Goal

The goal of the PAT is to ensure that parents, staff and community members have the opportunity to take part in the planning and design of new schools. The PAT members will **serve as communicators** to and from the community during the schematic design and development phases of the project and participate in discussions that will lead to recommendations. The PAT concludes its work once construction begins.

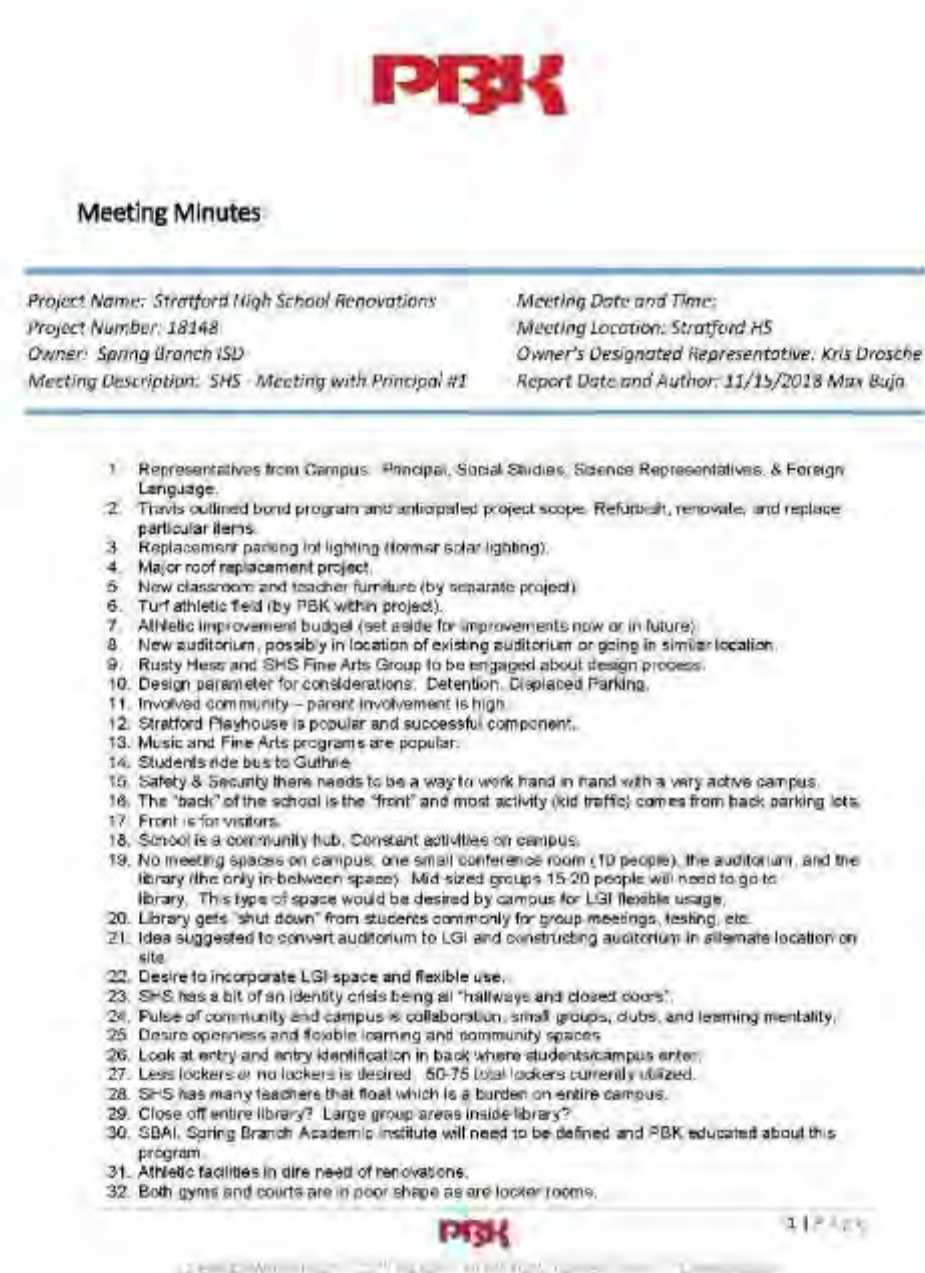

Charge

Each Project Advisory Team's (PAT) members are charged with **providing input into planning and design development** for their school's new construction or major renovation project in the 2017 Bond Program. The PAT will meet as needed throughout the project, from initial planning, through design to the start of construction. Meeting agendas and minutes will be posted on the school's bond project website.

