

## PARENT SUPPORT BOARD

*The mission of the Archbishop Williams Parent Support Board (PSB) is to positively impact the community life of all students, faculty, staff, alumni and families associated with AWHS with their time, talents and financial support.*

Participation in PSB is appreciated and an excellent way to offer valuable assistance for our student's educational and spiritual wellbeing.

*Families are requested to contribute \$50 annually to the PSB in order to fund our various initiatives.*
