7.0 MEASURE S UPDATE PRESENTATION

Information

Mr. Scott Harvey presented information on the State Matching Funds update, and the Measure S Program highlights and milestones.

Reviewed handouts were provided to the Committee.

Discussion:

Mr. Harvey discussed the state of the school portables, and the criteria for base grants. Mr. Harvey explained the eligibility of each of the four High Schools. Member Campbell and Member Utter inquired about State Funding, and how it's prioritized. Mr. Harvey shared that many School Districts are on waiting lists for State Funding, including the Orange Unified School District. Member Cavecche asked for clarification on how many projects

were on the State Funding Lists, other than Fletcher Elementary, and Fred Kelly. Mr. Harvey and Mr. Rivera shared that those were the only two sites at this time, but the District is hopeful that more projects will be added to a future bond.

8.0 PHASE II PLANNING UPDATE

Information

Mr. Scott Harvey presented information on Phase II Planning.

Discussion:

Mr. Harvey explained that several design options and staff recommendations would be presented in an upcoming informational Study Session with the Board of Education. Members of the Committee addressed concern for the state and quality of student school restrooms. Member Cavecche asked Principal McCuiston for his thoughts on the condition of the Orange I High School Restrooms. Principal McCuiston stated that he would like to see improvements to better the state of the restrooms. Mr. Harvey assured that improvement of student restrooms would be a part of the Phase II plans, and shared that the District has added specialized custodial training to ensure that the cleanliness and condition of the school site restrooms would be held to a higher standard.
