COBIS Early Years Conference 2020

Date: 15th and 16th February 2020

Venue: Wellington College International Shanghai

Keynote by **Professor Julie Fisher**, author of 'The Foundations for Learning' and 'Interacting or Interfering?' on **Excellence in teaching and learning in the Early Years – Research and Practice**

Workshop Themes:

A masterclass on the knowledge, timing and sensitivity needed for effective interactions with young children

Workshops from innovative and outstanding educators in International and Bilingual schools which will share strategy and practice on evidence based approaches such as: Outdoor learning in tropical climates, responsive planning techniques in an international context and ways to assess and monitor the quality of deep level learning with bilingual children.

A World Café event will also be facilitated by Karen Ardley to enable networking and sharing of challenges, solutions and common issues.

A pre-conference gathering will be held on the Friday before the event.

Registration Fee: RMB 3,450
10% discount available to schools as members of COBIS and FOBISIA
