

## Lynch Hill News

### Welcome

I write this as the school year draws to a close. We only have four days left but in those days I will be having afternoon tea with a group of students who have achieved 100% attendance, celebrating the academic achievements of each year group in our end of term reward assemblies and reflecting on a fabulous year overall in our end of term whole school assembly.

The term has been a very busy one with particular highlights being the first whole school production and the first Year 11 Prom, so ably orchestrated by Mr George. Year 11 worked incredibly hard for their GCSE exams and I am looking forward to seeing them return on August 22<sup>nd</sup> when they collect their results. I am sure that they will achieve the success that their efforts, coupled with the support of our fantastic staff, deserve.

I would like to single out the efforts of Ms Zubairy-Moore and Mrs Oculi-Dinal who helped make the vision of one of our Year 11 students a reality by staging her version of 'The Greatest Showman'. It is particularly important to me that Lynch Hill Enterprise Academy is a school that offers a high quality all-round education. GCSE results are incredibly important but so are the events, sports fixtures, trips and daily experiences that ensure the students become well-rounded young adults. I am sure that this show marks the start of many such opportunities for the students to demonstrate their unique talents. The end of the year is also the time to say farewell to staff who are leaving for pastures new. Mr Culkeen, who has worked as a 'shared' Deputy Headteacher with Slough & Eton is returning to his full time position at Slough & Eton. Mr Rowland, Head of Year 8 and someone who has worked at Lynch Hill since it opened, is moving to a new job closer to home. Mrs Rasheed is moving to a new challenge at St Bernard's Grammar School where she will be teaching Economics alongside Maths and Mrs Maw is moving to a new job closer to home. I am pleased to say that we are fully staffed for September and feel very confident in the appointments that we have made which include Mr Burrows, whom some of you may already have met, who is joining as my new Deputy Headteacher. I will introduce all of the new staff in the first newsletter of next term.

To conclude, I would like to wish you all a very good summer holiday and I look forward to welcoming your children back in September feeling refreshed and ready for another great year at Lynch Hill Enterprise Academy!

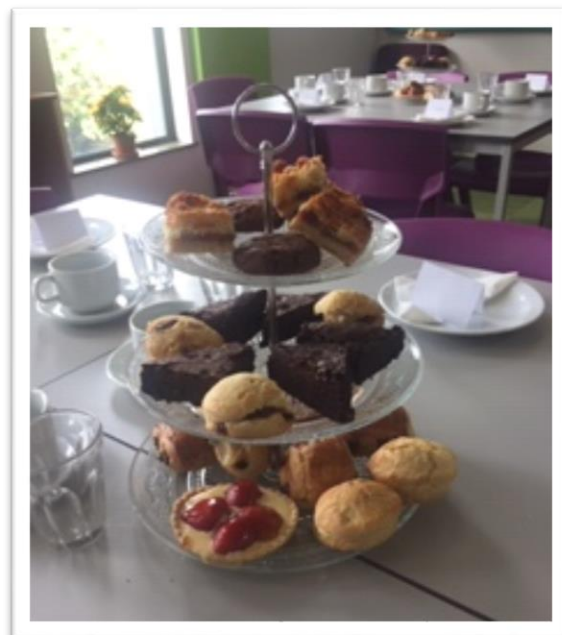

### Uniform

I would like to take the opportunity to remind parents about uniform and punctuality ahead of next year. The vast majority of our students are very smartly dressed and arrive on time every day for school. There are still a small number, however, who challenge the uniform policy by wearing trainers rather than proper shoes, nose studs and too many earrings. Uniform policies serve several functions in a school and it is my intention that every student adheres to it next year.

## End of Term Events

It has been a busy and exciting end of term with a number of events taking place. We have had celebration assemblies, rewards ceremonies, the Year 11 Prom, a tutor group school fair, a Year 7 disco and the rewards trip to Thorpe Park. Between all of that, the Drama and Music departments put on the school production and there have been afternoon teas with the Headteacher for the students with 100% attendance for the Year and for those who have had the highest achievement points and no behaviour points.

A big well done to all the students involved in these events and a massive thank you to the members of staff who have been involved in the organisation.

## Celebration Assemblies

**The race to Thorpe Park has now been won!!** Conduct points and points for inter-tutor competitions have been added up and the following tutor groups are the winners of the much sought after subsidised trip:

## Glenn Haughton Visit

On Wednesday 12<sup>th</sup> June, Sergeant Major Glenn Haughton visited our school to give children and staff a motivational talk. He was kind enough to do this as a favour to the school and gave up his time free of charge. He spoke about life in the army, PTSD, working together and focusing on our journey in this life. Glenn is a father of two and a senior British Army soldier. Since November 2018, he has served as the Senior Enlisted Advisor to the Chiefs of Staff Committee. From March 2015 to 2018, he was the Army Sergeant Major, the most senior warrant officer and member of the other ranks in the British Army. He was invited to the Royal Wedding and has met the Queen on several occasions. When we entered our school with a fellow colleague there were many children staring. Glenn was in full uniform, he is 6 ft 6", well built with many tattoos-he was an unusual sight in our school. Glenn made a huge impression on many children and they spoke to me for several days afterwards about the information he gave them.