- **New 1,000 seat Auditorium**

- **Site Improvements** (Safety lighting and parking pavement)
- **Roof Systems;** replacement
- **Athletic Upgrades;** (Resurface track, tennis courts, & field refurbishment. Upgrades will be addressed as needed)

- Involved **Community**
- School is a **Community** hub
- No meeting spaces on campus
- Desire **Openness**
- **Way-finding** is not organized
- No **open** look and feel
- Remove lockers
- Balance **true needs** of SHS

- **Playhouse** season ticket holders
- **Auditorium** is central to campus
- Need an **LGI**
- Need **offices and storage**
- Floating teachers
- **Secure** main lobby
- Feels too **institutional**
- Create **Counselor suite**

2. Travis, Kris – P&C
3. Chad, Principal
4. D. White, Counselor
5. Pam, Assoc. Principal
6. Lynne, Director SB Institute
7. Valerie, 9th Gr Principal
8. David, Director Tech Theater
9. Kristi Schaper, CTE Teacher
10. William Hall, Math & Engineering
11. Shelby, Librarian
12. Project Scope-Roof, Turf Field, Auditorium, Major Renovations & Interiors work.
13. Classroom Furniture (Future Separate Project)
14. Current 750 seat auditorium. Request and need to keep current auditorium seating during construction.
15. 500 participants in current programs
16. Previous events there have had folding chairs brought inside the space to allow for additional seating.
17. Plays are "extra-curricular" because of other programs that students participate in.
18. Heavy participation from community.
19. Theater, Orchestra
20. Several hundred season ticket holders.
21. Gala fundraiser this week for Theater Booster Club (multiple enormous events) compete against varsity football events.
22. Auditorium is central to campus use and highly used.
23. UIL hosted events – every UIL events for one act plays and large events.
24. No current multipurpose space at SHS. Use auditorium, library, or dining space therefore auditorium is commonly occupied.
25. Parent meetings that coincide with production, rehearsals, or other events. The set is there and this results in limited usable space within auditorium.
26. Medium sized space ideally would house 100-150 people (multipurpose space)

Rating of the Fact-Finding Items

Rating	Fact-Finding Item	Additional Comments
A	Heavy Community Involvement	
A	School is a community "hub", constant activity on campus	
A	Auditorium central to campus, highly used	
A	Performing arts program very popular, equal to football	
B	Several hundred season ticket holders for the Playhouse	
B	UIL hosted events in the Auditorium	
A	Front entry lacks presence towards street	
A	Back entry is heavy used (students), front only visitors/ parents	
A	Balance security with campus openness and student flow	
A	School doors locked all day	
A	No secure vestibule	
A	3rd gym/ training room exterior access only	
B	School lacks clear way-finding	
	Define school academies - not in this scope	
B	Parents and visitors "lost" in campus	
B	STORAGE FOR SPORTS (STUDENTS EQUIPMENT) ON MAIN FLOOR (e.g. GOLF CLUBS) - THEY HAVE TO USE THEM AT THE END OF THE SCHOOL DAY	
A	Accessible to all (auditorium, cafeteria etc)	
B	Extra parking out in the front of the building. There is never open parking for parents for pick up	
A	Enter around parking area (Trl by ltr)?	
B	Staircases - some open / some closed Is better staircase in the cafeteria area - would look & function so much better	
B	School lacks gathering areas	
A	Incorporate large and medium instructional areas	
A	Desire openness and interconnectedness across campus	
A	Provide flexible and collaborative areas	go together
A	Create spaces that harbor ownership and responsibility	
B	Provide flexible furniture to enhance collaboration	
A	Lack storage across campus (see below)	perhaps join storage / make a new space with the third gym (make it secure)
A	Need additional admin offices	
A	Create counselor suite	use to create classrooms
A	Remove lockers, underutilized (50 to 75 units used)	
A	8 teachers are currently "floating"	
A	SBAI (Spring Branch Academic Institute) specific needs	A lot of they could "go anywhere" comment "If SBAI does not utilize the SPS staff why do they not use the space @ SPS? There is space (or was) at that campus & then the students are with their age peers & bus costs. Just curious..."
A	Several HVAC Issues across the campus	
A	Technology upgrades needed across campus	

Additional Comments

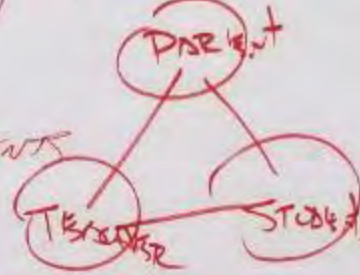

A Technology & electrical etc
