

Mass Communication— Print/Broadcast Journalism

Prepare yourself for this high-paced career that keeps you in front of the camera and behind the headlines.

Learn how to dig out the highlights of news and sports stories and skillfully write them.

During your three-period day, you will produce the monthly school magazine, *Pursuit*, and a television news show, *Centerville News Network*. Gain a full scope of media life from investigating feature articles, photography, advertising sales to public relations and desktop publishing.

You will also obtain advanced training in newspaper, magazine, and television production.