His key points were:

1. Respect others at all times.
2. Respect yourself and have self-belief.
3. Keep your room tidy, bed made and desks clear of junk.
4. Work hard and work together.

Glenn gave out 6 medals to deserving children. These medals were personalized and I am sure will be treasured by these young students for years to come.

Glenn was really impressed with our school and he was recently on Good Morning Britain, mentioning that from his visit to a local school, the students had great questions on PTSD. Glenn was talking about our school and we all hope that he will return again.

## Year 11 mix MFL with STEM!

As part of their revision in French before doing their GCSE's, the Year 11's have been creating balloon towers of vocabulary.

The class worked in three teams to build the tallest free-standing tower possible. Each team was given a balloon, a roll of sticky tape and a sharpie. They had to inflate the balloon, write 10 pieces of vocabulary on a given topic onto the balloon and then have it checked by the teacher before being given another balloon.

Some teams used over 30 balloons, which shows an incredible vocabulary knowledge! They worked together to create their towers and it was clear how much vocabulary they knew as a group!

**Well done Year 11 and bonne chance in your exams!**

## LHEA does Eurovision!

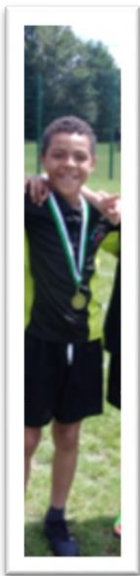

This Year, the 67<sup>th</sup> annual Eurovision Song Contest was held in Tel Aviv, Israel. As a very important part of European culture, the Languages Department organised a sweepstake for the school. Each tutor group was given a country from the final, all drawn at random. Tutors were then encouraged to show their forms their song and to research a little about their given country.

Well done to 10 Einstein, who won the draw, having been given the Netherlands! Goed Gedaan as they say in Dutch!

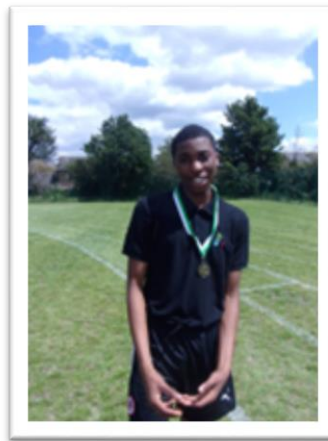

## District & County Athletics

The following students were picked to represent Slough at the County Athletics Championships held at Palmer Park in Reading. This was due to their stand out individual performances at the District Athletics, which took place in May this year.

**Lawrence Amofah** won the boys 100m Hurdles in spectacular style and was invited to the County Athletics Championships in Reading

**Adam Marata** won the boys Shot Putt and was also picked to go to the County Athletics Championships.

## Our trip to see Wicked

On the 19<sup>th</sup> June we faced the wet and windy coach journey to London. We were all longing to see the production and staff and students excitedly got on the coach bound for London. Sheets of rain came down hard and fast as we drove but still, the students sang and chattered happily on the journey. Ms Ahmed, Mrs Tate and Mrs Oculi-Dinal were all very happy to be on the trip as the lights of the West End soon approached.

As we were all dropped off at the allocated spot, the driver assured us it was a 5 minute walk to the theatre. It soon became clear that he had dropped us off at the wrong location. Soon the excited chatter turned to panic and the children became nervous that we would miss the start of the Musical.

Mrs Oculi-Dinal had to think quickly so she made a decision to take staff and children (48 in total) to the nearest tube station. The children listened and cooperated. They were so well behaved and we have never been more proud to be LHEA's teachers.

The London Tube staff could not have been more helpful as they let us through the turnstile without too much questioning. We walked through the long tunnels, past busy commuters, to our allocated tube line. Many of the children had never been on the underground but they took it all in their stride! A trip to Wicked had become an adventure, one which we could not have imagined!

Finally, we arrived at the theatre. We crept in as quiet as slightly drenched mice. We felt so glad to be there. We had hardly missed anything, due to a slightly late start of the show and the speed of the staff and students getting there, we had only missed 20 minutes of this amazing piece.

We laughed, we cried, ate chocolate and we sang! It was a wonderful, memorable experience for us all and one we shall never forget. As we waited for parents to pick their children up from school, later that evening, a very tired year 7 student turned to Mrs Oculi-Dinal and said 'I feel like we all bonded today.' We had to agree. Staff and students had bonded and we shared an adventure which we would never, ever forget.

