent shall place the student on probation within the College Credit Plus Program, and notify the underperforming student, his/her parents, and each IHE in which the student is enrolled of his/her status. The underperforming student and his/her parents shall also be notified of the following requirements for continued participation in the Program while on probation:

- A. The student shall only enroll in one college course during any term.
- B. The student shall refrain from enrolling in a college course in the same subject as a college course in which the student earned a grade of "D" or "F" or for which the student received no credit.
- C. If the student had registered for more than one college course for the next term prior to being placed on probation, the student shall request each IHE in which he/she is enrolled to dis-enroll the student from those courses that conflict with the terms of his/her probationary status.
 1. If a student elects to remain enrolled in one course for the next term, he/she shall inform the IHE of the course in which the student would like to remain enrolled.
 2. If the student fails to dis-enroll from any courses that conflict with his/her probationary status, the Superintendent shall immediately notify the student and his/her parents that the student shall assume responsibility for any and all tuition, fees, and costs for textbooks for any courses from which the student was required to dis-enroll. In this notification, the student and his/her parents shall also be advised that the student shall be deemed an ineligible student and dismissed from the program for the next term in accordance with the dismissal procedures set forth below.

Appeals

Any student who is dismissed from the College Credit Plus Program or prohibited from taking a course in which the student earned a grade of "D" or "F" or for which the student received no credit, may appeal the decision to the Superintendent. After considering such information, the Superintendent may:

- B. allow the student to take a course in which the student earned a grade of "D" or "F" or for which the student received no credit;

If the student has elected to receive credit for course(s) toward fulfilling graduation requirements as well as the College Credit Plus Program credit, that election is automatically revoked for all college courses in which the student enrolled during/he college term in which the expulsion is imposed.

When a student is expelled, the Board directs the Superintendent to send written notice of the expulsion to any college in which the expelled student is enrolled under R.C. 3365.03 (College Credit Plus Program) at the time the expulsion is imposed. This notice shall indicate the date the expulsion is scheduled to expire and that the Board has adopted a policy under R.C. 3313.613 to deny high school credit for College Credit Plus Program courses taken during an expulsion. If the expulsion period is later extended, the Superintendent shall notify the college of the extension.