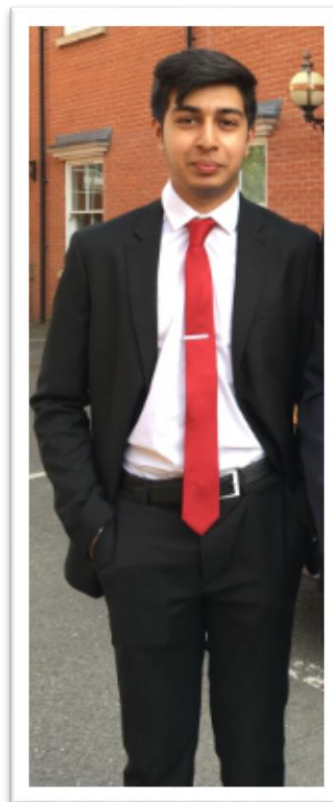

**Ms Zubairy-Moore (Subject-Leader – Drama)**

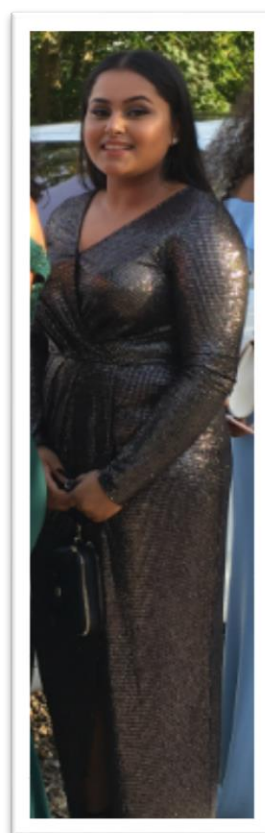

## Prom

Pinewood hotels hosted our first ever Year 11 Prom event. After a stressful final year, it was great to see plenty of smiles and laughter throughout the evening, with all of them hitting the dance floor before the end of the night. Our Year 11s looked stunning in their handsome suits and beautiful dresses. Students got to enjoy a three course meal, photo booth and chocolate fountain during the evening, along with use of all the hotel's facilities and their very own DJ set.

Light hearted awards were chosen and presented during the evening by the pupils and staff that were in attendance. The main award, Prom King and Queen, was presented to Pavandeep Sandhu and Gurrinder Virdee. Congratulations!

## Girls Football Festival

On Tuesday 9<sup>th</sup> July, Miss Jones took the Year 7 and Year 8 girl's football teams to the annual Football Festival at Arbour Park, organised and run by Active Slough.

The girls had a busy but enjoyable afternoon taking part in skills drills and practices, as well as playing in a 6 a side football match against other schools. The girls are now prepared and excited for next season and what that brings for the LHEA Girls football teams.

The Year 7s trying their skills at the blind maze

The Year 8s having a go at target football to see who would win the most points

## Girls Get Active Day

On Thursday 11<sup>th</sup> July, girls from year 7, 8 and 9 went to Slough and Eton for a Girls Get Active Day.

The aim of the day was to encourage girls to take part in different sporting activities and to have fun. The girls took part in team building and fitness activities, Zumba and Danish Long ball. The girls enjoyed the day and felt sore after-some said they are thinking about joining a PE club next year or taking part in activities outside of school

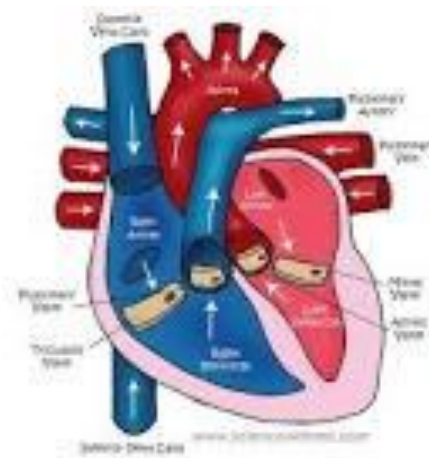

## Science Primary Workshop

Dr Nandhra conducted three Heart Dissection workshops in two local primary schools. Nearly 25 year 5 students of Lynch Hill Primary School Academy and 60 year 5 students of St. Ethelbert's Catholic Primary School had the opportunity to learn about heart disease, the structure and function of the heart. The students even had the chance to examine a cow's heart and dissected a lamb's heart for themselves.

Some quotes from the students that had attended the workshop:-

*"I had the privilege to touch the cow's heart, it was massive compared to the lamb's heart."*

*"The most interesting part of this workshop was that I got to dissect my own lamb's heart and got to feel it's tendons and observed it's blood clot."*

*"Dr Nandhra also told us about the human heart and CHD . It was very informative."*

*"It was fun as everyone was so excited but at the same time, some of the children felt a bit groggy because it smelt terrible."*

*"The heart was a bit hard to touch and the shape was so different to my imagination."*

*"Thank you Dr Nandhra for this amazing experience."*

## The Greatest Showman

On a hot day in July we performed The Greatest Showman. The Drama and Music Departments came together to produce a version of the renowned life story of Barnum. Our version was written by Britney in year 11.

The students spent a long time rehearsing their lines on a Wednesday and Friday after school, some even came in on a Sunday. They were committed, focused and determined. Over all they showed tenacity throughout the whole event even when there were mishaps! They were constantly supportive of one another and worked extremely hard.

The play contained singing, dancing, acting and lots of laughing! We had two cameo roles from Alison and Danny who were very successful in the show. Danny also played the strong tattooed man in the circus which caused a great deal of giggling from the children and the adults!

We shall always remember this day and most of all we shall remember the smiles from the children as they sang the final song of the show. They were proud of themselves and their newly found confidence was almost tangible
